in the Legislature, where comparatively few are now sent. A change in the character of our representatives and not a reduction of them is what is needed to make our

tation, which was by no means a just one. cres in the Caucasus. It left a large number of counties virtually without representation, and was manifestly unrepresentative in its character. The dissatisfaction with it was so general that one of the most popular features of the new constitution was that which doubled the

membership of the Legislature and gave remote and dimly settled counties voice at stated his belief that no arriere pensee of nnexation is entertained by Russia. The *Telegraph's* Vienna correspondent states Harrisburg.

It is well that the consideration of this subject should go on, out of season as it on the Danube. now is. It may bring the people to a bet-ter realization of the importance of elect-ing to the Legislature men of a different now is. It may bring the people to a betkind from those generally sent to the Cap- doubtless be joined by other powers, he will than while in the midst of a heated campaign, and it is something they most de will remain on the defensive." cidedly ought to be made to appreciate as that the Porte has sent a harsh reply to speedily as possible, in order that the prop-er remedies may be applied as soon as the opportanity shall occur. — Philadelphia Times. at Janina and their entry into Greece. BUCHAREST, May 21.-The Russians are making a decided movement below the river Aluta. The Roumanian Official Gazette to-day

THE Philadelphia Bulletin says: Frederick Douglass told the truth when he said that the people of Washington learned their pronunciation from the negroes. This is true of the whole Southern population, and it is the result of continual association of white children with colored children and nurses. The Southern pronunciation is in some respects like that of the Yankees. It some respects like that of the Yankees. It has the same resolute disdain of the R, so that when a Southern cavalier wasts to talk about war and gore he always speaks Philip Collins becoming his surety. The other defendants were William A. Marr, William H. of wah and goah But he has some distinctive peculiarities of accent. He never fails to say gwan for going, or come hyah was found, and the trial of the case commencfor come bere. He offers whah as a substitute for where, and thah for there. Ife Court stated that the Commonwealth had failalways says mostah for master, cunnel for colonel, pusson for person and quaw for choir. He does not, like the Englishman, speak of a wiot, a wumpus, a wow, but he will speak of his father as paw and his seator Coliban) were called by the defense. mother as maw, and tell how "the niggah | came b'yah up the rivah in the steamah befoah she bu'st her boilah."

THE long contest over the Postoffice at Richmond, Virginia, has been settled, and Miss Van Lew, appointed by Gen. Grant. is to be superseded by W. W. Forbes. Mr. Forbes was a Whig before the war, and has since been a Republican. He holds a high social position in Richmond, and seems not to have gained the personal enmity of the Democrats by his association with the Republican party. It is under stood that he has already offered the most important subordinate appointments inthe office to Conservative Democrats, master at that place for eight years.

quarters, and as its termination the Russians were obliged to retreat, beaten, leaving upon the field 300 corpses and a large number of covery is unsurpassed, but it will not cure you wounded.
