It is the point to which all the Indithere was no possibility of ascertaining the west side of the river. This valley whether such a paper was in existence or has been covered with buildings of every an fighting army officers come as a place not. There was, as a matter of course, considerable hard feeling between the step-children and their husbands on the one hand and Mrs. Adelia Wassel on the other where they can spree away a hundred dollars in a night and make up for lost time on the Big Horn.

4. It is the stopping place for all swell demimonde from San Francisco, St. Leuis and Chicago. In a word, it is the American paradise for licensed drinking, fighting, gambling, &c.

Walk with me into one licensed house on the principal street in Cheyenne at 3 o'clock in the morning. The house is a medley. It is a Parisian Varieties on Sixteenth street, John Morrissey's Saratoga gambling house, the Argyle rooms on Sixth avenue, and the Alhambra, with its waiter girls in London, all crowded into one. The building is perhaps 50 by 130 feet, and

on the ground floor is a theatre stage, room for three hundred cow boys, soldiers, ranchmen and waiter girls, and just out of it are the gambling tables and bars. At the tables every known game is played. Among the dealers are several French women dressed in silks and diamonds. Utterly devoid of delicacy they shuffle and deal the cards and handle the chips for the swearing drinking crowd which throng

around the tables. then another layer of dirt, then a carpet On the stage there is a constant variety of shows going on. Skillful variety actors are employed, and there the tight rope walkers, the song and dance women in mented with drawings and writings. In tights, the low necked ballad singer, the clog dancer, the nigger minstrel, the mod. el artist, and the female bathers, come out in a continuous stream from ten at night

till morning. On the first floor every drink is 25 cents, and about thirty English, French and American waiter girls keep the crowd constantly drinking. Above this motley crowd of cow boys, ranchmen, Black Hills freightbuildings are exactly the same in every ers, miners, and soldiers, is a row of private boxes filled with rich ranchmen, offiperienced cotton manufacturers, at acotton to the county issued a burial permit. factory there.
