tions were well proved, in the quietest way opened a training school, for girls who wanted work in good families. When it started a year and a half ago, it was only to teach sewing in the nicest way, and occu-pied rooms over Wheeler and Wilson's Sewing Ma-chine depot. In accordance with the original idea, the scheme was extended, and last Spring the school was removed to a large house on Tenth street, where various departments are now in full opera-tion. There is nothing about the place but the brightly lettered signs to distinguish it from the old residences in Brevoort Place, as the dwillers like to call the long block from University Place to Broadway. The hall door stands open into a suite of large palors scrupulously kept, where a siniteligence office, it is a place acceptable for ladies to broadway. The hall door stands open into a suite of large palor, it is a place acceptable for ladies to broadway. The half door stands open, when it is opened as a free reading-room for women, so that working girls of any class may feel that they have a place to spend their evenings with as good right as men have in club-rooms or salons. The basement has the large gill sign, "Women's Tea Room," and the well-kept entrance, the cool, spotless, shady interior, the polished plate windows carefully screened with multin shades, the excel-lent order of the bronze burners ond globes in the windows, give it precisely the inviting air of the best privato restaurants. Here the visitor finds a snowy table, with clear glasses, an accurately cooked chop, and cups of faulties coffice or charm-ing tea. Here, every morning from half-past six to half-past seven, working girls find a generous and office and bread enough for their breakfast is a very grateful provision for a class of shop girls who find lodgings in tenement houses at the soription. With the building is connected a laun-rip eves with the nauceous compounds of low eating asions, where the influences are of the worst de-soription. With the building is connected a laun-
