Circulation LARGER than any other Paper in the Juniata Valley.

Laws Relating to Newspaper Subscriptions and Arrearages.

The following is the law relating to newspapers and subscribers.

1. Subscribers who do not give express notice to the contrary, are considered wishing to continue their subscription.
2. If subscribers order the discontinuance of their periodicals, the publishers may continue to send them until all arrearages are paid.
3. If subscribers neglect or refuse to take their periodicals from the office to which they are directed, they are held responsible until they have settled their bills, and ordered them discontinued.
4. If subscribers move to other places without informing the publishers, and the papers are sent to the former direction, they are held responsible.
5. The Courts have decided that "refusing to take periodicals from the office, or removing and leaving them uncalled for, is *prima facie* evidence of intentional fraud.
6. Any person who receives a newspaper and makes use of it, whether he has ordered it or not, is held in law to be a subscriber.
7. If subscribers pay in advance, they are bound to give notice to the publisher, at the end of their time, if they do not wish to continue taking it; otherwise the publisher is authorized to send it on, and the subscriber will be responsible until an express notice, with payment of all arrears, is sent to the publisher.

J. HALL MUSSER,
Chairman Republican County Committee.

Huntingdon, June 22, 1874.

Politicians and Candidates, Beware!

Read the Provisions of the New Constitution on Corruption!

Officers Must Swear that they Have Not Used Corrupt Means to Secure a Nomination or an Election!

If they Have, to be Forever Disqualified for Holding Office in this State!

Any Person Convicted of Violating the Election Laws Shall be Deprived of the Right of Suffrage for Four Years!

We copy the provisions of the New Constitution upon corruption so that no one will be able to say that he had not timely notice:

ARTICLE VII, SECTION 1. NEW CONSTITUTION.

SECTION 1. Senators and Representatives and all Judicial, State and County officers, shall before entering on the duties of their respective offices, take and subscribe the following oath or affirmation:

"I do solemnly swear (or affirm) that I will support, obey and defend the Constitution of the United States and the Constitution of this Commonwealth, and that I will discharge the duties of my office with fidelity; THAT I HAVE NOT PAID OR CONTRIBUTED, OR PROMISED TO PAY OR CONTRIBUTE, EITHER DIRECTLY OR INDIRECTLY, ANY MONEY OR OTHER VALUABLE THING, TO PROCURE MY NOMINATION OR ELECTION (or appointment), except for necessary and proper expenses expressly authorized by law; THAT I HAVE NOT KNOWINGLY VIOLATED ANY ELECTION LAW OF THIS COMMONWEALTH, OR PROCURED IT TO BE DONE BY OTHERS IN MY BEHALF; that I will not knowingly receive, directly or indirectly, any money or valuable thing for the performance or non-performance of any act of duty pertaining to my office, other than the compensation allowed by law."

And also:

SECTION 9. *Any person who shall, while a candidate for office,* BE GUILTY OF BRIBERY, FRAUD, OR VIOLATION OF ANY ELECTION LAW, SHALL BE FOREVER DISQUALIFIED FROM HOLDING AN OFFICE OF TRUST OR PROFIT IN THIS COMMONWEALTH; AND ANY PERSON CONVICTED OF WILLFUL VIOLATION OF THE ELECTION LAWS, SHALL, IN ADDITION TO ANY PENALTIES PROVIDED BY LAW BE DEPRIVED, OF THE RIGHT OF SUFFRAGE ABSOLUTELY FOR A TERM OF FOUR YEARS.

SECTION 8. *Any person who shall give, or promise, or offer to give to an elector, any money, reward or other valuable consideration, for his vote at an election or for withholding the same, or who shall give or promise to give such consideration to any person or party for such elector's vote, or for the withholding thereof,* AND ANY ELECTOR WHO SHALL RECEIVE OR AGREE TO RECEIVE, FOR HIMSELF OR FOR ANOTHER, ANY MONEY, REWARD, OR OTHER VALUABLE CONSIDERATION FOR HIS VOTE AT AN ELECTION, *or for withdrawing the same, shall thereby forfeit the right to vote at such election, and any elector whose right to vote shall be challenged for such causes before the election officers shall be required to swear or affirm that the challenge is untrue before his vote shall be recorded.*

MONEY WANTED!

