The Huntingdon Journal. SHALL THE GOVERNMENT GUAR-ANTEE THE BONDS?

J R. DURBORROW,

HUNTINGDON, PENN'A.

WEDNESDAY, JANUARY 6. 1875.

Paper in the Juniata Valley.

THE NEW POSTAGE LAW.

The new postage law has gone into until it became worthless. This has been effect, and, from our stand-point, a beggar- the history of all such transactions heretoly law it is. We regard it as the legitimate offspring of the late diminutive inception of some diminutive Congressman Texas Pacific, is at Washington engineerthat retrograded postal matters at least ing this scheme. It is well for the people fifty years. Of course every intelligent to look after their Congressmen in referman knew that the former was a thrust at ence to the project. the press, because it undertook to discuss the Credit Mobillier and other disreputa- ly upon bonds similarly guarantied, and ble business in which certain Congressmen were concerned. It was the first step Not a dollar of this money will ever be Not a dollar of this money will ever be the transmost of towards taxing the press, but the tax was refunded to the Treasury. The people shared with the reader, but the latter has pay the piper. gone the whole length and makes the press pay all the tax deemed necessary to support this branch of the Post Office Department. And while we are alluding to the Post Office Department, permit us the payment of the interest on these bonds? sustaining! You have as much right to Interior Departments sulf-sustaining as the Post Office Department. They are all for the protection and convenience of a few poor devils, like printers, for in-

stance, with the entire burden. If Congress wanted to lighten the burdens of the people why take the tax- believe it would create work in our midst, Hartford. postage-off the many and impose it upon at good wages, for the unemployed thousthe few? Is it not in the same vein with ands, if not millions, who now go to bed the miserable law that it supercedes ? The on those who are the least able to bear it. without detriment to the nation at large, We are told that we will have less to pay it is its duty to do so. And woe unto the under it than under the late outrageous Congressman, we predict, who stands in act, but this is no reason why there the way of the laboring man. Yes, if the should be such a statute imposed upon the Government has to pay every dollar that eraft whatever. For eighty years, if we it guarantees it will be the best investment are not mistaken, Congress made every that it has ever made. provision against burdening the publish. ers. At last a new set of men have arisen, like judicious management, it will be ne who fear the press, and they have deterthat we will have to pay less postage than a success from the start. heretofore, but how do we know it ?-There is no provision made in the law for our exchanges, that we can see, and we financial bill, entitied "a bill to provide may have a decision from the Postmaster for the restoration of specie payments. General any day that the new law failed Be it enacted, &c., That the Secretary shire. These recent and well attested to make provision for them and we must of the Treasury is hereby authorized and cases have produced a rather startling pecial purpose, of making the Post Office and value, and to issue them in redemp-

Department self-sustaining, and every lit- tion of an equal number and amount of tage of to bring grist to that mill.

new act that, to us, is contemptible. It fices of the United States, and upon such only allows publishers and news agents to send matter to actual subscribers at two cents per pound. If a publisher desires of the revised statutes of the United States of section 3,524 of space. The writer then goes on to say: Such a list of disasters as the foregoing, Dec.16-5t. No. 654 Broadway, New Yor rates. Why does the Government dis- service. eriminate thus? Ain't it a very small SEC. 3. That section 5,777 of the repay the postage on all matter sent him notes of national banking associations be from the centre of trade, and if he has and is hereby repealed, and each existing be. orders for a magazine or two, by mail, banking association may increase its circuthey have to support the Post Office De- amount of eighty per centum of the sum partment they ought to be allowed a uniform postage. THE SUBSIDY VOTE.

We cut the following from the Bloom ourg Columbian :

The Texas Pacific railroad modestly asks the Federal government to guarantee its onds to the amount of seventy millions of Circulation LARGER than any other dollars. As security the road and the lands

the government gave it are to be mortgaged. The bonds once guarantied, the government would then be asked to yield its mortgage to first, second and third ones The measure is national in its results and has strong claims upon all thoughtful

Jan.6-6t. ST. NICHOLAS FOR 1875.

A BOOK FOR BOYS AND GIRLS.

Of this book CHARLES DUDLEY WARNER writes: In the bound volume of St. NICHOLAS, with its glory of red and gold, we have a permenant addition to the litera-ure of the young. Never before has so much literary and tristic talent co-operated in the service of children. It a continued educator of their taste and of their honor burrage. I do not see how it can be made any better the children don't like it I think it is time to begin ange the kind of children in this country." ST. NICHOLAS FOR 1875.

The prespectus of the second volume shows that there is to be no falling off, but an increase in its literary and pictorial attractions. Among other attractive features are TWO SPLENDID SEPTAL STORIES,

"THE YOUNG SURVEYOR," y J. T. TROWBRIDGE, author of the Jack Hazard Stories, "EIGHT COUSINS,"

less damaged or destroyed, to wit : the by LOUISA M. ALCOTT, author of "Little Women," etc. The peculiar features of ST. NICHOLAS, which have con-duced so largely to its popularity, will be kept up with Workington, Lady Heathcote, and Stafford-
