By the act of Assembly of 1869, known as the Registry Law, it is provided as follows:

1. "Election Officers are to open the polls between the hours of six and seven, A. M., on the day of election.—Before six o'clock in the morning of second Tuesday of October they are to receive from the County Commissioners the Registered List of Voters and all necessary election blanks, and they are to permit no man to vote whose name is not on said list, unless he shall make proof of his right to vote as follows:

2. The person whose name is not on the list, claiming the right to vote must produce a qualified voter of the district to swear in a written or printed affidavit to the residence of the claimant in the district for at least ten days next preceding said election, defining clearly where the residence of the person was.

3. The party claiming the right to vote shall also make an affidavit, stating to the best of his knowledge and belief where and when he was born, that he is a citizen of Pennsylvania and of the United States, that he has resided in the State one year, or, if formerly a citizen therein and removed therefrom, that he has resided therein six months next preceding said election, that he has not moved into the district for the purpose of voting therein, that he has paid a State or county tax within two years, which was assessed at least ten days before the election, and the affidavit shall state when and where the tax was assessed and paid, and the tax receipt must be produced unless the affiant shall state that it has been lost or destroyed, or that he received none.

4. If the applicant be a naturalized citizen he must, in addition to the foregoing proofs, state in his affidavit when, where, and by what court he was naturalized and produce his certificate of naturalization.

5. Every person claiming to be a naturalized citizen, whether on the registry list, or producing affidavits as aforesaid, shall be required to produce his naturalization certificate at the election before voting, except where he has been for ten years consecutively a voter in the district where he offers to vote; and on the vote of such a person being received, the Election Officers are to write or stamp the word "voted" on his certificate with the month and year, and no other vote can be cast that day in virtue of said certificate except where sons are entitled to vote upon the naturalization of their father.

6. If the person claiming to vote who is not registered shall make an affidavit that he is a native born citizen of the United States, or, if born elsewhere, shall produce evidence of his naturalization, or that he is entitled to citizenship by reason of his father's naturalization, and further, that he is between 21 and 22 years of age, and has resided in the State one year, and in the election district ten days next preceding the election, he shall be entitled to vote though he shall not have paid taxes."

7. If any election officer shall refuse or neglect to require such proof of the right of suffrage, as is described by this law or the laws to which this is a supplement, from any person offering to vote whose name is not on the list of assessed voters, or whose right to vote is challenged by any qualified voter present, and shall admit such persons to vote without requiring such proof, every person so offending shall, upon conviction, be guilty of a high misdemeanor, and shall be sentenced, for every such offence, to pay a fine not exceeding one hundred dollars, or to undergo an imprisonment not more than one year, or either or both, at the discretion of the court.

8. Ten days preceding every election for electors of President and Vice President of the United States, it shall be the duty of the Assessor to attend at the place fixed by law for holding the election in each election district, and then and there hear all applications of persons whose names have been omitted from the list of assessed voters, and who claim the right to vote, or whose rights have originated since the same was made out, and shall add the names of such persons thereto as shall show that they are entitled to the right of suffrage in such district, on the personal application of the claimant only, and forthwith assess them with a proper tax. After completing the list, a copy thereof shall be placed on the door of the house where the election is to be held, at least eight days before the election; and at the election the same course shall be pursued, in all respects, as is required by this act and the acts to which it is a supplement, at the general elections in October. The Assessor shall also make the same returns to the County Commissioners of all assessments made by virtue of this section; and the County Commissioners shall furnish copies thereof to the election officers in each district, in like manner as is required at the general elections in October.

9. The same rules and regulations shall apply at every special election, and at every separate city, borough or ward election, in October.

10. The respective Assessors, Inspectors and Judges of the elections shall each have the power to administer oaths to any person claiming the right to be assessed or the right of suffrage, or in regard to any of said officers under this act; any wilful false swearing by any person in relation to any matter or thing concerning which they shall be lawfully interrogated by any of said officers, shall be punished as perjury.

11. The Assessors shall receive the same compensation for the time necessarily spent in performing the duties hereby enjoined as is provided by law for the performance of their other duties, to be paid by the County Commissioners, as in other cases, and it shall not be lawful for any Assessor to assess a tax against any person whatever within ten days next preceding the election to be held on the 2d Tuesday of October, in any year, or within ten days next before any election for electors of President or Vice President of the United States; any violation of this provision shall be a misdemeanor, and subject the officers so offending to a fine, on conviction, not exceeding one hundred dollars, or to imprisonment not exceeding three months, or both, at the discretion of the court.