Those of our patrons who are in arrears to us for subscription, advertising or job work, or all of them, will, we hope, make it convenient to call, during the approaching Court, and settle their accounts. We need money to meet the demands upon us for late additions made to our business.—We hope this appeal will not be in vain. We need the money badly or we would not ask for it. Please help us out. We have been very lenient with many of you. To those who have always come to time we return our warmest thanks. tf

☞ Ex-Governor Marshall Jewell, of Connecticut, at present Minister Plenipotentiary to Russia, has been appointed Postmaster-General, in place of Representative Hale, of Maine, who refused to serve.

☞ The Gussite Committee, to the number of a dozen, perhaps, skulked about town, on the 3d inst., but things were not all lovely, and they went home with a big flea in each ear. They don't see as much money in it in the future as in the past.

☞ The Government, through Minister Cushing, has made a formal and peremptory demand upon the Government of Spain for indemnity for the lives of the Virginius captives and the losses sustained by the families of the Burriel victims. This demand is in accordance with the procotol signed at the time by the Spanish Minister at Washington, and the delay in making the demand originated in a spurt of leniency owing to the distracted state of affairs in Spain. The amount of the indemnity will be fixed probably by arbitration as provided in the procotol. The Spanish Minister has left Washington and sailed on his return to Madrid. This, however, has no connection with the indemnity affair, although contrary reports prevail. He is assigned by his Government to duty elsewhere, according to previous arrangement.

☞ The reduction of the national debt in June was over two million dollars. The monthly reduction of the debt will be larger in the fiscal year just commenced than they were in the twelve months just closed. The amount of revenues from the internal taxes and from the tariff will be larger, while the expenditures of the Government will be about thirty millions less than last year.

☞ The Union Republican Congressional Committee was re-organized at the close of the late session of Congress, with a member from each State in the Union, an Executive Committee and a resident Committee in Washington. The Union Committee have prepared an address to the Republican party, which is now nearly ready for general circulation. Hon J. M. Edmunds of Washington, D. C., has been re-elected Secretary of the Executive Committee.

☞ The *Monitor* intimated, a couple of weeks back, that it was opposed to linking teams with Guss, Woods & Co., but in the last issue it takes to the water clearly. However, "Mountain and Mohammed" are bound to come together one way or another. It is very evident that the *Monitor* does not like to take crow straight, but we have no doubt it can be served up in some seductive way that it will not prove so repulsive as it seems at present. A very bitter bill, you know, may be very successfully sugar-coated.

☞ Without dwelling at length on the subject, our readers may rely with confidence upon the announcement that the Independence of Cuba is not far distant in point of time. Recent successes in the Island, by the native patriots, and the thorough prostration of Spanish power there, and inability to afford relief in men or funds from Spain, are among the causes which have led to a train of circumstances which cannot fail to result in an early Declaration of Independence in the Island. In the name of humanity this issue will come none too soon. As a natural result, a few years will elapse when the Island, by general consent of its own people, will become a part of the American Union.

☞ The *Postoffice Gazette* for July summarizes what the new Postoffice bill accomplishes, as follows: 1. Prepayment of newspaper postage after January 1st, 1874. 2. Gives free delivery to all newspapers, to subscribers of daily, semi-weekly, weekly, monthly, or quarterly, within the county in which they are printed and published, from July 1st, 1874. 3. Fixes the salary of all postmasters of the fourth class (all under $1,000,) at a commission, from July 1st, 1874. 4. Fixes the salary of the first, second, and third class offices on a new basis. 5. Makes a uniformity in all matter other than newspapers, as third class, limited to four pounds at one cent for each two ounces.

The Lancaster *Review* says: The meanest trick we can think of is to give a little boy a few pennies on Sunday and induce him to go into a candy shop and buy in violation of the Sunday law, in order to manufacture evidence to sustain a prosecution. Such tricks characterize some of the Harrisburgers. Let the Sunday law be observed in good faith, but in an honorable and manly spirit. Professional informers are mean people.

