THE BOSTON JOURNAL, in a recent issu nys: "Picture to yourself what a magazine for nildren ought to be-how bright and winning in entents, how pure and stimulating in teaching, how resplendent with pictures, and then turn over the pages of St. Nicholas, and you will find your ideal realized."

your ideal realized."

THE CHICAGO INTER-OCEAN says: St. Nicholas si san institution of which Young and Old America are as proud as England is of Punch. A house without St. Nicholas," continues the writer, "does not deserve to own any boys and girls; no dog should wag its little tail while pressing its noise through the area railings, emphatically, we would observe that should the sun condesend to shine upon that house, his solar majesty would make a big mistake."

The first volume of St. Nicholas was a surprise

would make a big mistake."

The first volume of St. Nicholas was a surprise even to the public that heartily welcomed it, number by number. Newspaper critics expressed enthusiastic approval; children and parents were alike delighted, and congratulatory letters from distinguished men and women poured in spon the sublishers and editors, CHARLES DUDLEY WARNER wrote: "I do not see how it can be made any better, and if children don't like it, it is time to change the kind of children in this country;" WHITTIER, our great poet, wrote: "It little to say of this magazine that it is the best time to change the kind of children in this country;" WHITTIER, our great poet, wrote: "It is little to say of this magazine that it is the best child's periodical in the world;" and words of hearty commendation came across the ocean from such earnest workers and popular favorites of the young as GEO. MACDONALD, CHRISTINA ROSSETTI, and CANON KINGSLEY.

Reantifully bound supporbly illustrated and Beautifully bound, superbly illustrated, and filled with good things from the best writers (including three long serial stories,) the first volume of St. Nicholas, complete in itself, is a finer Christmas gift for girls and boys tr-day than any single book in the market, excepting

ST. NICHOLAS for 1875,

Which, with its magnificent pictures, its two complete serials, and its innummerable shorter stories, sketches, poems, fairy tales, rhymes and jingles, bits of wisdom, its French, German and Latin stories—its fun and its puzzles, Jack-in-thepulpit, the Letter-box, &c., &c., is even more su-perbly attractive.

ST. NICHOLAS for 1874 and 1875, 4

For the convenience of libraries, and because and '75 rather bulky to handle, we have had these twenty-four numbers bound in FOUR ELE-GANT VOLUMES, and inclosed in a neat box, under the general title of

THE ST. NICHOLAS LIBRARY. These four volumes are sold for SS, being only

wo dollars a volume—a beautiful and valuable Christmas present for an entire family of young olks.
THE NEW YORK TRIBUNE says: "In the avalanche of immoral literature that threatens the children, some strong, vitally wholesome, and really attractive magazine is required for them, and St. Nicholas has reached a higher platform,

and commands for this service wider resources in art and letters, than any of its predecessors or contemporaries."

THE SUNDAY-SCHOOL TIMES says: "A cleaner, purer, more trustworthy periodical for children, cannot be named. The magazine does

enidren, cannot be named. The magazine does not claim to be religious, but it is on the side of all that is true and good, from beginning to end."

The religious press all over the country heartily commends St. Nicholas, and virtually echoes the opinion of the New York Christian Union, that it is "A DELIGHTFUL MAGAZINE FOE ALL CHILDREN BETWEEN FIVE AND EIGHTY-ST. NICHOLAS FOR 1876.

long journey across the plains, with a vivid portraiture of their LIFE IN CALIFORNIA DUR.
Brooks brings to this work, in addition to his well-known literary gifts, a thorough familiarity with the features of that wild country and the people then flooking toward it. What he has to say of them is pervaded with a subtle and intense savor of reality that enables the reader to follow the characters in their adventures with a positive sense of companionship. The contagion of the "gold-fever;" the great difficulties and perils which beleaguered their journey across the plains and mountains, and finally the adventurous, halicivilized, and yet, in a certain rude way, poetic life in the mines of California, are all described with wonderful truthfulness and skill. Add to this the elevated tone pervading the work, and the irresistible attraction which such a narrative possesses for boys, the value of this stirring, healthy serial becomes evident.

THE subscriber would respectfully inform his old friends and customers, that he has just received from the East a large and well selected stock of Boots and Shoes, for men, women and children, which he is prepared to sell a triffe lower than any other establishment in town. Being a practical shoemaker, and having had considerable experience, he flatters himself that his stock cannot be surpassed in the county.

Give him a call, at the CHEAN PROCESS CHEAN PROCESS.

Also, Cassimers sold by the vant.
