## THE RUSSIAN ADVANCE.

Slewly but surely Russia is progressing in her design to secure a foothold in India, the rich commerce of which has been so long monopolized by Great Britain. The latter will probably not quietly submit to share the spoils, or yield them allogether to her powerful rival; but, as whated specially the long cherished purpose. Her first step the long cherished purpose. Her first step is the conquest of kinv, which by this time she has probebly accomplished. The time she has probably accomplished the she has probably accomplished the she has probably accomplished. The time she has probably accomplished the she has probably accomplished t share the spoils, or yield them altogether to her powerful rival; but, at whatever

and not only stronger but wiser. She was conscious in the beginning that to fail a that our banks, insurance offices and other third time would be to fail altogether, and planned the campaign now in progress with marvelous forethought and skill. The best soldiers of the empire were selected to form the army of invasion, and the most the form the army of invasion, and the most the thereafter no distinction shall exist the theory are to the form the army of invasion, and the most the theory are the form the army of invasion, and the most the form the

tion goes to work with a will, it can complete its task. We would like very much to have the vote upon its labors taken at the October election. A larger vote an equal distribution of the offices of trust and emolument in our State, demanding as task. We would like very will be gotten out, in the rural districts, at that time than on any special occasion. The friends of Reform should insist upon this, and we know there is a large majority of this class in the Convention.

but simply as another earnest proof on our part. The union we desire as an equal union, and not an illusive conjunction, brought about for the sole benefit of one

Why is it that Philadelphia so (Signed) readily concedes the nomination of State Treasurer to Pittsburgh? Would the nomination of Paxson be a fair equivalent

G. C. ANTONIE,
GEO. Y. KELSO, CHAS. H. THOMPSON,

Extract from Telegraph and Messenger, Macon, Ga.—We had tested its virtue personally, and know that for dyspepsia, billiousness and throbbing headache arrising therefrom, it is the best medicine the world ever saw. We had tried forty other remedies before the SIMMON'S LIVER PECUL ATOR but none of them gave us

Mastery of the Iron Trade. The high prices of iron and its mar factures in England we have already luded to. The Sheffield Telegraph,

this connection, announces that a leading steel house, in that city, has received let ters from the United States countermand ring a large number of orders, for the rea-son that the goods can be made at lower prices at home. It seems that Pennsyl-vania is able to underbid England in a branch of manufacture wherein the mother country not long ago was without a rival.
We have already adverted to the fact that
the manufacturers of Wolverhampton,
near Birmingham, have sent orders to this As one swallow does not make a summer, we do not conclude from these incidents that the iren trade of the world is to be at once revolutionized by the United States taking the sceptre from England Russ. Facing imminent death she made a con-

with marvelous forethought and skill. The bets soldiers of the empire were selected to form the army of invasion, and the most hitereof.

Seventh. We shall further recommend that thereafter no distinction shall exist among citizens of Louisiana in any of our tingency, and when at last the three columns began their march, slowly converging toward the grand objective point, the capital of the offending country, no ona who had examined the plan of the earn paign could have any reasonable doubt of its success. In spite of the heroic defenses of her people, Khivais doomed. Yarkand and Samarcand are her prototypes, and as they have bent their necks to the yoke so must she. It is only a question of time it may be a month, it may be a year; but whether a month or a year, the result will be the same. The steps of the Museovite and they when will stay their ownerd march.

\*\*Someth.\*\* The thanks of the press of Penn seylvania, asyste the Philadelphia Press, and the George M. Dallas, Eaq., for hip peristent and the convention that was adopted. The thanks of the press of Penn seylvania, asyste the Philadelphia Press, and the George M. Dallas, Press, and the George George M. Dallas, Press, and the George George M. D

that attested his sincerity. A gentleman in thought and manner, he neither expects nor desires praise, for his course, and the encomiums that will be showered upon him by the press will be as spontaneous and hearty as was his own action. There are no honors in the gift of the people too great for this gentleman.

