# THE OWLY ILLUSTRATED BAILY STEWSPAPER IN THE WOILD. With its issue for March 4, 1574, THE DAILY GRAPHIC enters upsu the second year of a career pieucomenain in the history of journalism. Its story of a twivemonth has coptance as the most oblignal, artistically in propus, acti-wonderfully comprehensive metropolitan journal ever published in the United States. As a builtant novelut, the whole country has confessed worderfully comprehensive metropolitan journal ever published in the United States. As a builtant novelut, the whole country has confessed piece NEWSPAPER, it has become a daily necessity to the social and mercastile interests of one of the largest permanent constituencies ever attained by ajournalistic enterprise in the same period, while its great specialty, enterprise in the same period, while its great specialty of such utilization of the fines, practical and ever-raying assimilation of the ment patiential art, for every day's mance; and the realization of that lides, ment with the campered use. Then hence palies upon even the moder, and journalistic development; the inevitable entry imperfections of artists and others, not yet theoroughly of the palies of a strist and others, not yet theoroughly intered of a strist and others, not yet theoroughly appendent and parameters of a strist and others, not yet theoroughly intered to a strist and others, not yet theoroughly intered to a strist and others, not yet theoroughly intered to a strist and others, not yet theoroughly intered to a strist and others, not yet theoroughly intered to a strist and others, not yet theoroughly intered to a strist and others, not yet theoroughly intered to a strist and others, not yet theoroughly intered to a strist and others, not yet theoroughly intered to a strist and others, not yet theoroughly of mechan-tical and journalistic development; the inevitable entry imperfections of a strist and others, not yet theoroughly intered to a strist and others, not yet theoroughly of mechan-tical and parameters and theorough of t commonest use which never palls upon even the most putties of its pictures in the first issue the successive mul-ical and journalistic development; the inevitable sarry imperfections of artists and others, not yet thoroughly trained in the new process, disappearing steadily increasing accuracy and beauty of artistic affects. In the subscription of the state of the state of the steadily increasing accuracy and beauty of artistic effects. In the subscription of the state of the state of the state beam an added and piquant interest, which is yet to be maintained for the public by unending tatuse "Graphic" improvements. Scarcely movels, however, for its beautiful portraits, trenchant cattoons, vivid news-etchings, and un-equallel productions of the world's chickers works of art. OF NEWS, SOCHETY, AND LITERATURE The STIE DAILY GRAPHIC has been mationally recognized and popularly velocemed. Its genuine editorial independence, wide sweep of intelligence, were varying departments of literary and personal interest, sparkling correspondence, sometime the great Western or South on article of the family circle. THE DAILY GRAPHIC is as Eight-page Paper, public

Dussetorr. Will be sent free, post paid to every yearly subscriber ending us \$2.00 These pictures, 12x14 inches in size, are roduced in the highest style of Art, by Dural & Hunter, he oldert Chromo publishers in the United States, ex-ressly for FORNEY'S WEEKLY PRESS.

in distress through floods in the Father of Waters, and the latest news from Alabama tells of excessive rain, causing disastrous consequences to the low country in some parts of the State. It looks as though the elements had combined against the coun- try. The Lovers of the luscious peach will rejoice to learn that there is every prospect of an average erop. Those whose lips are already puckering in anticipation of that none less delightful fruit, the sweet and consting etrawherry can roll the same	Now if the person receiving this letter is dishonest enough to want to gobble a trunk with valuables which he knows does not belong to him, and is verdant enough to fall into the trap, he sends \$17.25, which he never hears iron. The Post-Office is now closed against these swindlers, so they use the Express Company. It is needless to say there is no Arcade Hotel at 737 Broadway. The Express Companies have been notified, and they have agreed not to deliver money packages to Collinwater	tion of the United States notes in coin. This act still remains as a continuing pledge of the faith of the United States to make provision at the erliest practicable moment for the redemption of the United States notes in coin. A declaration con- tained in the act of June 20, 1864, creat- ed an obligation that the total amount of United States notes issued, or to be issued, should never exceed \$400,000,000. The amount in actual circulation was actually reduced to \$356,000,000, at which point Congress passed the act of February 4,	About one year ago I caught a serve cold in the head, which terminated in a serve form of Clatrach. During the time ulcerations occurred in the meal pawages, and I became wholly deaf in one ear, with partial deafness in the other. The inflamation had involved all the delicate tirratures of the cars, and I was in immediate Canger of permanent deafness. The discingre became profase and feld, both into my threat and from my ears. In this con- dition I called on Pr. Fierce for ald, who prescribed his Callen Medical Discovery and Catarri. Remedy, and un- der their use have tangity recovered. My hearing is re- tored, and my Catarrb is entirely well. JOHN SMITH.	that gives me oction statistication, the case looks spletion.
