## MONEY WANTED!

Within the last two weeks we have sent out in the neighborhood of five hundred responded, but the great mass have not yet paid any attention to them. We need the money badly or we would not have the gist of which was : sent out the request to pay up. Since the first of July we have set whole weeks in our office and did not take in more than \$10, while we were having an actual expense of \$60 per week. This has been extremely mortifying and annoying to us. We incurred expenses that were unavoidable, and when the time for payment has pay if they made a little exertion. We was a righteous verdict. They thought, urge all who are indebted to us to make no doubt, that we deserved half these costs an effort to pay up and help us out of the drag. We have an excellent paying list there is no better, and we appreciate their trouble in raising money, but our necessi. ties compel us to urge them to pay a little sooner than they may have contemplated. If it were only snakes and rats that were troubling him we might attribute it to some other cause, but as the mania seems to run in another direction. we are inclined to regard it as something more serious.

ON A TOUR.

Prof. Guss and Wilbur F. Cunningham were last week on a tour through Trough Creek Valley, and we have no doubt had a good time generally. They took with them in the buggy-box a small wicker covered bottle full of the Hydrophobia remedy, in order to guard against accidents and started for the classic shades of Cassville, to the merry dilty of "over the hills

They found the weather fine and the skies bright during their journey, but the water was very bad, and had to be mixed with the hydrophobia medicine in order to prevent any deliterious results.