On the petition of five or more citizens of the county, stating under oath that they verily believe that frauds will be practiced at the election about to be held in any district, it shall be the duty of the court of common pleas of said county, if in session, or if not, a judge thereof, on occasion, to appoint two judicious, sober and intelligent citizens of the county to act as overseers, who shall be selected from different political parties, where the inspectors belong to different parties, and where both inspectors belong to the same political party both of the overseers shall be taken from the opposite political party; said overseers shall have the right to be present with the officers of the election during the whole time the same is held, the votes counted and the returns made out and signed by the election officers; to keep a list of voters, if they see proper; to challenge any person offering to vote, and interrogate him and his witness under oath, in regard to his right of suffrage at said elections, and to examine his papers produced, and the officers of said election are required to afford to said overseers so selected and appointed every convenience and facility for the discharge of their duties; and if said election officers shall refuse to permit said overseers to be present, and perform their duties as aforesaid, or if they shall be driven away from the polls by violence and intimidation, all the votes polled at such election district may be rejected by any tribunal trying a contest under said election; *Provided*, That no person signing the petition shall be appointed an overseer.

That the citizens of this state temporarily in the service of the state or of the United States government, on clerical or other duty, and who do not vote where thus employed, shall not be thereby deprived of the right to vote in their several election districts if otherwise duly qualified.

SEC. 3. That if any person deprived of citizenship, and disqualified as aforesaid, shall, at any election hereafter to be held in this commonwealth, vote, or tender to the officers thereof, and offer to vote, a ballot or ballots, any person so offending shall be deemed guilty of a misdemeanor, and on conviction thereof in any court of quarter sessions of this commonwealth, shall for each offence be punished in like manner as is provided in the preceding section of this act in case of officers of election receiving any such unlawful ballot or ballots.

EXECUTIVE CHAMBER.
HARRISBURG, Pa., August 27, 1870.

To the County Commissioners and Sheriff of the County of Huntingdon.

WHEREAS, the Fifteenth Amendment of the Constitution of the United States is as follows:

"SECTION 1. The right of citizens of the United States to vote shall not be denied or abridged by the United States, or by any State, on account of race, color, or previous condition of servitude."

"SECTION 2. The Congress shall have power to enforce this article by appropriate legislation."

And whereas, The Congress of the United States, on the 31st day of March, 1870, passed an act, entitled "*An Act to enforce the right of citizens of the United States to vote in the several States of this Union, and for other purposes,*" the first and second sections of which are as follows:

"SECTION 1. *Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled*, That all citizens of the United States, who are, or shall be otherwise qualified by law to vote at any election by the people, in any State, Territory, district, county, city, parish, township, school district, municipality or other territorial sub-division, shall be entitled and allowed to vote at all such elections, without distinction of race, color, or previous condition of servitude; any Constitution, law, custom, usage, or regulation of any Territory, or by, or under its authority, to the contrary notwithstanding."

"SECTION 2. *And be it further enacted*, That if by or under the authority of the Constitution or laws of any State or the laws of any Territory, any act is or shall be required to be done as a prerequisite or qualification for voting, and by such Constitution or law, persons or officers are or shall be charged with the performance of duties in furnishing to citizens an opportunity to perform such prerequisite, or to become qualified to vote, it shall be the duty of such person and officer to give to all citizens of the United States the same and equal opportunity to perform such prerequisite, and to become qualified to vote without distinction of race, color, or previous condition of servitude; and if any such person or officer shall refuse or knowingly omit to give full effect to this section, he shall, for every such offence, forfeit and pay the sum of five hundred dollars to the person aggrieved thereby, to be recovered by an action on the case, with full costs and such allowance for counsel fees as the court shall deem just, and shall also, for every such offence, be deemed guilty of a misdemeanor, and shall on conviction thereof, be fined not less than five hundred dollars, or be imprisoned not less than one month and not more than one year, or both, in the discretion of the court.

And whereas, It is declared by the second section of the VIth article of the Constitution of the United States, that "this Constitution, and the laws of the United States, which shall be made in pursuance thereof, shall be the supreme law of the land. * * * * anything *in the Constitution or laws of any State to the contrary, notwithstanding.*"

And whereas, The Legislature of this Commonwealth, on the 6th day of April, A. D., 1870, passed an act, entitled, "A further supplement to the act relating to the elections in this Commonwealth," the tenth section of which provides as follows:

"SECTION 10. That so much of every act of Assembly as provides that only white freemen shall be entitled to vote or be registered as voters, or as claiming to vote at any general or special election of this Commonwealth, be and the same is hereby repealed: and that hereafter all freemen, without distinction of color, shall be entitled to and registered according to the provisions of the first section of the act approved seventeenth April, 1869, entitled, "An Act further supplemental to the act relating to the elections in this Commonwealth," and when otherwise qualified under existing laws, be entitled to vote at all general and special elections in this Commonwealth."

And whereas, It is my constitutional and official duty to "take care that the laws be faithfully executed;" and it has come to my knowledge that sundry assessors and registers of voters have refused, and are refusing to assess and register the names of duly qualified citizens of lawful age, and otherwise qualified as electors:

NOW, THEREFORE, In consideration of the premises the county Commissioners of each county are hereby notified and directed to instruct the several assessors and registers of voters therein, to obey and conform to the requirements of said constitutional amendment and laws; and the Sheriff of said county is hereby authorized and required to publish in his election proclamation for the next ensuing elections, the herein recited constitutional amendment, act of Congress, and act of the Legislature, to the end that the same may be known, executed and obeyed by all assessors, registers of voters, election officers and others, and that the rights and privileges guaranteed thereby may be secured to all the citizens of this Commonwealth entitled to the same.