We have meaner men in Huntingdon county. Here they send people under the pretence of wanting a little whiskey for camphor in an urgent case of sickness, in order to get foundation to prosecute.—Others are sent to coax for suppressed copies of papers "just for their own use," pledging honor that no one else shall see it, and all done to get ground for a prosecution for libel.—*Globe.*

Yes, and we have still meaner men than any of the ones referred to in the above. Men who will circulate papers which they have promised to suppress, alleging that "just one or two in a district will be sufficient," and then they are mean enough to think people ought to swear as they dictate, regardless of truth and consequences.

☞ The *Monitor* occasionally, with all its earnestness and gravity, endeavors to essay the facetious. In the last issue there was an attempt of this kind in a paragraphical reply to a correspondent of the *N. Y. Times*, who is represented as saying that "the Republican party must unload." The *Monitor* thinks it is unloading rapidly, and intimates that the Democrats are taking up what it has thrown overboard. We have no especial objection to this, but it is not barely possable that that poor, old, ring-boned and spavined concern will break down at the first heat? It has not been running for a long time, you know. It has been quietly awaiting the breaking down of the Republicans, and when they have loaded up too much, it has occasionally walked around the track and won a heat, without an effort, but let it trot out on the course fairly with only half a load, and it will be distanced. We expect it to have a grand old time carrying Guss, Woods & Co., through in this county, this Fall. That part of our load it can take, as far as we are concerned, cheerfully. We would like to see the party that could carry that load!

☞ In accordance with the Congressional retrenchment regulations, nearly seven hundred male and female employees, in the Departments at Washington, were discharged on the 1st of July. It was a dark, sad day. Not a few of the female clerks fainted when they received their official notice in a sealed envelope to the effect that their services would be no longer required. At one time four physicians were called in to administer to those who had broke down under the shock. One woman, a widow, died, leaving four helpless children. A male clerk in the Patent Office lost his reason, and slyly fixing a bayonet upon a broom handle, he divested himself of nearly all of his clothes, and weapon in hand commenced cutting and thrusting at the male and female clerks, until the police was called, who conveyed him to the guard house, where he was held till his friends were notified and took him in charge. It is believed that on becoming calm, and with proper attention, he will be restored to his reason. But these are exceptional cases. Many received their dismissal without any regrets, and said that they would soon make their condition better than it had ever been in the Government service. Each was paid two months' s salary.

☞ Underzook's fate is decided. He will be hanged unless saved by Executive clemency. The Supreme Court, sitting in Philadelphia, delivered their opinion in the case on July 2d, concluding as follows: "We discern no error in this record, and therefore affirm the sentence and judgment of the court below, and order this record to be remitted for execution."

☞ We are confident that no case of cough, cold, hoarseness or influenza, can withstand the counter-irritant and tonic properties of Dr. Wishart's Pine Tree Tar Cordial. It can be had of all druggists and storekeepers.

☞ Chronic Rheumatism relieved at once by Johnson's Anodyne Liniment, internally and externally.

Special Notices.

CENTAUR LINIMENT.

There is no pain, which the Centaur Liniments will not relieve, no swelling they will not subdue, and no lameness which they will not cure. This is strong language, but it its true. They have produced more cures of rheumatism, neuralgia, lock-jaw, palsy, sprains, swelling, caked breasts, scalds, burns, salt-rheum, ear-ache, &c., upon the human frame, and of strains, spavin, galls, &c., upon the animals in one year than have all other pretended remedies since the world began. They are counter-irritant, all healing pain relievers. Cripples throw away their crutches, the lame walk, poisonous bites are rendered harmless and the wounded are healed without a scar. The recipe is published around each bottle They sell as no article ever before sold, and they sell because they do just what they pretend to do. Those who now suffer from rhumatism, pain or swelling deserve to suffer if they will not use Centaur Liniment, white wrapper. More than 1000 certificates of remarkable cures, including frozen limbs, chronic rheumatism, gout, running tumors, &c., have been received. We will send a circular containing certificates, the recipe &c., gratis, to any one requesting it. One bottle of the yellow wrapper Centaur Liniment is worth one hundred dollars for spavined or sweenied horses and mules or for screw-worm in sheep. Stock-owners—these liniments are worth your attention. No family should be without them. 'White wrapper for family use;" Yellow wrapper for animals.
