In nothing is the above more illustrated than in the course many pursue in certain kinds of disease. In order to save a few cents they have what they call their own prescriptions, such as Balsam Copabia, Turpentine, &c., little knowing the baneful inflaence these drugs have on the constitution, the disgusting smell from the breath, and, with all these disadvantages, there is an saving of money, as the dose has to be renewed over and over again until at last the condition of the patient becomes alarming; then other means have to be resorted to. Read the words of a sufferer:

Desmond & Co., 915 Race Street, Philadelphia: I appeal to you, and if there is any earthly relief for ms I wish you would do something for me. About eight monthsago I got into trouble. I took capsules, went to doctors, and it has cost me one hundred dollars—first for this medicine, then for that—without any benefit. A few days ago a friend told me of the Samaritan's dift; he said it would certainly cure me. This is why I address you for advice. Let the above be a warning to others. When you get in trouble procure at once the Samaritan's Gift, and you will be all right in two or three days, for remember the bad effects that follow the use of these injurious drugs are often worse than the original trouble.
