TOYS AND GAMES OF ALL KINDS

The Muses' Bower.

The Girl With the Calico Dress.

A fig for your upper ten girls, With their velvets and satins and lace Their diamonds and rubies and pearls, And the milliner figure and face. They may shine at a party or ball,

Emblazoned with half they possess, But give me, in place of them all, The girl with the calico dress. She is as plump as a partridge, and fair

As a rose in its bloom; Her teeth with ivory compare, And her breath with the clover persume. will be round you about the day after to-Her step is as free and as light
As the fawn whom the hunters hard press morrow ?" And her eye is as soft and bright,horrified man. The girl with the calico dress.

She is cheerful, warm hearted and true And kind to her father and mother, She studies how much she can do, For her sweet little sister and brother If you want a companion for life, To comfort, enliven and bless, The girl with the calico dress.

The Story-Teller.

POISONED IN DESPAIR.

John Grimjohn was a bit of a wag in his way, and after fifty years' experience 153 55 gained behind the counter of a large refreshment saloon, he could pretty well tell turned to the bar, served a few customers, 150 82 what a man meant by his looks.

He was sitting very quietly one day, \$ 814 93 reading his daily paper, and trying to understand how it was that the Turks and the Russians were both getting the best of it, when a seedy looking individual en-

again, as he laid his hand upon the stem of the glass, staring hard the while at John | cass." as if he had expected the two-pence to be refunded.

should spend it in beer. I might in tobacco; but I think it would go in bread.' He did not speak, however, but sat down, 171 52 and took up his paper, and began reading again. There was no one in the place, so the stranger went on again. "My last two pence," he said, more

635 43 loudly. "When I have swallowed this beer, I shall be a beggar and an outcast." John, sententiously.

John quietly.

"Yes, to be sure," said the stranger; but light boot.

"Yes, to be sure," said the stranger; but the last glass—the last. The world has never given me a chance; the world has never given me a chance has bas never given me a chance; the world rejects—scorns—does not care for me. I will poison myself—mix a deadly drug with this last glass, and be free of the state and look at the rich man's house Jesus in support of the State system of schools. They would perpetuate the idea there convolved to poison himself any more. At least,"

be added after a pause, and his face world."

John re-turned his paper, gave it a puckered up with a jovial smile—"not punch in the middle, got it folded con-"I say," continued the stranger, loudly,
"I will poison myself where I stand, and fall here dead, as a warning to a brutal

and unfeeling world.' John went on spelling through his paper

without moving a muscle. "Here, then, is the end of my worthless self," said the stranger, very deliberately taking a small packet from an envelope, a packet that looked like the white powder that goes with the blue under the name of 156 00 seidlitz; and this he opened very deliber for the most part, it lay on the froth. John looked up, saw what he was doing and the state of affairs-how the white

powder emptied out of the paper refused 145 00 to mix with the beer. and handing one.

Theatre As he spoke, he took the spoon, stirred the liquor, and threw the little piece of homes of the earth, we would see how true to climb the hill of Calvary.

and went on reading.

"Farewell, cold world, farewell!" said temper that produces the discordant sounds that mar the music of home. It may be the stranger. "They may bury me where the mother's scolding tongue that drops they will. I might have been great; but now—ah, now, poor, neglected one!—they may be the son's harsh words and rude

may bury me in sunshine or in shadow, I violence that sends its angry clamor through care me not." He took up the glass, drained it to the tones of a willful daughter, who forgets last drop, and then, standing the glass what "an excellent thing in woman is a down, held on by the counter, and heaved low voice." tremendous sigh-one which sounded

like satisfaction at the goodness of the hitter beer. though he was spelling over the big words. The man uttered a roar, and moved tohis annoyance, he turned sharply round,

and came back.

"Villainous type of a cold and heartless world," he said, addressing John Grim to forsake their duties to parents by this \$335 63 and came back. john, "you have taken my last coin; and you sit there and let me poison myself, without stretching out a hand to savewithout saying a word."

"Have you taken poison?"
"I have—I have!" groaned the stranger.
"Have you really? Was that poison in the paper?" said John, coolly.
"Yes; I have just swallowed a fatal dose of arsenic-one of the most dangerous of

"Ah, I know what arsenic is," said John, coolly.

"Well, that was wasteful," said John, for one, and spent the balance on beer. "Enough for six-enough for six !" said in tragic tones.
"Good!" said John, opening a flap in
the counter. "Come in here."

him into the big closet.

He caught the stranger by the collar, drew him behind the counter, through the bar parlor, and into a kind of store be- is no lingering doubt in your mind. Avoid hind where there was a large cupboard. "No one saw you come in," said John, quietly, "and no one saw you take the idleness is the strength of bad habits. Do "Only you—only you," said the man, intly. "A doctor—a doctor!" faintly.

a chair; but John held him up, and thrust "Doctor, eh? Oh, yes my boy, you shall have a doctor—half a dozen of 'em. They'll not fulfilled his mission.

The boy who has dever sat down on a wisely and thoroughly, are the best books bumble-bee, or stepped on a rusty nail, has in the world. The same may be said of not fulfilled his mission.
