tung for oringing forward flower seeds in a seed and the seed of the seeds of the s

on at the caucus meeting: It is the imperative duty of each member

actor and do all they can to promote their prosperity.

15. No person who belongs to another secret political organization in Huntingdon county, or who is not a republican voter can be admitted as a member of this order.

16. It will be the duty of the President of each Division of the League to call a meeting of the League one wock before the election of delegates to the different county conventions, and also a meeting one week before the election of township officers, in the former case to decide who shall be elected as delegates to the county convention and in the latter to nominate a ticket to be supported at the township election.

cy whose object is to exclude all but from three to eight of our party in a township from three to eight of our party in a township from three to eight of our party in a township from three to eight of our party in a township from three to eight of our party in a township from three to eight of our party in a township from the value of the control of the whole party, and not have it subject to the imputation of being under the rule of any ring, oligarchy, or aristocracy, such as this constitution sets up.

Farm and Household.

equable and temperate, which is a great object. It is the imperative duty of each member of the League to attend all delegate meetings of the Republican party and take with him all he can influence to vote as he does, and elect as delegates to the county convention members of the League, whenever it is possible, and in default of this try to secure the election of such delegates as the League can control.

13. The delegates elected to attend the County Convention will hold a cancus meeting a few hours previous to the county convention and there decide which of the different candidates they will support, whether in or out of the League, in said convention, the majority in Sach cancus necting shall always say season for transplanting.—Our Home Jour. equable and temperate, which is a great passing over the surface of the shade, and THE CHEAPEST THE BEST.

and after January 26th, 1873, Passenger Trains will we and depart as follows: Republican County Committee, on the 3 of September, 1869.

Mr. Chairman and Gomilence of the County Committee: I appear before you in response to your request, made known by a personne to that I would lay before you a paper in my possession accompanied with any remarks if deem proper to make concerning it. I do so because of my desire to preserve the integrity and purity of the Republican party in this county. Before reading the paper referred to, it is proper that I should state briefly how it came litto now which I thought anthentic as to the existence of a secret political organization, in the north the assembling of the County Convention ever aly years ago which nominated an August county convention of the existence of a secret political organization, in the north the assembling of the County Convention of the existence of a secret political organization, in the north the assembling of the County Convention of the existence of a secret political organization, in the nominated and accompanied who were its members; in response to which they in the called upon me and stated that a promise of its support if he entered it. He said he desired of themsone information as to its objects and woods were its members; in response to which they informed him that its object was to secure a few active and leading mes in each township, informed him that its object was to secure a few active and more control the election of delegates and more control than the control and the control and the control than the control and the control The Southern Express, Westward, leaves Huntingdon 1, 50 M.
