on your trip at will."

had assumed a position very near the head,

found the wine cup among the symbols of life's social phase. He had kept wine in his house; he had used it upon his side-board and upon his table; and he had par-

taken freely abroad. In the earlier years

it was wine, and only wine of the best and

the purest. Later, stronger liquors were

required to keep up the tone. At the age

of eight and twenty there had come an

undue flush upon Arthur's cheek, and

there were blotches in the eye which ought

and his salary was munificent.

"But, sir, there is no need of that. If you will trust your bank under the guidance of some capable and responsible agent, with your name at its head, it might

go prosperously on, and you could go away A cloud came upon the banker's face

and he shook his head. "It is too late," he said. "Some time I nay tell you more." Shortly after this, in process of closing up his business, Mr. Vanderlain sent Arthur to a distant city to make some important settlements. Arriving at his destination, the young man called upon the cor-

respondent of the bank, and having made theme. And now, as they ate the meal, Ar, preliminary arrangements the found him-belf with a few days upon his hands which After dinner Arthur went out to carry self with a few days upon his hands which he might enjoy in pleasure. On the very evening of his arrival he had fallen in with alone, Fanny sat down, and cried again John Hatton and William Roberts, two classmates of earlier years. He was classmates of earlier years. He was her. startled when he saw them. They were evidently going down hill-were drinking "Mrs. Grave
