REPUBLICAN STATE CONVEN-

## Call of the State Committee.

The Republicans of the State of Pennsylvania are hereby requested to assemble by their, delegates in State Convention at noon on, Wednesday, the 26th day of May, 1875, in the Fulton Opera House, at the city of Lancaster for the purpose of nominating candidates for Governor and State Treasurer. Each Representative and Senatorial District will be entitled to the same representation as it has under the present apportionment for Senators and Representatives in the Legislature. RUSSELL ERRETT,

A. WILSON NORRIS. Secretary.

Rev. Francis Strang, of Westfield Tioga county, father of Hon. B. B. Strang, died week before last. He had preached for forty years in the community where he

The Globe proposes to appeal to the Republicans. What for? Do you think you can induce any outside of your followers to go over to the Democrats?-

## **HUNTINGDON COUNTY.**

The division in our party still continues Iuntingdon county. Both committees appoint elegates to the State Convention—the Scott wi fixed August 10th for the County Convention. a the Woods wing has left the time open for far consideration—giving as a reason the hope of future union in one body, and reconciliation in party. It is time the unhappy fight in this co ty should end. There have been too many bit y should that. There have been too much criminat ind recrimination. and too often has the good Republican flag, in that county, trailed in the d necessary considerable or the state of the our defeat in that county, but also in that of State ticket, next fall. Why should not these sensions now be healed, and Huntingdon ag gladden the hearts of our friends in all part the State, with her good, old fashioned major for the state, with her good, old fashioned major for the state. of one thousand for the party that stepped it the breech and saved the Union from the south the breech and saved the Union from the southers. Democratic secessionists and their sympathising Democratic northern allies? If our friends of both wings in that county cannot come tagether and heel the breech there, let them call tagether disinterested friends from other counties of the State, to act as arbitrators, each wing to choose a man alternately, and bind themselves to stand by the decision of the arbitration. Some such plan might result in reconciliation, and be of great advantage to the party, both in that county and in the State. We give this hint out of pure love for our cause and without sympathizing with either wing, and for what it is worth.—Holliday\*burg

We highly appreciate the good intenions of our neighbors in expressing their deep concern for our political welfare, and we assure Brother Over that we are just as anxious that the Republican party of Huntingdon county should be united and harmonious as any man possibly can be, but we are not willing to surrender all manliness and position to accomplish it .-The portion of the Republican party which we represent is quite equal in votes with Guss don't deny that they mean to the Democratic party—say 2,500 or 2.600 affiliate with the Democrats this fall, and votes-and it does not feel like surrenderterms. What other Democrat would ask cess to about one-sixth of its number. In any square fight with the Democratic party our portion of the party is a fair match The Independent Order of Odd for their Democratic antagonists, and have Fellows of Eastern Pennsylvania is about an equal chance for success. This was to take measures to establish an Old Man's fully demonstrated in the campaign of Home, for the benefit of the members of 1873, when the Guss wing voted 830 of the party, and Guss must have damages votes. Last fall they voted only 500, and we are not willing to admit that even an lar Republicans got the larger majority of

No one, we think, could expect this arge body of men, equal, as we have said before, to their Democratic antagonists, to surrender its organization to a factional clement merely to increase its vote. And if this element is so badly demoralized that it will vote the Democratic ticket at the mere beck of its leaders, because its leaders are not allowed to control the Repubit is "played out !" No more of that kind lican party, in Heaven's name, had we not better, a thousand times, do without them ? If we can only have harmony at the price of our political enthrallment he would be mere dastard who would accept the

> of the Republican party, it is well known, was encompassed by the introduction of the "Rotten Borough System." Little boroughs sprung up, like mushrooms, wherever they could be controlled by the People's League and ten or twenty votes, very frequently less, sent as many delegest districts in the county. Fifty votes, accepted. all told, in one portion of the county, sent

mony until we go back to it. This is simply out of the question. The larger districts have now achieved what they have contended for, for many years, and they refuse absolutely to curtail their representhey would be the most stupil people in the world to insist upon anything less .-They are fairly entitled to what they have, as it was in this case, to secure all the Here is the whole thing in a nut- privileges to which one is entitled, but it to revoke the trust created last July for ceris doubly hard to get those who are privileged to reseind them. ## THE "GLOBE'S" TERMS.

