LOCA

An afternoon prayer meeting has been in progress in the M. E. church, in this place, of M. Gobert, fils, to furnish site, money, &c., for a week or ten days past.

The Board of Pardons is in session at Harrisburg this week, and a large number of cases will come before it for its action.

The Slave Cabin Singers will delight our ary.-Lewistown Gazette. Huntingdon people on Friday evening, at the Opera House. Go and hear them.

We had the pleasure of intertwining digits, on Monday last, with our esteemed friend. Levi Clabaugh, esq., of Warriorsmark.

The coal cars from the west, that passed this place on Thanksgiving day, were shrouded with two or three inches of snow. Ugh !

Williamsport is to have a regular Chinese laundry, a Mr. Sam-Wah being the gentleman who is to preside over the establishment.

The positiest girl in Huntingdon has burnished her skates, and is now ready for this healthful exercise as soon as ice is formed.

The oil line, which was projected through neglected the letter until Sunday, when it was Huntingdon county, is not in a very healthy handed to a third party who neglected to state of activity. It sleepeth, if nothing worsehand it to Mr. Lininger until after the trains Ed. J. Frysinger, a son of the editor of the had all gone out on Monday morning. All Lewistown True Democrat, has become asso- this trouble and vexation for want of a three ciate editor and business manager of that cent stamp. A short time since the citizens of this place paper.

presented a petition to Councils, asking that M. L. Rex, esq., of Mapleton, assures us that business is good at that point. Mapleton when passing through our town. We sympawants glass works to work up her mountains thize with our nervous fellow-citizens, and of sand.

Are you coming to the Teachers' Institute? When in town don't fail to call at the JOURNAL be to ask the management of the railroad to J. H. Fisher..... Store and buy one of the elegant Union Gold Pens for sale there. fine morning and find the tracks removed A fellow by the name of Coulter perpetrated

some heavy shop-lifting at Henry & Co.'s store, on Saturday evening, but he was made to disgorge and hustled out.

The Sacrament of the Lord's Supper was administered in the M. E. church on Sunday foreneon last, which was preceded by a Lovefeast in the morning.

The pond, at the base of the hill, opposite creased if a different plan had been adopted this place, was the objective point with every raise a pair of skates.

shade trees and shrubbery. They have, it seems, stripped bare to fight the elements .-We'll bet on the former.

Every effort is being made to have the Huntingdon Normal School locate elsewhere, and yet the citizens of this place appear to be ut- that had enclosed money, and two women were terly indifferent to the matter.

lce gratified the small boy's heart, on Sunday last, and in the exuberance of his joy he ceused pinching his little sister and went out and tied a tin pan to the dog's tail.

There is a quarter of a million of United States bonds held in the borough of Huntingdon that pay no tax. Suppose these were taxed ther would be some chance for our poor people.

There is a double-shotted Gatling gun in this office to be fired point blank at the first pernicious as the opium habit." poet who brings in stanzas on beautiful snow, and the mazy tracks of skaters over the smooth Opinion, we have always been averse to dun-

The Carlisle Mirror says, "never before has there been such a universal abstaining from paying subscriptions, as the press has experienced the past year." Too true for comfort.

Donovan's Original Tennessee Slave Gabin | words of an exchange, we feel like saying, "if Singers, well-known to our Huntingdon people, there be any among you-one single patronare coming again. They will hold forth in that don't owe us anything, then to him we the Opera House, on Friday evening, the 7th say: Step aside; you are not the man. If the no shoddy auction trash. Good value for your inst.

A polar wave struck this latitude on Thurs- the man dies once. And yet there are occa the ground, with their guns intertwined among of about fifty or seventy-five employed persons sional asses who will invest in life insurance. their legs and feet, don't constitute a rest and many of them having a large family to The Huntingdon Journal invites proposals | what in thunder does ? from Lewistown and other towns, on behalf Clearfield's riflemen shoot without a "hench"

rest, and the Journal of that place intimates for the erection of plate glass works. We pretty strongly that our Amateurs would come have the sand, the best in the State, water off second best in a contest with them. We power second to none, and shipping facilities are not prepared to admit any such thing, and equal to any, all of which are primary considera if they are anxious for a tilt with our club tions, but with M. Gobert seem to be second "Barkis is willin'."

itentiary," the which he has accomplished.

Dr. Jackson, of our town, in company with A young man named George Townsend, was a couple of friends, spent Thanksgiving day arrested in Johnstown, on Saturday afternoon on Jack's mountain in search of deer. He relast, on the charge of having set fire to a ports deer plenty in the almost impenetrable stable, in that town, the previous evening .-thickets to be found on different parts of the He confessed his crime, saying that "he came countain, but his party failed to rout them to the conclusion that he was an outcast, and from their hiding places. the best thing he could do was to perpetrate
