Old and New for October is already on our table. It always contains fresh matrix], and discusses the issues of the month frequently with vigar. "The Lost Palhee" in this number is quite entertaining. "Our Sketching Chil" is a series of letters in which the subject of sketching is discussed by Rev. R. St. John Tyewhitt. In this number illustrations are introduced to illustrate the subject. The September number contains a paper of great historical m-teress on "The Emperor Therias," leades much that is en-tertaining. Roberts Bro, Boston.
