J. R. DURBORROW, - -EDIT

HUNTINGDON, PENN'A.

Wednesday Morning, July 2, 1873. Circulation LARGER than any other

Paper in the Juniata Valley.

No PAPER .- There will be no paper issued from this office next week, but our Job Rooms will be open daily, and our friends can be accommodated promptly.

Hon. Horace F. Clark, President of the Union Pacific Railroad, is dead.

The Constitutional Convention has resolved to remain in session until the Philadelphia. conclusion of its labors.

The Democratic party is used up It appears to be without head, arms, body or legs-nothing left but one big tail.

The Democratic press every month or two pays its respects to Gen. Grant by denouncing him as a "drunken loafer," &c. It is their sole stock in trade. As it appears to please them, and does not hurt Grant, let them crack away.

The Republicans of Bedford county have nominated the following excellent ticket, viz: Associate Judge, Edmund F. Garlinger; District Attorney, William C. Smith; Treasurer, Wm. Masters; County Commissioner, John Eichelberger; Jury Commissioner, David R. Smith; Poor Director, Joseph Snowden; Auditor, John

by here nonlined the following excellential pointing in the new concr. But is a substantial of a state of the source of the sourc

THE CONSTITUTION. The Work of the Convention.

Now that the convention is approaching the close of its labors for the summer, the close of its labors for the

ado than to take up the appendix contain- system left untouched. ing the printed articles lying on his desk, Mr. Sharpe gave the following informa-

tion : tion: A good deal of the work of the conven-tion is yet in a crude condition, but enough of it has been done to form an idea of the general course of the revision and amendreneral course of the revision and amend-nents made by the body now sitting in Philadelphia. GUARDS AROUND THE BALLOT. The article on election, suffrage, and their tenture of office. This latter will cause to be made an inelegibility to hold an office a second term, especially as to the Supreme Court. After they have arrived

The article on election, suffrage, and representation has passed second reading, and is now in the hands of the Committee on Revision and Adjustment. The prin-cipal modifications in the present law made by this article are: Every voter is required to have been a citizen of the United States for at least thirty days before the election. Under the old constitution they (foreign, seesed valuation of the defension of the second states). tor at least thirty days before the election. It a debt of more than 24 per cent of the as-under the old constitution they (foreign-born denizens) can be naturalized up to the law was a fruitful source of frandulent naturalization papers. The advantage of having the thirty days is apparent. It enables these of the opposite parties a full opportunity to ferret out and circumvent frand of this character. So too the resi, thou for a full of the days of the law was a fruitful source of the days of the law was a fruitful source of frandulent naturalization papers. The advantage of the law the days is apparent. It enables these of the opposite parties a full opportunity to ferret out and circumvent the days of the source of the resi. The article on railroads and canals is a very elaborate one, covering fourteen see

When the whites massacred a large number of blacks at Colfax, La., many of our Democratic contemporaries were as si-lent as the grave, but as soon as Governor Kellogg arms the blacks to enable them to prevent such atrocities in the future, they at once declare that "it is difficult to con at once declare that "it is difficult to con-ceive of a greater outrage." It makes a difference whose ox is gored. The Republicans of Bedford coun y have nominated the following excellent

guishing mark of his career. There is nothing succeeds like success. The Lewis Tappan of 1873 was the Lewis Tappan of 1832, unchanged in all except age. But he had not succeeded then, and he hos, now. Besides, the world does move, and the progress made in those 40 years has aided greatly in dispelling the harsh judg-ment which greeted this good man when he helped to begin the greatest of all the good works of the ninetcenth century. THE EXECUTIVE.

The Republican County Convention of Bedford county, which assembled on last Wednesday, passed the following among other resolutions, viz:

Resolved. That we most earnestly de preciate the course of many of our public officials and Representatives in their vaious capacities, in voting for and receiv-ing increased salaries during the term for which they were elected, such a policy be-ing in direct opposition to the fundamenal principles of the Republican party and seriously detrimental to its best interests, as well as those of the country.

Resolved, That we heartily endorse the administration of John F. Hartranft, his wisdom, prudence and fearless course on all matter of achieve wisdom, prudence and fearless course on all matters of public interest, having already fully demonstrated the fact he is worthy of the most implicit confidence of the men

this Judicial District, for Supreme Judge, and that the representative delegates be instructed to present his name to the next Republican State Convention, as a suita-ble person for the Republican nomination for said office, and that they use all honorable means to secure his no ination.

Resolved, That the course of Hon. John Scott in voting against and of not using any portion of the extra pay voted to Connen meets our entire approval.

he has dropped into the grave at the ripe old age of eighty-five, with all the work grandly done, the beginning of which made hims oo dious in 1832 and for years after, all the papers in the Union speak well of him, praise him for his nobleness of heart and grandness of purpese, and speak of his philantbropy as the distin-guishing mark of his career. There is nothing succeeds like success. The Lewis

The EXECUTIVE. Two new officers have been constituted by this article—the Lieutenant Governor, who shall preside over the Senate, and in cases of a tie shall cast a vote, and the Secretary of Internal Affairs, who shall have the duties of the Surveyor General, superadded to which shall be the duty of attending to the industrial, maartleaturing, charitable, and agricultural interests of the State. The term of the Governor is a restraint put upon the pardonize is a restraint put upon the pardonize the State. The term of the Governor is extended from three to four years. There is a restraint put upon the pardoning power, as follows: "He shall grant no pardons or reprives, except with the con-sent of the Secretary of the Commowealth, the Attorney General, the Superintem." The above are the only articles which have been disposed of on second reading

of the most implicit confidence of the men of all parties in the State and entitled to preeminent praise for his valuable service to the Commonwealth both as her defender on the field of battle and her protector in the executive chair. Resolved, That this convention instruct able and accomplished President Judge of
