W. L. FOULK, Agent of the Pennsylvania, Ohio and West Virginia Press Association, Is the only person in Pittsburgh authorized to isements for the JOURNAL. He has our best rates.

LOCAL AND PERSONAL.

Brief Mention---Home-made and Stolen

Feed the sparrows. Fresh pork is plenty. Bring in your job work. Hayes "Holds the Fort." Everybody puffs our cigars. Leap year is drawing to a close. Business is as flat as a flounder. Life is too short to waste in strife. Holiday goods are being displayed. The Institute was largely attended. Buy a gold pen at the Journal Store Potatoes have been rotting very rapidly. The juveniles are hunting up their sleds.

The season for shooting matches is at

Now is the time to advertise holiday A polar wave has been sweeping over

us for a few days past. The popular "Pioneer" cigar can be had at the JOURNAL Store.

The borough treasury of Mifflintown, Juniata county, is bankrupt. The shop windows are beginning to put on their holiday appearance.

The turkey population was very much curtailed on Thanksgiving Day. The furnace at Logan, Mifflin county,

will be put in blast in a week or two. Some very valuable real estate is advertised for sale in another column The juveniles are on the tip-toe of ex-

pentancy. The holidays, you know. J. G. Jones, esq., has been appointed Postmaster at Shade Valley, this county. Great depression is felt in busine

growing out of the Presidential muddle. A hop came off in the classic precincts of "Gravel Point" on Thanksgiving eve.

Religious revivals are reported in every What is Huntingdon about? Most of the stores, in this place, did a back-door business on Thanksgiving day.

A full line of tobaccos and cigars just opened at the Journal Store. The best 5 cent ci-

Dr. Shade, it is said, was the most inent man that has been murdered in Huntngdon county. Every reader of modern literature buys

in this place, on Thanksgiving Day. It was more generally observed than any before to our recollec

county has suffered more severely from the crisis than any other county in the State. What is the

justice in Mifflin county, was re-captured at Sun-bury, the other day, and assigned to his old quarters in the jail at Lewistown.

The most phlegmatic individual was brisk as a kitten during Saturday and Sunday.—
It is astonishing what an amount of activity Old oreas can stir up in a few hours. The Grand Central Hotel, New York,

was the first leading hotel to reduce and schedule its rates according to the location of its rooms. It now charges \$2.50 and \$3.00 per day. There is no investment that pays as good percentage as judicious advertising, and there is no better advertising medium in the Ju-

niata Valley than the Journal. Try it. The canal basin, along the foot of Allegheny street, was covered with a thin sheet of ice on Monday morning, not of sufficient strength, however, to answer the purpose of skaters.

The church fair and festival season is at culating a petition for signers asking for the building of a third penitentiary, to be located A short time after the divorce, we think through somewhere in the Central part of the State.

Editor Bowman, of Mt. Union, dropped in to see us one day last week, and passed editorial compliments. The *Times* starts the second volume under his management with the next issue.

J. Nelson Alsip, esq., of Pittsburgh, formerly of Bedford, will be an applicant for Journal Clerk in the Lower House of the Legislature. There is no better man for the place.—"Nelse" has been "brought up" among records, and what he does not know about such matters is notworth knowing. We most cordially recommend him to Messrs. Port and Dewees.

We publish the proceedings of the Institute as reported by Professor White. The report, as prepared by the Secretaries,—handed to
us at the eleventh hour—is entirely too lengthy.
We are willing to do anything in reason, but it is
asking too much to take up seven or eight columns

The long evenings are here. Cannot A Horrible Murder.—Dr. J. A. Reported by Prof. J. Irvin White.] The long evenings are here. Cannot the Professional ard Literary people of the town get up a Literary Society of some kind to pass away the heavy hours.

A party of three or four hunters, from this place, spent last week in the woods, but we have not heard whether they were successful in bagging any game or not.

It is reported that Rolland, the escaped Chambersburg bank robber, was in Mt. Union on Friday last, where he purchased a pair of spectacles from a dealer in that place.

William D. Harpster, a fugitive from institute in Millian county was recentived at Sunday and requesting her to come home.

A HORRIBLE MURDER.—DR. J. A.

SHADE, of Shade Gap, Killed by his Son-in-law, Cresswell A. Reese—The Doctor Receives Four Shots and Dies in Ten or Fifteen Minutes—A Family Feut at the Bottom of It—Narrow Escape of Mrs. Shade—The Capture and Lacarceration of the Murderer—Scenes, Incidents, etc., etc.—The town of Huntingdon was thrown into a feverish state of excitement, on last Saturday afternoon, by a telegram addressed to Mrs. C. A. Reese, who was on a tacles from a dealer in that place.

