of the public we append an official description of the disastrous conflagration which had visited our neighboring town down the road the evening previous, and which speedily blotted out of existence one of the most extensive improvements of which Tyrone can boast—Beyer, er, Guyer & Go.'s Planing Mill—the red demon leaving in its train naught but huge and repulsive heaps of ashes, smouldering embers, charred lumber and damaged machinery.

Of the public we append an official description of the public we append an official description, the Congressional Rings, Political Intrigues, Workings of the Lobbies, Etc.; Given the Third Assistant Postmaster General:

Description.—The card adopted is five and one-cighth (5½) inches in length and three (3) inches in length and three (3) inches in length and three (3) inches in width; and is made of good stiff paper, water marked with the initials U.S.

P. O. D. in monogram.

The face of the card is engraved on steel, phia, has just issued one of the most remark. THE TYRONE FIRE-FULL PARTICU-

was raging, a Tribune reporter was dispatched thither to glean full particulars of the disaster for the information of our readers, and has by a lathe work border, with the words "U. ficials—men whose names have hitherto been starting and appalling reports of corruption at Washington—the highest of the first of the information of our readers, and has by a lathe work border, with the words "U. ficials—men whose names have hitherto been starting and appalling reports of corruption at Washington—the highest of the most startling and appalling reports of corruption at Washington—the highest of the most startling and appalling reports tily gathering the following, which may be

ening aspect. The members of the Neptune

Hose Company, with their apparatus, were prompt to the rescue, and bravely battled with the ferry element, but their heroic efforts seemed futile to check the rapidly spreading flazaes. The people of the town and surrounding cannitry flocked to the scene of the semination of the card is light cream; the printing flazaes. The people of the town and surrounding cannitry flocked to the scene of the semination in size, shane, color, or in any content of the semination i ing country flocked to the scene of the conflagration in great numbers, and generally lent a helping hand to stay the onward march of the seething, scorening flames. Large piles of lumber which had been stacked in close proximity to the mill were speedily removed to places of security, though only a tithe of proximity to the min were speedily removed to places of security, though only a tithe of it was saved, the firemen and citizens work-large quantities or in small.

now than there was before the hotels in town ly up through the several stories and towerclosed their bars. Those who wish liquor send abroad and get it by the quantity, call though it is not supposed that the structure day, in full paint and feathers, with a hole in their friends together, and then the whole her stocking!

Huntingdon has been the sport of all the neighboring towns on account of her Common farce." Bah! tell this to the marines. We another that it was the figurdish work of some In regard to the violability of the postal cards, the Postoflice Department has ruled that they are to be regarded by all postoflice avers that he wes in that portion of the mill in which the fire was first discovered only three minutes prior to the alarm was sounded, will be punished the same as the former of- and that he saw no signs of fire whatever, all fense. After these cards are delivered the of which will materially strengthen the in-

rather than toward the most contiguous properties. It was not until near cleven o'clock. and after a most terrible ordeal, that the flames were gotten under control, although the planing mill property was totally destroy-ed, together with a stable and some large sheds thereunte belonging, and used for storing away lumber. Four dwelling-houses were in imminent danger for a long time of being licked up by the angry flames, it being thought impossible at one time to save them-each house getting considerably scorched—yet de-termination to win secured the victory over the red demon. They were owned and occupied by A. W. Green, W. S. Hoar, (who was in this city at the time the fire broke out,) C. Burk and J. Kineh, the property of the latter being the worst damaged by having the roof torn off. All of the parties named sustained some loss in damage to their household effects which had been hastily and unceremoniously removed from the respective houses, whilst almost all of their fences were either burned or torn down. The Pennsylvania Railroad Company's car shops were also in danger at one time when the wind was at its height.

The mill had been fitted up with the mo improved machinery, and the proprietors were doing a very large and apparently prospered business. Until recently there was also a sa mill connected with the planing mill which Will Cunningham introduced the first pos-al cards. Thank'ee.

Graw threatens to thrash us if we say any attemps had been made to drive both mills with the engine in use, consequently it was re-solved to enlarge the saw mill and secure a new engine of sufficient power for the purposes named, the contract for procuring the same having been entered into but a few days

The destruction of the mill has thrown at least forty persons, directly or indirectly, out of employment for the time being, although our reporter was informed that in all probability arrangements would be made looking to the re erection of the structure at an early

day.

As previously stated the loss is very heavy

rorm.

TO FURNITURE BUYERS.

NEW FURNITURE STORE.

Just opened by

BROWN & TYHURST.

At No. 525, HILL Street, HUNTINGDON, P.

They have just returned from a trip among the wholesals manufacturers, of the different kinds of furniture, Mattresees, &c., buying at exceedingly low prices FOR CASH. They are also manufacturing such kinds of furniture as it will pay best to make here; and they wish it understood, that those who may from them, will get bargains, as they intend to sell low for cash, and will not have to charge bad debts of worthless customers, to cash buyers goods. Go and see their PARLOR SUITS and new styles of COTTAGE and PRENCH CHAMBER SUITS, CHAIRS of all kinds, LOUNGES, TABLES, &c.

Fig. Housekeepers will have the convenience of large Furniture Store, Carpet Store and Hard rare Store, all in the same building. The March26,1873-3mos.

A SPLENDID FARM AT NEWTON A SPLENDID FARM AT NEWTON HAMILTON.

We will sell the magnificent farm adjoining the village of Newton Hamilton, in Miffin country, containing one hundred and sixty acres of land, one hundred and fifty of which are cleared and in a fine state of cultivation, forty-five acres consist of an island, that never overflows, and which is in the highest state of cultivation. The buildings are a large double-floor bank barn, two good dwelling houses, blackmith shop, store and spring house. There is an abundance of Limestone on it. There is also great quantities of water, the canal and river passing through it besides a number of excellent springs. Ten acres are covered with good timber. It is the farm adjoining the Camp Ground of the Juniata Valley Camp Meeting Association, and only one-fourth of a mile from the buildings to the railway station. A number of lots would no doubt find ready sale. There's no more desirable property along the

number of lots would no doubt find seady sale. There's no more desirable property along tha line of the railroad. Price, \$12,000, a dower of \$4,000 to remain in: \$2,000 in hand and the balance (6,000) in three sequal annual payments with interest, to be scentred in the sual manner.
