Article VII. Vessele of the United States arriving at a port of Inly, and, reciprocally, vessels of Italy arriving at a port of the United States, may proceed to any other port of the same country, and may there discharge such part of their original cargoes as may not have been discharged at the port where they first arrived. It is, however, understood and agreed that nothing contained in this article shall apply to the coastwise navigation, which each of the two contracting particesreserces exclusive-ly to itself. Article VIII

Article VIII.

The following shall be exempt from paying tonuage, anchorage, and clearance duties in the respective ports: 1st. Vessels entering in ballast and leaving again in ballast, from whatever port they may

again in ballast, from whatever port they may come.

 Vessels passing from a port of either of the same states into one or more ports of the same state, therein to discharge a part or all of their cargo, or take in or complete their cargo, whenever they shall furnish proof of having ilready paid the aforesaid duties.
 Leaded vessels entering a port either voluntarily or forced from stress of weather, and leaving it without having disposed of the whole or part of shier cargoes, or having there in completed their cargoes, or having there is a stress of weather, and leaving it without having disposed of the whole or part of shier cargoes, which may be compelled to enter a port of the other, shall be regarded as engaging in trade if it merely breaks bulk for repairs, transfers her cargo to another vessel on account of unseavorthiness, purchases stores, or sells damaged goods for re exportation. It is, however, understood that all portious of such damaged goods desined to be sold for internal consumption shall be liable to the payment of custom duties.

By the President: HAMILTON FISH, Secretary of State.

BY THE PRESIDENT OF THE UNITED STATES OF AMERICA

A PROCLAMATION.

Article XVIII. Article XVIII. In order to prevent all kinds of disorder in the visiting and examination of the ships and cargoes of both the contracting parties on the high seas, they have agreed, mutually, that whenever a vessel of war shall meet with a vessel not of war of the other contacting party, the first shall remain at a convenient distance, and may send its boat, with two or three men only, in order to execute the said examination of the papers, concerning the ownership and cargo of the vessel, without causing the least extortion, violence, or ill-treatment; and it is expressly agreed that the nuarmed party shall in to case be required to go on board the examining vessel for the purpose of exhibiting his papers, of for any other purpose whatever. Article XIX. It is agreed that the stipulations contained in the negative for the order to the origitized
