

Farm and Household.

First Get the Cow.

The French cow in giving directions how to cook a rabbit, began by saying: "First catch the rabbit!"—it seems essential, in his mind, that the rabbit should be caught before it was cooked. So we, in discussing the question of butter-making, will say—First get the cow!

But whatever blood you introduce, be sure it is from a milking family. This is the main point to look at. Get males from the best milking family—males strongly marked with the characteristics of a good milking family—and use no others. Cross these only with your best butter cows, and if you have cows that have come from good native butter stock, so much the better.

With a good butter cow and proper care and feed, you are in a fair way to make good butter; but without such a cow your case is hopeless. No amount of care and feeding will make a good cow out of a poor one. But you may greatly injure, if you do not spoil, a good cow, by neglecting to give her an abundance of clean, sweet food and pure water.

Comforts and Luxuries of the Farm. There is a class of farmers who are living on an equal amount of capital. Their farms are not so large as to make always of themselves and their sons, and their wives and their daughters are not worn out with incessant drudgery.

To REMOVE STAINS CAUSED BY SCORCHED.—For whitening scorched linen it is often sufficient to wet it with soap suds and lay it in the hot sun. Another method is, where milk is plentiful, to put one pound of white soap into a gallon of milk, and boil the scorched article in it.

PATENT ARION PIANO. COMBINES MANN'S FOUR SIMPLIFYING PATENTS. THE MOST VALUABLE PATENTS EVER USED IN PIANO-FORTES. PATENT ARION. REVERSED. WOODEN. AGRAPPE. THE. COMPOUND. REST. PLANK. THE. IRON. FRAME. AND THE. IRON. BAR.

A FEW REASONS WHY THE ARION PIANO IS SUPERIOR TO ALL OTHERS: The ARION PIANO-FORTE has greater power than any other Piano-Forte manufactured.

It will stand in Tune Longer, and in its mechanical construction it is more perfect, and, therefore, more durable, than any instrument constructed in the usual modern style.

THE ARRANGEMENT OF THE AGRAPPE, the manner of stringing, the peculiar form and arrangement of the Iron Frame SUPERCEDES ALL OTHERS.

THE USE OF A BAR (which is a part of the Iron Frame on a line with the heavy steel stringing), throughout the scale, the excellent Stinging Quality, the LENGTH AND PURITY OF VIBRATION, all go to prove what we claim, viz: that the ARION PIANO-FORTE IS THE BEST INSTRUMENT MANUFACTURED.