Given under my hand and the great seal of the State, at Harrisburg, the day and year first above written.

VINEGAR BITTERS

PURELY VEGETABLE.

FREE FROM ALCOHOL.

Dr. Walker's California Vinegar Bitters are a purely Vegetable preparation, made chiefly from the native herbs found on the lower ranges of the Sierra Nevada mountains of California, the medical properties of which are extracted therefrom without the use of Alcohol. The question is almost daily asked, "What is the cause of the unparalleled success of Vinegar Bitters?" Our answer is, that they remove the cause of the disease, and the patient recovers his health. They are the great blood purifier and a life-giving principle, a perfect Renovator and Invigorator of the system. Never before in the history of the world has a medicine been compounded possessing the remarkable qualities of Vinegar Bitters in healing the sick of every disease man is heir to. They are a gentle Purgative as well as Tonic, relieving Congestion or Inflamation of the Liver and Visceral Organs, in Bilious Diseases.

Dr. Walker's California Vinegar Bitters act on all these cases in a similar manner. By purifying the Blood they remove the cause, and by resolving away the effects of the inflammation (the tubercular deposits) the affected parts receive health, and a permanent cure is effected.

If men will enjoy good health, let them use Vinegar Bitters as a medicine, and avoid the use of alchoholic stimulants in every form.

Grateful Thousands proclaim Vinegar Bitters the most wonderful Invigorant that ever sustained the sinking system.

No person can take these Bitters according to directions, and remain long unwell, provided their bones are not destroyed by mineral poison or other means, and vital organs wasted beyond repair.

Billious, Remittent and Intermittent Fevers, which are so prevalent in the valleys of our great rivers throughout the United States, especially those of the Mississippi, Ohio, Missouri, Illinois, Tennessee, Cumberland, Arkansas, Red, Colorado, Brazos, Rio Grande, Pearl, Alabama, Mobile, Savannah, Roanoke, James, and many others, with their vast tributaries, throughout our entire country during the Summer and Autumn, and remarkably so during seasons of unusual heat and dryness, are invariably accompanied by extensive derangements of the stomach and liver, and other abdominal viscera. In their treatment, a purgative, exerting a powerful influence upon these various organs, is essentially necessary. There is no cathartic for the purpose equal to Dr. J. Walker's Vinegar Bitters, as they will speedily remove the dark-colored viscid matter with which the bowels are loaded, at the same time stimulating the secretions of the liver, and generally restoring the healthy functions of the digestive organs.

Fortify the body against disease by purifying all its fluids with Vinegar Bitters. No epidemic can take hold of a system thus fore-armed.

Dyspepsia or Indigestion, Head-ache, Pain in the Shoulders, Coughs, Tightness of the Chest, Dizziness, Sour Eructations of the Stomach, Bad Taste in the Mouth, Billious Attacks, Palpitation of the Heart, Inflammation of the Lungs, pain in the region of the Kidneys, and a hundred other painful symptoms, are the offsprings of the Dyspepsia. One bottle will prove a better guarantee of its merits than a lengthy advertisement.

Scrofula, or King's Evil, White Swellings, Ulcers, Erysipelas, Swelled Neck, Goitre, Scrofulous Inflammations, Indolent Inflammations, Mercurial affections, Old Sores, Eruptions of the Skin, Sore Eyes, etc. In these, as in all other constitutional diseases, Walker's Vinegar Bitters have shown heir great curative powers in the most obstinate and intractable cases.

For inflamatory and Chronic Rheumatism, Gout, Billious, Remittant and Intermittant Fevers, Diseases of the Blood, Liver, Kidneys and Bladder, these Bitters have no equal. Such diseases are caused by Vitiated Blood.

Mechanical Diseases.—Persons engaged in Paints and Minerals, such as Plumbers, Type-setters, Gold-beaters and Miners, as they advance in life, are subject to paralysis of the bowels. To guard against this, take a dose of Walker's Vinegar Bitters occasionally.

For Skin Diseases, Eruptions, Tetter, Salt-Rheum Blotches, Spots, Pimples, Pustules, Boils, Carbuncles, Ring-worms, Scald-head, sore Eyes, Erysipelas Itch, Scrufs, Discolorations of the skin, Humors and Diseases of the Skin of whatever name or nature, are literally dug up and carried out of the system in a short time by the use of these Bitters.

Pin, Tape, and other Worms, lurking in the system of so many thousands, are effectually destroyed and removed. No system of medicine, no vermifuges, no anthelminities will free the system from worms like these Bitters.

For Female Complaints, in young or old, married or single, at the dawn of womanhood, or the turn of life, these Tonic Bitters display so decided an influence that improvement is soon perceptible.

Cleanse the Vitiated Blood whenever you find its impurities bursting through the skin in Pimples, Eruptions, or Sores; cleanse it when you find it obstructed and sluggish in the veins; cleanse it when it is foul; your feelings will tell you when. Keep the blood pure, and the health of the system will follow.
