Our rest may be as sweet. ----

The Test of Prayer.

A curious case, which is intended to combat Professor Tyndal's idea of testing the efficacy of prayer, is found in the story of a dissenting exhorter in England. This man sequired considerable fame, and he attracted the confidence of a lady who subject by brief allusions to some of the Jewell teaches a class in a colored mission heard him. After his sermon she went to him to relate an incident of persona An eastward bound train on the Paeifie Railroad took six ear loads of tea from Sacramento on the 12th ult. Garibaldi is said to look and dress like the b'hoys that used to wear soup-locks Garibaldi is said to look and dress like the b'hoys that used to wear soup-locks and run "wild der mercheen." Atlantic City is happy over the discor-ery of large deposits of bog iron ore within a short distance of her limits. Reciprocity. It is said that Longfellow finds the greater number of his admirers in England and Tennyson in America. The Union Foundry at Catamuqua, Pa, has increased a day's work to ten hours, and has all its workmen in employment. The compositors on the Chiengo daily newspapers have organized a temperanee club. A most commendable proceeding. In Pennsylvania there 119 National banks with a capital of \$52,000,000, and 117 State banks with a capital of \$52,000,000, and 117 State banks with a capital of \$53,370-160 84. 160 84. A druggist in Lewiston, Me., declares that over a ton of snuff is annualty con-sumed in that town in dipping, chiefly by all who repented. Having concluded her earnest and elo-

quest prayer she retired. The bargine came from under the bel and said to her: "I mean you so harm, un'am; I am going to leave the house, and I thank you for Reports from the west and north west show that the fruit crop has been se-riously injured by the extremely cold weather. "He then went away, and the lady son have the laws below. "The goed woman of whom I have told you," added weather.