The following are the Globe's terms, viz : 1. A buncombe preamble and resolution · 2. Having voted almost the entire Demouratic ticket last Fall, and previously, and having done our best, for the last five years, to destroy Republicanism in

Huntingdon county, we are entitled to a Delegate to the State Convention. 3. To enable us to control the organization in the future, and to elect only our friends to office, the representative system must be abolished and the Old Rotten

Borough system given back to us. 4. That the Chairman shall jointly call Delegate election, so that two men in the little boroughs may wield the power of fifty in the larger townships.

5. That the County Convention be held with open doors, so that there will be abundance of room for fraud, bribery and intimidation. There is nothing like a good chance to crowd the delegates, you

6. The two chairmen shall jointly call the Convention to order, and then retire and leave the Convention to scramble over the fraud committed in the election of delegates until the cows come home.

7. And, lastly, the Globe is the organ This is all that the terms imply! Now, we ask any honest, fair minded, unprejuequal number, let alone a majority of the diced voter, whether these points are not 300, went over to the Democrats. On the well taken? And should they not have the man, the woman, the babe, who would not have accepted them by the quart, pint or even gill? Do they not demonstrate that we are the factional element? Certainly! Any man who says otherwise, shoot him on the snout! Whew! Big Injun, me!

We learn, with much pleasure, that our excellent townsman, J. Simpson Africa, esq., has received the appointment of Chief Clerk in the Land office of the new Secretary of the Interior. In making this lass has done honor to the purer and more conservative Democracy of the State as kitchen door: For the information of our neighbor we ments and far above the petty intrigues of would inform him that the enthrallment mendation. We are pleased that our townsman has been thus honored.

SAN JUSTO RANCHO,

NEAR SAN JUAN, CAL., April 12, 1875. EDITOR OF THE JOURNAL :- March is gone trolled the party by the "Rotten Borough and April is here—not, however, with the inble with mud and swollen streams-but with clear skies, pleasant, sun-shiny days, and veg-etation of all kinds quite advanced. The nearest approach we have had to anything like rough weather was last week one day, which was quite windy, with some hail and rain. This was so unusual that old residents refuse absolutely to curtail their represen-complained wonderfully of the cold, but I find tation. They have a majority now, and that when there are a few days of a little ower temperature than common the people here seem to complain as much as people in the East of a really cold winter. March was comparatively dry, having only two rainy days, and thus far we have had one light rain and they will cling to it with the tenacity in April. Two events happening in March will probably be of some interest to Eastern days, and thus far we have had one light rain in April. Two events happening in March will probably be of some interest to Eastern people, viz: The execution of the notorious bandit, Vasquez, and the effort of James Lick to revoke the trust created last July for cer-

tain charitable purposes.

Vasquez was the leader of a band of Mexi can highwaymen, who for several years had been the terror of the more thinly settled dis-tricts of Southern California. For boldness ble. They feel that the party has had and a half ago they committed a robbery at Jose, and in the February term of the District Court, the case came up. Leiva, the confederate of Vasquez, turned States evidence, and through his testimony and that of others, to the same effect, the leader was convicted and Executive clemency were both futile, and on the 19th ultimo, the bold bandit was executed. He indited two letters, one to his late com-panions, advising them to give up all designs of revenging his death and to abandon the in terms one would more readily have accred-

power to guard young persons from vice and train them in the way of virtue and industry. The other event to which I referred is the honorable men.