William D. Harpster, a fugitive from ing her that her father had been killed by her bushand, and requesting her to come home. usband, and requesting her to come home.

Little was known of the actual facts until the arrival of the mail train, at 5:30 p. M., which brought up ex-Sheriff D. R. P. Neely, of Orbisonia, in charge of the murderer. A large crowd nia, in charge of the murderer. A large crowd had collected at the Station, but no attempt was made to interfere with the officers, and Reese was marched off to jail and locked up.

The history of the case, down to the culmination

Evening Session.—Mr. J. M. Zuck delivered a

The history of the case, down to the culmination The history of the case, down to the culmination of the horrible crime, which it now becomes our painful duty to record, is one filled with much bitterness and sorrow. Dr. J. A. Shade located at Shade Gap in 1842, and a felicitous marriage the space principally, of the race course and theat case are consequently as the state of the present generally. at Shade Gap in 1842, and a felicitous marriage blessed him with a son and a daughter. These grew up as the years rolled away, and the daughter, against her father's protests, married Cresswell A. Reese, a native of Burnt Cabins, Fulton county, Pa. A short time after their marriage Dr. Shade Thirty-two rabbits, we are told, is the placed Reese on his farm, where he and his wife continued to reside until the father learned that number gobbled up by an Altoona sportsman in the neighborhood of Marklesburg, in two days, and they were not good days for rabbits either. continued to reside until the father learned that his son-in-law was not treating his daughter properly, which resulted in a separation and termina-The State Board of Charities are cir- ted in a divorce. The fruit of this union was an

the medium of the child, a reconciliation was interfere, but that it would be a very desirable brought about, and a second time they were united in marriage. This was in defiance of the parents wishes, and the consequence was that Reese and sends his child to school he resigns him to the Editor Bowman, or 1st. Consequence was that Rese and some under his management with the next seek, and passed edital compliments. The Times starts the second some under his management with the next steek of the start of the schoolars. The School Board, in all probability, ill go into the "tang" and "pen-aut" hand the start of the schoolars. Who will sell the "pen-auts".

Ment of the store, in the place, if the store of the irrepression of of the irrepres

shoulder. At this point two parties ranup and Reese levelled his pistol at them and told them not to interfere or he would shoot them. While this diversion was going on the Doctor must have recovered from the shock, and, as he lay weltering in his blood, he said: "Reese, for God's sake, do not kill me!" The report has it that Reese stepped up to him quickly, and aimed three shots at his head—two taking effect in the skull and the third in the eye. Feeling sure that he had finished the Doctor he turned and emptied the fifth and last Doctor he turned and emptied the fifth and last said because the audience recognized in them

chamber at Mrs. Shade, the ball striking and breaking her comb and lodging in the frame of the door. He then left the house in the direction of Orbisonia.

**Evening Session—Mr. J. M. Zuck continued the su ject of Drawing, speaking principally of its uiject of Orbisonia.

will take place in January.

and you must pay the penalty. Food containing carbon does not produce cells but makes heat for the body. Nitrogenous food only makes tissue. Meats, the best type of which is beef, contains 14 per cent. of nutriment, white bread only 7 per cent., but oatmeal contains 93 per cent. of nutritious matter. We cat too much because we do not cat the right kind of food. The speaker best or the speaker but that they should make teaching their life work.

pickles. An excess of acids taken into the system causes rheumatism.

Prof. A. N. Raub, Primary Instruction. Talk much is good advice to a primary teacher, if the talkings of the right kind, and is done at the proper time and place. Hold conversations with primary pupils to teach them language. Give short lessons. Be sure that pupils understand the lessons given, and then prepare them well. Secure slates and pencils for every one of your pupils. Keep children busy; interest them and they will give no trouble. We might as well expect to eage up a keg of gunpowder and set it on fire without A committee on Permanent Certificates was then a keg of gunpowder and set it on fire withou an explosion, as to expect to keep children quiet and orderly without keeping them busily employed.

James Norris aroused the institute by a little speech very positively denying the claims of Phrenology to be ranked as a Science. He ridiculed the idea of mapping out the brain into faculties and resterding the second of th tre as representatives of our popular entertainments of the present day, condemning both in the strongest terms. The race course is the Jerusalem of wicked men, and as for the theatre, where virtue has a single temple, vice has a hundred dens, filled as rotteness and dead men's bones. ulties, and pretending to say from outside bumps or protuberances what the mental and moral char-acteristics of the individual are. It may be said, however, that phrenologists themselves repudiate Where there is one Charlette Cushman, or one Sheridan, there are a hundred immodest prudes, who dare not cross the threshold of decent society, or a hundred wretches who spend their days and ne idea of "bumps" indicating character. Several
