Circulation LARGER than any other Paper in the Juniata Valley. WAR ABOUT TO BE DECLARED

sent out an even 400 duns, not one of them for less than \$4. The re-sponse was scarcely enough to pay the postage. What on earth are we the postage. What on earth are we to do? We can't buy paper, furnish labor, pay postage, rent, and the Lord only knows what all, without money. Must we shut up our establishment because we cannot get enough ready cash to keep it run-ning? There are hundreds who owe us a mere trifle of from two to ten dollars that would put us out of government and advantage to the artisan? ever may have been the cause of his escapade, it ten dollars that would put us out of all embarrassment if they would on-ly pay up. We appeal to you to do it. Do not pay all other debts and burning reproach that honest penury and it. Do not pay all other debts and leave your printing bill stand until land and no active effort made to solve the use here. the publishers are ruined by your dereliction. It pains us to write so f these extensions many series of these extensions and the terrible condition of Life Insurance, has put the poor who have work and who, therefore so these extensions and is and the terrible condition of Life Insurance, has put the poor who have work and who, therefore so these extensions and is and the terrible condition of Life Insurance, has put the poor who have work and who, therefore so these extensions and is and the terrible condition of Life Insurance, has put the poor who have work and who, therefore so the second solution of the poor who have work and who therefore solution of th

Elections were held in New York, Massachusetts, Connecticut, Pennsylvania, New Jersey, Illinois, Wisconsin, Kansas, Louisiana, Mississippi, and Maryland on Tuesday last. New York, Pennsylvania, New Jersey, Louisiana, Mississippi and Maryland on Tuesday last. New York, Pennsylvania, New Jersey, Louisiana, Mississippi and Maryland have gone Democratic. The legislature in New York remaining Republican on joint ballot which insures the re-election of Senator Conkling. Massachusetts, Connecticut, Wisconsin, Kansas and Illinois

necticut, Wisconsin, Kansas and Illinois figure in the Republican column. In this State the official vote will elect Hon. John Trunkey by 5,000 or 6,000 and the balance of the Democratic ticket by majorities ranging from 9,000 to 12,000.

*In this county the whole Republican, ticket is elected in majorities ranging from 7 to 377 as will be seen by table published elsewhere. Huntingdon county did nobly. It is the green spot of the Juniata Valley. We congratulate our friends upon their success. The election presented a strange anomaly in this county. For the first time in the history of parties a side issue reas a stone. We never expected to see the day when the laborer would have the back. Should we selfishly return to the slow and bone to do the like, but we have been dis- plodding round of the horse bark mill, business. All this without an organ or and the thousand inventions and discoverthe aid of men who know how to run the ies which have lightened the labor of the machine. Make way for the boys, they tiplied the comforts and conveniences of are coming !

tion are so universally prevalent? Are our statesmen destitute of the sagacity and wisdom requisite to devise some method,

to inaugurate some policy, which will at least palliate present sufferings and which will, eventually, preclude the possibility of their recurrence? Are not these evils mainly attributable to the selfish spirit of the age, which sordidly seeks its own it and the set set set set in the attres has been for some years \$1.50, and the system of seling the attres has been for some years \$1.50, and the system of seling the attres has been for some years \$1.50, and the system of seling the attre house put that

Could not government farms be opened under official supervision, from the products of which, thousands of destitute families, now compelled to remain in involuntary idleness, might, by honest toil, obtain the necessaries and comforts of life? Would it he mean this is now clear, his mind unclouded, and that he shall go on and this destiny. He gives no reason for his (Take 2 to the pression for his)

dereliction. It pains us to write so wickedly, but every other expedient has failed, and now to evade the declaration of war, PAY UP! THE ELECTIONS. Floatings were held in New York Mas-

THE STRIKES.

For once a strike has the appearance of a suc that such things as quiet domestic enjoy-ments and fireside sports are myths to the present generation ! True, there is some-thing mournfully pleasant in the memories connected with the manners and customs of fifty years ago, the good old fashioned days which have now vanished forever. When men were not crazed in their eager pursuit of wealth, and women were con-tent with innocent recreations; when the BUTTER ONCE MORE.

in the history of parties a state mather dounded to the disadvantage of the Dem ocracy. For the first time in our experience the laboring men took the bull squarely by the horns and spurned the advances of both the old political parties. Men, who have been pulled about and fought over for years, armed themselves with greenback tickets, and thrusting their former guard-ians aside, with ears deaf to every appeal, tickets, and thrusting their former game, ians aside, with ears deaf to every appeal, bolted straight to the polls and voted them. They were as deaf to persuasion and the und successfully solving the great political the straight to the polls and voted them. They were as deaf to persuasion and the und successfully solving the great political the straight to the polls and voted them. They were as deaf to persuasion and the und successfully solving the great political the straight to the polls and voted them. They were as deaf to persuasion and the the straight to the polls and voted them. They were as deaf to persuasion and the the straight to the polls and voted them. They were as deaf to persuasion and the the straight to the polls and voted them. They were as deaf to persuasion and the the straight to the persuasion to be persuas usual entreaties, to say nothing of bullying, problem, "How shall we accomplish the with a cation to be very particular in branding greatest good for the greatest number ?" his olemargarine, so that the word could be seen of PIANOS, men and women also. THE BEECHER PEOPLE. Henry Ward Beecher is lecturing on the unde bone to do the like, but we have been dis-appointed. The Workingmen have at last resolved that their demands must be heard and it is time far the old parties to take heed. From 11 votes for Cooper to 203 for Bentley, in Huntingdon borough, means Morton no More. toiling masses, and at the same time mul-

WHAT SHALL BE DONE FOR THE DESTITUTE?

Are there no sources of relief available for the frightful destitution and misery now so widely prevalent in our midst ?-The heart of the philanthropist grows sad as sick over the painful spectacle which confronts him on every hand. Day and night hundreds roam our streets, destitute of the commonest nècessities of life-scores of accomplished clerks, skilled mechanics. and capable laborers-in many instances. with families on the verge of starvation, anxious to obtain employment, fruitlessly seek even the most menial drudgery.

Were these unfortunates confined to the indolent and vicious classes of society, sympathy might probably be refused and charity withheld. But among them are enumerated hundreds whose present hap less condition is not unfrequently attribut able to the oppression or dishonesty of heartless employers, or to personal misfortunes which no sagacity on. their part of tenement houses, of deserted piers and nation. of every species of receptable which prom-ises temporary protection from the chilling blast. In sleep alone can they find even a transient oblivion of their misery and wretchedness, for when morning dawns, and their fitful and unrefreshing slumbers and their fitful and unrefreshing slumbers are rudely disturbed? they realize the frightful truth, that amid the abundant affixed means around them, though there is "Food, food, everywhere,"

for them "there is not a morsel to eat."-It is true that the prevalent poverty and suffering are largely referable to the consequences attendant upon indulgence in intoxicating drinks. But there are scores of moral, temperate and industrious members of society deprived of employment by the numercial reduction of employees in every department of skilled labor, conse quent upon mercantile failures and the general prostration of industrial pursuits.

We contend that in this country, with its enlightened and liberal institutions, no Female weakness. HUNT'S REMEDY cures its enlightened and liberal institutions, no remain weakless.
