Assembling of Congress-Improvements in the Capitol-Work of the Session-The Cuban Question-Peaceable Annexation-The State of the Union-Returning Prosperity.

WASHINGTON, Dec. 1, 1873. FORTY-THIRD CONGRESS.

The first Session of the Forty-third Congress will commence at 12 o'clock to-day. Members have been arriving and looking up winter quarters for a week past. Both halls of Congress have been ble barbarities call for interforence in the name of humanity, and international law does not deny the right even of forcible intervention in behalf of human rights. After Turkish ferosity had reduced the 150,000 inhabitants of the beautiful island The Chem genetion compands yer screen chamber. 150,000 inhabitants of the beautiful island of Scio to a meagre remnant of 40,000 women and children, and reduced these to slavery, the wrath and strength of Europe compelled the Turk to recognize the in-dependence of Greece. Are the long con-tinued barbarities practiced upon the hap-less Cubane less deserving of interference? Kennedy, the British officer representing England in Cuba in 1844, reports that not less than 3,000 white and colored inhabit

hag and papers. Increase sensible relief in all quarters that the negotiation has thus speedily ended. Both Secretary Fish and Admiral Polo have for two weeks past been engaged in producing this result, on which they section the concretingtions of WASHINGTON, Nov. 28-On Wedness which they receive the congratulations of their respective friends. day there was a positive conviction in ad-ministration circles, based upon private and unofficial information from Madrid, that our troubles with Spain had been sat-

NEW YORK, November 28 — A letter from Havana says the people there would refuse to allow any order from Madrid to against future outrages in Cuba.

In addition to this action, it can also be positively stated that within the next two days Secretary Fish and the Spanish min-ister will determine the port at which the Virginius and the surviving passengers and crew shall be delivered to the United States. The words "immediate release" The Governor of Texas has issued a proclamation authorizing the organization of volunteer companies for protection against the Indians in the northwestern counties.

nearly five millions in legal tenders last week, and money promises to be steadily more plenty than is seen in the last week's increase.

During the season of Congress, Wash-ington uses about one million feet of gas daily. During the summer about four hundred thousand feet. No sarcasm is intended The fixing of December 25 as the time for soluting our flag is to allow the necessary opportunity to Spain to show that the Vir-ginius improperly carried the American flag and papers. There is a sensible relief intended.

While it is, to say the least, uncertain what the next Congress may do, it is rea-sonably certain that it will not undertake any scheme for enriching itself at the pub-licerrome lic expense. Mexico is now moving forward with precision in the paths of peace, having adopted progressive amendments to her Constitution and retired from revolution-ary business. FOR RENT.
