Farm and Household.

God Bless The Farm.

God bless the farm—the dear old farm!
God bless it every rod—
Where willing hearts and sturdy arm
Can earn an honest livelihood!
Can from the coarse and fertile soil
Win back a recompense for toil.

God bless each meadow, field and nook
Begemmed with fairest flowers;
And every leaf that's gently shook
By evening breeze or morning showers,
God bless them all! each leaf's a gem
In Nature's gorgeous diadem.

The orchards that in early spring
Blush rich with fragrant flowers;
And with each autumn surely bring
Their wealth of fruit in golden showers
Like pomegranates on Aaron's rod,
A miracle from Nature's God.

And may He bless the farmer's home
Where peace and plenty reign!
No happier spot 'neath Heaven's high dome
Doth this broad, beauteous world contain,
Than where secure from care and strife
The farmer leads a peaceful life.

Unvexed by toil and strikes of gain,
He turns the fertile mold,
Then scatters on the golden grain,
And reaps reward a hundred fold!
He dwells where grace and beauty charm,
For God has blessed his home and farm.

Rubber Overshoes for Horses.

Rubber overshoes for horses are a recent invention which promises to be a boon to the equine inhabitants of paved cities. The shoe is made and lined in precisely a similar manner to the articles of apparel worn by the human race, and, in fact, presents no point of difference save in its shape and its manufacture of the best quality of India-rubber. It is designed as a substitute for the iron shoe, and as a means of preventing the many maladies to which horses feet are subject. Horses suffering with cracked or contracted hoofs are quickly cured by the substitution of the rubber covering for the unyielding metal shoe. The elasticity of the former allows the hoof to remain in its natural shape, while protected from abrasion against pavements by the heavy rubber sole beneath. The device is easily removed from or put on the hoof, and hence, while standing in the stall or turned out to pasture, the horse may be left barefooted. In winter time the covering serves as a protection against illness due to the common practice of mingling salt with the ice and snow in city streets, while the roughened surface of the rubber beneath serves to give the animal a foothold in slippery weather. As compared with iron-shoes, the cost of the rubber ones is about one-third more, and their weight is some forty per cent. less, while they are very durable. Sixteen sizes are manufactured, so that accurate fits may be obtained.—*Exchange.*

Plaster and Ashes.

Once while riding in the cars, we noticed on either side of the track, for some distance, a tract of almost barren sand, the only vegetation seen being, now and then, a sickly white birch and a little sorry-looking sorrel. Two gentlemen, evidently farmers, were talking of manures, when one said:

"Do you know what would clothe those lands with a good crop of clover?"

The gentleman was incredulous, and shook his head.

"Well," continued his interrogator, "plaster and ashes will do it, for I have tried it on just such land, and at the end of the third year there was a heavy sward on it."

We did not forget the conversation, but went home and sowed a barren knoll over with plaster and ashes, and to our astonishment a good crop of clover came in.—We then tried the experiment on our pasture lands, with marked success, so much so that we recommended it to our neighbors whose pastures were thin, and in three years the pasture land in that section would feed nearly double the stock that fed on them before. Ashes in the neighboring village rose in price, and the farmers to-day buy all they can get at sixty and seventy-five cents per barrel, and find it pays well at that. We believe there is much land now almost worthless that will one day be made valuable by the use of plaster and ashes.—*Farmers' Union.*

Recipe for Curing Meat.

To one gallon of water, take 1½ lbs. of salt, ½ lb. of sugar, ½ oz. of saltpetre, ½ oz. of potash. In this ratio the pickle can be increased to any quantity desired. Let these be boiled together until all the dirt from the sugar rises to the top and is skimmed off. Then throw it into a tub to cool, and when *cold*, pour it over your beef or pork. The meat must be well-covered with pickle, and should not be put down for at least two days after killing, during which time it should be slightly sprinkled with powdered saltpetre, which removes all the surface blood, &c., leaving the meat fresh and clean. Some omit boiling the pickle, and find it to answer well, though the operation of boiling purifies the pickle by throwing off the dirt always to be found in salt and sugar. If this recipe is strictly followed, it will require only a single trial to prove its superiority over the common way or most ways of putting down meat.

Trap For Mice.

To make a simple an efficient mouse-trap, procure a tolerably tight barrel—a salt barrel with one head will answer—bore a hole near the bottom for a place of entrance; set it in the place where the mice "most congregate," throw into it an armful of ears of corn and a handful of rags or waste paper to make a nest, cover it so that the mice may "keep dark," and let it stand quietly a few days to give the mice time to colonize, then plug up the entrance. As mice are lively little animals dash in a few gallons of water to moderate their friskiness, then take the game at your leisure, set your trap again, and go on your way rejoicing.

SCIONS AND CUTTINGS of fruit trees have been worked with success nine months after being severed from the parent stock.

