For fifth of ten inst For fifth of ten instalments, o or raw material in lieu thereof, Indians, not exceeding five a eighth article treaty of June fi-sixty-eight, forty thousand dolla We have the the largest, cheapest and best as wise policy), It is charged move hurdle fences, unless the stock kept is large. The same principle applies in the cul-ture of garden crops. One sees little beds made here and there about the spot set apart for a kitchen garden. It is now the practice among the best farmers to plant row of beets (if so many are wanted) the whole or half the length 'of the garden, then of carrots, parsnips, lettuce, beans etc., and each row such distance apart that a horse or land cultivator can bused between the rows. Thus the back, and each row such distance apart that a horse or is an a great extent, and all this petty fassing which is involved is avoided. Nor is it a bad practice to grow the garden vegetables in some portion of the cultiva-ted fields, if near or convenient to the house. The main point aimed, at is to suggest to those who have small fields, or onliving the fields, of mean and there, a small patches of ground here and there, a mall patches of ground here and there, a ixty-eight, fort For fourth Jan. 4, '71.
