Illustrated by a corps of the best American artists, and contributed to by the most popular humorists and satirists of the day.

Wild Oats now enters successfully upon the sixth year of its existence, and has become the established humorous and satirien! paper of the country. It was started and continued the first year as a monthly, then, to satisfy the demand of the public, it was changed to a fortnightly. Still continuing its good work of hitting folly as it fies, and showing up the political and social shame by its masterly cartoons and pungent editorials. It achieved even greater success than before, and was recognized as the ablest and brightest of its class. Since then we have yielded still further to the public demand, and now publish Wild Oats weekly! It has literally grown into its present shape on its intrinsic merits, being the first successful weekly humorous paper ever published in this country.
