VOICE OF THE PEOPLE.

BROAD TOP, PA., Sept. 22nd, 1876. EDITOR JOURNAL:—As I notice you have no regular correspondent from this part of our county, and although important news is scarce yet what news we have may be of interest to the readers of the JOURNAL.

The coal trade is and has been unusually dull these and coarse property all other hysiness.

in a depressed condition, and the out-look is very gloomy for the coming winter for the mining and laboring classes if there is not a revival in the business.

We had the pleasure of forming the condition of the Rev. 200 o

We had the pleasure of forming the acquaintance of the Rev. Mr. Galagher the newly appointed Catholic Priest for this congregation, a few days ago. He is a gentleman possessing the highest qualities for the vocation in life to which he is called; and from the impression he has already made on the minds of the people it is evident his charge here will be marked with success and prosperity. He is a gentleman of the highest culture, amiable, gentle, kind, loving, refined and self-sacrificing, possessing none of those haughty attributes so common with many of our clergymen of the present day.

With his other qualities he combines a tact for business which is as requisite as anything else for the Catholic congregation of this place at the

business which is as requisite as anything else for the Catholic congregation of this place at the present time. He has already purchased a pastoral residence and a site for a new church, the property was heretofore known as the Wattson Mansion House, it is finely located having a commanding view of the surrounding villages and towns and convenient to railroad. He also proposes to have a "grand pagin" on the 28th (Thanksgiv.)

here for a long time.

Politics, that slept so soundly for some time, appear to be waking up, especially so since the fusion ticket was put in the field, but knowing the been leased for a term of forty years, by a party of eastern capitalists.

The Ebensburg editors, McPike, of the Freeman, and James, of the Herald, are both of the state of the distinction.

The Ebensburg editors of the Herald, are both of the freeman, and James, of the Herald, are both of the state of the distinction.

The Ebensburg editors of the Herald, are both of the present leaders. well for the new leaders to look out in time where the apathy lies.

There is quite a talk of cutting another slice out of Carbon township and making it into a borough. This is called the "Balloon shaped borough of Dudley," and is done through the instrumentality of a few selfish and wily politicians to their own personal aggrandizement and to the great injury of the tax-payers both of the proposed borough and the township of Carbon. The prime movers kept the whole affair so quiet that it was not till it was confirmed ni si at the last Court that the people knew of its existence, and the excitement is only yet in its infancy as the people will not be deprived of their just rights by selfish and avariciously disposed men, and we have no will not be deprived of their flux rights by semi-and avariciously disposed men, and we have no doubt when the proper time will come that this proposed borough will be consigned to its proper place in oblivion as it well deserves! we propose to show some of the facts connected with the

borough in our next. MY WILD GOOSE CHASE IN CENTRE AND BLAIR.

PETERSBURG, Sept. 23, 1876. MR. Editor: —It grew a little hot for me at Neft's Mills. There were a few independent people among my music scholars, who thought, they would try the Dutch game on me. So I concluded, I would give me a little air. On Thursday I set out from the Fort. An old

gentleman, a countryman of mine, well known in that vicinity, was the first object of my visit. Six years hence he will be a centenarian, although one sore from head to foot, his spirit is bright and How to Vanquish the Stomach's Tormenton.—If the enemy of mankind was permitted to exert his diabolical ingenuity in the invention of a new disease, he could scarcely devise one more worthy of his genius than dyspepsia. The dyspeptic sufferer is tormented by symptoms resembling those of almost every known malady, and is often worried into monomania by these conflicting and perplexing manifestations. A favorable though absurd hallucination of the victum of chronic indigestion is that he or she has vigorous and his memory, reaching far back into the enthusiasm mingled into a great phantasmagoria, commonly called life. High on the mountains I
