Miscellaneous

EXCELSIOR.

Dr. Wengert's Family Medicines of the diseases for which they are recommended. Invalids, try them, and be convinced of the truth of what we assert. It is but ten months since they were first offered to the public, and to-day they are sold by first-class Druggists and Merchants in Pennsylvania, Maryland, New Jersey, New York, the Virginias, Ohio, Indiana, and the District of Columbia. Surely they are not humbus or they, would'nt be so highly commended by the intelligence of the most powerful states in all this fair land. They are classified so as to meet the most difficult diseases for which they are offered, not one medicine for all the diseases humanity is heir to.

The Magic Balm anot fail to cure Coughs and Colds if used ac-ding to directions. For all diseases arising m impurities in the blood use the

THE INDIAN VEGETABLE Restorative and Blood Purifier.

THE SAMSON OIL need only be tried to convince any one that it will cure Cramp Colic, Bunions, etc.

The Hepatica Pills are an Alternative Cathartic, and should be used in every family. They should be used in connection with the

Mountain Herb Bitters for Fever and Ague. FOUSE BROS., CRUM & CO., Sole Proprietors of Dr. Wengert's Family Medicines

Fouse's I. X. L. Horse and Cattle Powders.