\*\*The Constitutional Convention, by a mere majority, on Friday last, voted to adjourn from the 27th instant to the third Tuesday in October next. We do hope this vote will be reconsidered. In three or four wesks at farthest, if the Convention goes to work with a will, it can com-

The Leader of the Strong-Minded Fined
One Hundred Dollars and Costs of
Prosecution for Voting Illegally at
Rochester—A Motion for a New Trial

CANANDATGUA, June 19.—At 2 P. M.,
Judge Selden made a motion in the case
of Miss Authony, for a new trial, upon
the ground of wishing the case of the control of the contro Judge Seiden made a motton in the case of Miss Anthony, for a new trial, upon the ground of misdirection of the Judge in ordering a verdict of guilty without submitting the case to the jury. He maintained, in an elaborate argument, the right of every person charged with crime to have the question of guilt or innocence research upon by a constitutional jury and for the content of the discount of the discount of the first of the order of the ord

passed upon by a constitutional jury, and and that there was no power in this court to deprive him of it.

The court denied his motion, and the passed upon by a constitutional jury, and and that there was no power in this court to deprive him of it.

The court denied his motion, and the District Attorney moved that the judgement of the court be pronounced on the defendant. The court, as usual, asked Miss Anthony if she had anything to say why sentence should not be pronounced.

vation. It would be well, we think, for those "setting up" this arrangement, to consider that those between the two extremes have some rights which even rings are bound to respect, and we mean to insist upon them.

A HINT TO HOUSEWIVES—HOW TO KER KITCHEN WARE NICEAND BRIGHT—Every housewife of neat and tidy habits takes especial delight in keeping all the court and jurors were her political superiors and not her peers, and that the court and jurors were her political superiors and not her peers, and announced her determination to continue her labors until the court and jurors were her political superiors and not her peers, and announced her determination to continue her labors until the court and jurors were her political superiors and not her peers, and announced her determination to continue her labors until the court and jurors were her political superiors and not her peers, and announced her determination to continue her labors until the court and jurors were her political superiors and not her peers, and announced her determination to continue her labors until the court and jurors were her political superiors and not her peers, and announced her determination to continue her labors until the court and jurors were her political superiors and not her peers, and announced her determination to continue her labors until the court and jurors were her political superiors and not her peers, and announced her determination to continue her labors until the court and jurors were her political superiors and not her peers, and announced her determination to continue her labors until the court and jurors were her political superiors and not her peers, and announced her determination to continue her labors until the court and jurors were her political superiors and not her peers, and announced her determination to continue her labors until the court and jurors were her political superiors and not her peers, and announced her determination to continue her labors until the court and jurors were her political superiors and n sired and demanded the full rigor of the law. The judge then sentenced her to pay a fine of \$190 and costs of prosecution, and immediately added: "There is na order that you stand committed until the fine is paid." And so the trial erded. A motion for a new trial is to be made in the case of the inspectors, to morrow, on the ground that Hall, one of the defendants, was absent during the trial.

An Illinois Borgia.

Poisons Her Husband-Her Uwn Daugh ter—Two Children of her Daughter— Her Daughter's Husband—Attempts to Poison Her Son but Takes the Medicine Herself-On Her Death Bed She Con fesses All.

CHICAGO, June 16, 1873.—The Decatur, Illinois, Dispatch, tells the following remarkable story of wholesale murder by a female poisoner last September: A. W. Drake, a farmer, living near Moamega, Illinois, died under suspicious circumstan-ces, and Mrs. York, his mother-in-law and near Birmingham, have sent orders to this country for pig iron, because of the high prices of the home product. They can land American pig at their doors a trifle less than they can buy the English article.

As one swallow does not make a suppose.

Sold by Druggists and dealers everywhere. E. F KUN KLE, Proprietor, No. 259 North Ninth St., Philadelphia
