or ten hours per day, on the 1st inst. Times states that in the lakes in the vicinity of that city little fishes are very scarce, having been eaten up by the big ones during the hard winter.

The Allentown, Pa, Iron Company now offer the puddlers \$4 per ton, the old price, if they will resume work. There is a disposition on the part of the men, however in the Old and New Testament, will be given ever, to demand a higher rate, as they claim that the price of iron has advanced.

Address FARM AND FIRESIDE, 117 Mass advanced.

**Address FARM AND FIRESI claim that the price of iron has advanced.

They struck against a reduction of the price to \$3 80 per ton. Dyspepsia! Dyspepsia! Dyspepsia! Sheriff Kirkendall, there would be as little use for the military, in that county, as there is in made it passible to order books, small articularly at the most perplexing of all human ail the satury saturation of the military, in that county, as there is in made it passible to order books, small articularly at the cluster loose petaled white roses, with a made it passible to order books, small articularly at the cluster loose petaled white roses, with a night to death by the copperas formed in a loos of her husband, and the parson tried night to death by the copperas formed in a loos of her husband, and the parson tried night to death by the copperas formed in a loos of her husband, and the parson tried night to death by the copperas formed in a loos of her husband, and the parson tried night to death by the copperas formed in a loos of her husband, and the parson tried night to death by the copperas formed in a loos of her husband, and the parson tried night to death by the copperas formed in a loos of her husband, and the parson tried night to death by the copperas formed in a loos of her husband, and the parson tried night to death by the copperas formed in a loos of her husband, and the parson tried night to death by the copperas formed in a loos of her husband, and the parson tried night to death by the copperas formed in a loos of her husband, and the parson tried night to death by the copperas formed in a loos of her husband, and the parson tried night to death by the copperas formed in a loos of her husband, and the parson tried night to death by the copperas formed in a loos of her husband, and the parson tried night to death by the copperas formed in a loos of her husband, and the parson tried night to death by the copperas formed in a loos of her husband, and the parson tried night to death by the copperas formed in a loos of her husband and the parson tried night to death by the copperas formed in a loos of her husband and the parson tried night to death by the copperas formed in a loos of her husb Dyspepsia is the most perplexing of all human ail-ments. Its symptoms are almost infinite in their variety. me have my cry out, and then I shan't care anything more about it "

anything more about it "

dy. This is due, in part to the close sympathy which ex "Drunkenness, unlike some other evils to the fact that any disturbance of the digastive function which afflict us," says the Milwaukee Sential the fact that any disturbance of the digastive function and the brain, and in part also to the fact that any disturbance of the digastive function and the brain, and in part also to the fact that any disturbance of the digastive function and the brain, and in part also to the fact that any disturbance of the digastive function and the brain, and in part also to the fact that any disturbance of the digastive function and the brain, and in part also to the fact that any disturbance of the digastive function and the brain, and in part also to the fact that any disturbance of the digastive function and the brain, and in part also to the fact that any disturbance of the digastive function and the brain, and in part also the fact that any disturbance of the digastive function and the brain, and in part also the fact that any disturbance of the digastive function and the brain, and in part also the fact that any disturbance of the digastive function and the brain, and in part also the fact that any disturbance of the digastive function and the brain, and in part also the fact that any disturbance of the digastive function and the brain and the brain

> E. F. Kunkel's Bitter Wine of Iron is a sure cure. This is not : new preparation, to be tried and found wanting; it has been prescribed daily for many years in the practice of eminent physicians, with an unparalled success; it is Dyspopsia in its most obstinate form. Kunkel's Bitter Wine of Iron never fails to cure. Symptoms of Dyspepsia are loss of appetite, wind and rising of the food, dryness of the mouth, heartburn, distension of the stomach and bewels, constipation, headache, disziness, sleepiessness and low spirits. Try the great remedy and be convinced cause a customer asked him why he didn't use a crow-bar to shave with. He couldn't which is put up only in \$1 bottles. Depot, 250 North Ninth St., Philadelphia, Pa. It never fails. For sale by all druggists and dealers everywhere.