VINEGAR BITTERS.
PURELY VEGETABE.
FREE FROM ALCOHOL.
Dr. J. Walker's California Vinegar Bitters are a purely Vegetable preparation, made chiefly from the native herbs found on the lower ranges of the Sierra Nevada mountains of California, the medicinal properties of which are extracted therefrom without the use of Alcohol. The question is almost daily asked, "What is the cause of the unparalleled success of Vinegar Bitters?" Our answer is, that they remove the cause of disease, and the patient recovers his health. They are the great blood purifier and a life-giving principle, a perfect Renovator and Invigorator of the system. Never before in the history of the world has a medicine been compounded possessing the remarkable qualities of Vinegar Bitters in healing the sick of every disease man is heir to. They are a gentle Purgative as well as Tonic, relieving Congestion or Inflamation of the Liver and Visceral Organs, in Bilious Diseases.
Dr. Walker's California Vinegar Bitters act on all these cases in a similar manner. By purifying the Blood they remove the cause, and by resolving away the effects of the inflammation (the tubuecular deposits) the affected parts receive health, and a permanent cure is affected.
If men will enjoy good health, let them use Vinegar Bitters as a medicine, and avoid the use of alcoholic stimulants in every form.

THE
COMPOUND

PLANK.
THE
FULL
IRON

AND THE
SUSTAINING
IRON
BAR.

A FEW REASONS
WHY THE
ARION PIANO
IS SUPERIOR TO ALL OTHERS:

The ARION PIANO-FORTE has greater power than any other Piano-Forte manufactured.
It will Stand in Tune Longer,
and in its mechanical construction it is more perfect, and, therefore, more durable, than any instrument constructed in the usual modern style.
The arrangement of the Agraffe, the manner of stringing, the peculiar form and arrangement of the Iron Frame
SUPERCEDES ALL OTHERS.
The use of a bar (which is a part of the Iron Frame on a line with the heavy steel stringing,) gives
GREAT STRENGTH
where most needed, and in this respect all other pianoes fail.
The construction of the WREST PLANK, into which the tuning Pins are inserted, is such that it is impossible for the pins to come loosened, or the Wrest Plank itself to split, as is too often the case in other Piano-Fortes.
The Extraordinary Evenness
throughout the scale, the excellent Singing Quality, the
LENGTH AND PURITY OF VIBRATION,
all go to prove what we claim, viz: that the
ARION PIANO-FORTE
Is the Best Instrument Manufactured.
ALSO
ESTEYS COTTAGE ORGANS,
WITH THE
VOX JUBILANT
AND
VOX HUMANA.
THE NE PLUS ULTRA OF
REED ORGANS,
universally acknowledged to be the BEST Organ made for Sunday Schools, Churches, Parlors and Lodges.
Having more power, with a sweeter tone, than any other Organ in the market notwithstanding the representations of agents interested in the sale of other Organs, *we do fully warrant every Organ for the period of five years, (at our own expense.)*

BEATTY & PLOTTS'
CELEBRATED
GOLDEN-TONGUE PARLOR ORGAN
IS ACKNOWLEDGED BY EMINENT MUSICIANS AND DISTINGUISHED MEN OF HONOR TO BE THE LEADING INSTRUMENT NOW IN USE.
—THEY SAY—
BEATTY & PLOTTS'

PARLOR ORGANS were awarded FIRST PREMIUM and DIPLOMA over Needham & Son's and J. Estey & Co's Organs at the Carbon County Fair, held at Lehighton, Pa., September, 1872.—*Lehighton Weekly News, Oct. 5, 1872.*

St. Clair, Pa., Dec. 6, 1872.
BEATTY, BEATTY & PLOTTS—Gents: I have received the Organ sent by your firm to me, and find it commanded. It gives ample satisfaction.
JOHN SWEET.

Mahanoy City, Pa., Oct. 10, 1872.
THE BEATTY & PLOTTS celebrated Golden Tongue Parlor Organ is by far the best Parlor Organ in use. I have carefully examined it, and find the tone, workmanship and durability to be the best I ever saw, and I can with pleasure recommend it to any in want of a first-class parlor organ.
PROF. C. H. CRAMER.

New Bethlehem, Pa., Nov. 28, 1872.
MESSRS. BEATTY & PLOTTS—Gents: Having had one of your Golden Tongue Parlor Organs, for six months past, I thought before recommending it, to give it a fair, square trial, and am happy to testify that it surpasses all that has been said or advertised about it. I have used Needham's organs, and considered organists owned one of the best, and all say that it is one of the sweetest and best toned instruments in the market. It has taken the diploma of all others around here. I am perfectly satisfied with it. You may publish this if you see fit, as any organ can be tried by any one wishing to do so, to prove all I say.
S. S. E. HUTCHISON,
Late of the Tuscarora Cornet Band of New Bethlehem, Pa.

BEATTY & PLOTTS Golden Tongue Parlor Organs are in circumstance that are standing for themselves a good reputation for and with. The owners of the Organs full of interest and observe what they appreciate, to our benefit of customers will do. They generally read and considering the considerable have enabled them to win.—*Washington, D. C. Star, March 27, 1872.*

THE BEATTY & PLOTTS parlor organs are highly praised by good judges, for their sweetness of tone.—*Pittston (Pa.) Comet, Oct. 5, 1872.*

Lewis's Station, Pa., Jan. 27, 1874.
I have had BEATTY & PLOTTS' Organ since August 4th, 1872; it gives the highest satisfaction, and has proved all that it was recommended by the proprietors.
JOHN TENNEY.

The BEATTY & PLOTTS' celebrated Golden Tongue Parlor Organs are pronounced unsurpassed by any now in use for sweetness of tone, beauty of fin