Besides all this, they feel confident that

many of the most worthy objects which could be mentioned and involving a sum larger than has ever been given by one man in the counfor Protestant Orphan Asylum in San Fran-cisco and San Jose, and to the Ladies'

of San Francisco, and it is altogether likely Democrats and gained a temporary sucthat these will receive a larger sum than any other two of the objects of Mr. Lick's munification. cence. Mr. Lick is a native of Pennsylvania, credit, and they find themselves outside of and still has a son residing there. Coming to both organizations, and until they resolve | California from South America, where he had to adhere more strictly to the truth there to adhere more strictly to the truth there is no probability of either party trusting then, in 1847, be had for a mere song, but iginated was the saw mill of Morgan is no probability of either party trusting then, in 1847, be mad for a mere song, but which now, in 1875, has grown to an enor them very far. We may be defeated, but mous estate. From time to time be purchased It was as dry as tinder, and filled with the many of the most eligible lots in San Franeisco, and among other improvements, erected a large hotel—"The Lick House"—one of the so intense that the firemen were unable to tress Monroe he became partially paralyzed for which \$920,000 was refused last Fall. In service. The neighboring lumber piles July last, Mr. Lick conveyed to six of the best | fell an easy prey to the flames, and mil known and widely respected business men of the State property to the value of \$4,000,000, to be used by them for purposes specified in the deed, and which have since become familiar to all. The Trustees proceeded to discharge their trust, organized and made arrangements to sell a part of the property the small frame houses of the mill em conveyed to them. Sales were made in November last of property to the amount of nearly \$2,000,000, but in the exercise of a right reserved to themselves at the time of the sale, the trustees refused to confirm the sales, sale, the trustees refused to confirm the sales, the trustees refused to confirm the sales, sale, the trustees refused to confirm the sales, sale, the trustees refused to confirm the sales, sale, the trustees of the fire, but were conveyed to them. Sales were made in No-

except to the extent of a little more than \$300,000.
Several other pieces were advertised to be nother of the business business to the me, after an after an incher of the business business of Main sold this month, but on the 27th ult., Mr.

Lick wrote a letter to the Trustees, in which he stated that he had conveyed to them at a ruins. Between Algona and Ceape streets time when he thought he had but a short time to live, but now his health was better, and were located all of the principal dry goods under his own management he might reason. during his life. He also referred to the fact | lcs hurricane. Merchants had time to that certain relatives had not been sufficiently save but little, for their facilities for the emembered, intimating at the same time that the conveyance to them. i. c., the Trustees. was faulty in some particulars which might open the way for litigation. He closed by requesting them to resign, that he might be re-invested with the subject of the trust and by far the greater number lost them all.—

system. trustees, in a manner that would more fully and exactly carry out his present desires and intentions. The trustees were of course as- furnished with all modern improvements, nished to receive such a letter, and after calling a meeting and consulting together, they returned to Mr. Lick the only answer they could make consistent with their own position and character and the interests of he public, and that was a refusal. They said they had not sought the position, but onerous and responsible as it was, they had assumed it and discharged it, thus far, faithfully; that it was a matter not merely of private contract. but of public importance; that they could not legally withdraw at this stage, and that while they would be glad to receive, at any time, suggestions from Mr. Lick, they could not reinvest him with the property conveyed to them, but should proceed, in all fidelity, to execute the trust as empowered by his deed been accepted without a word? Where is of July 10th, 1874. So the matter stands at the conveniences of a first class office. The present, and whether it is to be amicably settled or whether it will lead to litigation-by which much of the magnificent estate, which was to have covered its aged owner with the rare honor of disinterested benevolence, may

be wasted—remains to be seen.

Prominent among the inquiries which are made by our Eastern, friends in the East, is this: How does the cost of living in Santa Clara county, or San Benito compare with the same in Eastern States? As these prices vary in different localities in the East, it is impossible to reply to each inquirer without know-ing just what it costs to live in each of the different localities. We take the following table from a reliable paper in San Jose. It must be remembered that owing to the uniformity of the climate, prices vary less with the seasons here than in the East. By the aid selection, we are confident, Gen. McCand- of this table your readers can make their own comparisons, bearing in mind that these are the cash prices of the goods delivered at the

well as to himself. Mr. Africa is a man | Flour per cwt., \$2.50; beer, floss, per cwt., \$2.50; b Flour per cwt., \$2.50; beef, fresh, per lb. of ripe experience, high personal attain-per lb., 15c.; hessi per k, 10 to 16c., sate policy per lb., 15c.; bacon, Eastern, per lb., 16 to 18 cents; do.
