(The counse of the Commonwealth with drew the scenad point, yours. If in your verific, which with drew the scenad is guilt your counse of the Commonwealth with drew the scenad point, yours. If in your verific, any noting ab at the cost. If yours. If in your verific, any noting ab at the cost. If yours is not point the costs between them. Hourday PERSENS.—Presh arrival of new goods in the smokers' line, such as Segars, pines. Secar Holders of all zerades. Charging the sec.

abridged this it seems to us is the oal reasonable construction of this provision. The provide the second second second second the second second second second second second that Prof. Guess committed other offences than the one charged. Still the charge specifically set out in the indistance it is contained in the affadavit. All that presents the affadavit is lot one charged. Still the charge specifically set out in the indicatment is contained in the addiavit. All that precedes the addiavit is but comment on that which follows, and the makine which induced the publication of the addiavit, if malice there was, is really indicated by that publication, and that where true, it would fairly warrant the inference in the prefatory remarks that the prosecutor had been willy of other offences of a like nature. Nor would the prosecutor be muck better off if the one distinct charge only were true. The public would likely draw conclusions for themselves. If Prof. Ginss had been guilty of this specific charge is up to 17-0. Gues was the publication of the addi-davit. Then, confining our attention to the addi-davit. There, confiring our attention to the addi-davit. There, with the counsel for the de-

rit, was the matter proper for public informati-and was it true? We do not agree with the counsel for the i-fendant that the defendant is responsible only his belief as to the truth of the affidavit; that i-eause he found an exparte affidavit containing illusion to the reputation of another; that he i-fore justified. That affidavit might have be made for a proper purpose, haid before the pro-unhorities, for a purpose perfectly proper at to 'ime; that of getting the other daughter of M Pope out of the school; but it was in no sense indicial assertiament of guilt, nor of itself a-vid-nee sufficient to warrant its publication. To enshoul consider dispassionately this evi-

If y its publication. You should consider dispassionately this evi-lence. The great energy to impartial judgment is a feeling of sympathy for or of prejudice agains-me or the other of the parties. You should banisl verything of this kind. Carefully weigh the tes-timony. Bring to bear upon it your common sense and sound judgment, and, without hesitation onke up a verdiet. The charge, you will bear in mind, alleged in the libel is one easily made. Any read or wicked woman who desires to injure the reputation of a man, or to extort money from him an make such a charge, and the subject of th-harge often has no means of refuting it but by an proved to work own reputation for purity; and so Reported Weekly for the JOURNAL I Henry & Co. OATS...... MOLASSES, Port Rice New Orl

iewd or wicked woman who desires to injure the reputation of a man, or to extort money from him, an make such a charge, and the subject of the harge often has no means of refuting it but by an upseal to his own reputation for putty; and so, in the other hand, you will bear in mind that in bear in find, all so the own of the second se

n would give her money whenever she wanted it, but that she relaxed to keep the servet and went home and told her mother.
This is her statement, gentlemen. It is fails set is the material part,—as to what took place in the room. To have heard this statement on the stand under eath ; as also the testimony of Mr. Rindlaub. His gardener, who states that he went into the room that moring for the purpose of calling on Prof. Gues to get some money for its mode. The statement alongs the statement along the set of the se
