Sant. 24.1873.

A NARROW ESCAPE FROM DROWNING. A small son of Mr. John Free, of West Huntingdon, and another lad were playing about a neighbor's well, on last Wednesday. They pretended to be fishing, and while leaning over the brink, in an unguarded moment, little Free lost his balance and fell into the well. Fortunately he fell upon some timber that had been placed in it when the pump stock was let down and lodged. His companion scampered away for help but a gentleman overheard the racket and when he found the object of the noise he found he clambered up the masonry and with a little assistance he was relieved from his unpleasant precicament. The well was quite deep.

Sierra Nevada mountains of California, the medical properties of which are extracted therefrom without the use of Alcohol. The question is alrost daily asked, "What is the cause of the unparalleled success of Vinegar Bitters?" Our answer is, that they remove the cause of the disease, and the patient recovers his health. They are the great blood purifier and a life-giving principle, a perfect Renovator and Invigorator of the system. Never before in the history of the world has a medicine been comprounded possessing the remarkable qualities of Vinegar Bitters in healing the sick of every disease man is heir to. They are a gentle Purgative as well as Tonic, relieving Congestion or Inflamation of the Liver and Visceral Organs, in Billous Diseases.

Dr. Watker's California Vinegar Bitters act on all these cases in a similar manner. By purifying the Blood they remove the cause, and by resolving away the effects of the inflammation (the tubercular deposits) the affected parts receive health, and a permanent cure is effected.
