McNeil, who had no opponent, fired at fifteen balls and succeeded in breaking six of them. NOTICE How TO EXPLODE A LAMP.—The Scientific American gives some of the circum-stances which lead to the explosion of kero-sene lamps, the philosophy of all of them be ing that the flame may pass down the wick and ignite the vapor which accumulates in the upper portion of the lamp. This wapor is not Huntingdon, preached in the U. B. church, in A MAN this place, on Tuesday night. He is a fluent and that revolvers, pen knives, razors and other articles to the amount of fifty dollars were carried off. The Broad Top Hotel, in the same placekept by Mrs. M. J. Seibert, was also enter ed the same night through a window, and the TO CONSUMERS. speaker. OF A THOUSAND. Having discovered, in a manner which might be considered almost providential, a positive cure for Consumption and all Lung Complaints, I feel it my duty to make it known in a practical manner by furnishing a sample bottle free of charge, to all sufferers, my only hope of remuneration being that the medicine will perform all I claim for it. The ingredients are the choicest herbal products and perfectly safe; will be sent free to all. Address at tonce. Dr. 0. PHELPS BROWN, 21 Grand Street, Jersey City, N. J., or may be had of John Read & Sons, Huntingdon, Pa. [Apr 6 '77-1y A neat, bright new floor has been put down TOBACCO As there seems to be a mania in Huntingdon in Col. Bob Allen's shaving saloon, which adds materially to the appearance of that estab sanctify these afflictions, and may you be able to-day to look up through your tears and sor rows, to the Redeemer, and feel that He lives. explosive, as the term is ordinarily understood: but when it is confined so that the gases resul-ting from its combustion cannot escape freely in the open air, the vessel confining it will be shattered. The ignition of the vapor may be torought about as follows: 1. A lamp may be standing on a table or mantel, and a slight puff of air from the open window or door may cause an explosion. 2. A lamp may be taken we have a super state of the state As there seems to be a main in Hublingdon just now for purchasing good guns, and as many of their owners are novices in their use, we think a little advice on this subject will be entirely proper and opportune. Guns should always be carried at the half-coca, as then cash in the drawer with several boxes of segars, and other small articles taken. lishment. Remember that the JOURNAL Job Room turns REVENUE TAXES .- There are some sim John A. Copelin, a former Huntingdon typo: out the handsomest, most attractive and cheapest Sale Bills in the county. Send us ple provisions relating to the revenue taxes on liquors, tobacco, cigars, etc., which aome dealers neglect to post themselves in, thereby The great celebrity of our TIN TAG TOBAC-CO has caused many imitations thereof to be placed on the market, we therefore caution all Chewers against purchasing such imitations. All dealers buying or selling other plug tobao-co bearing a hard or metallio label, render them-selves liable to the penalty of the Law, and all persons violating our trade marks are punisha-ble by fine and imprisonment. SEE ACT OF CONGRESS, AUG. 14, 1876. The genuine LORILLARD TIN TAG on BACCO can be distinguished by a TIN TAG on match lump with the word LORILLARD stamped thereon. Over 7,088 tons tobacco sold in 1877, and nearly 3,000 persons employed in factories. Taxes paid Government in 1877 about \$3,500,-000, and during the past 12 years, over \$20,000,-000. but now employed on the Pittsburgh Mail, dropped in to see us on Monday morning last, neither a blow on the striker nor a pull at the trigger will bring the former into action. your order. tf. so greatly changed in appearance that we failed to recognize him until he made himself There is no necessity whatever for a gun to be otherwise than at the häif-cock, unless game is immediately in front; and, further, it dealers neglect to post themselves in, thereby laying themselves open to prosecution, and it will prove an item of interest to them, as well as to the general public to know something about the tax regulations. All persons selling spirituous or fermented liquors, tobacco, snuff or cigars must pay a special tax on or before May 1st of each year (or at the time of engag ing in business when they commence after Our old and life long friend, James M. Snowden, esq., of Petersburg has removed, or is about to remove, to Tyrone. We regret known. From a mere stripling he has grown window or door may cause an explosion. 2. A lamp may be taken up quickly from a table or mantel and instantly exploded. 3. A lamp is taken out into the entry, where there is a draft, or out of doors, an explosion tastirs, or is raised quickly to place it on the stairs, or is raised quickly to place it on the mantel, resulting in an explosion. In these cases the mischief is done by the air move-ment—either by suddenly checking the draft or forcing air down the chimney against the fame. Scropulous Approximate Scropul to be a large, robust man, and in place of the beardless youth of several years ago he sports may not be out of place to add, that it is dan-gerous, when shooting in company, for the gun this very much. HEALTH AND HAPPINESS. Mr. Speer, the gentlemanly and efficient elerk, at Barree Forges, has had forty years experience at those works. He ought to una moustache of huge proportions. He is de-lighted with the "Smoky City" and reports himself as prosperous. We wish him success. to be swung round in taking aim with the fin-ger on the trigger. The eye should follow the Health and Happine's are priceless Wealth to their possessors, and yet they are within the reach of every one who will use ger on the trigger. The eye should follow the line of flight, and the gun be raised at the proper moment. Accidents from guns burst ing are rare, but caution is very necessary in getting over fences to see that no earth gets lodged in the muzzle, or in winter time that the latter does not get blocked up by snow dripping from bushes or otherwise. These ob-stacles, although they may be easily removed, are quite sufficient, if they remain, to burst the strongest barrels when the piece is fired. This is caused by the wonderful velocity of ing in business when they commence after May 1st), and the collector must furnish the necessary stamp denoting that the tax has been At a meeting of the School Board held on Monday night last, a resolution was passed declaratory of the purpose of the Board to erect a school building this season, and a derstand them. WRIGHT'S LIVER PILLS. According to a decision of Attorney General The only sure CURE for Torpid Liver, Dyspep-sia, Headashe, Sour Stomach, Const'pation, De-bility, Nausea, and all Billious complaints and Blood disorders. None genuine unless signed "Wm. Wright, Phila." If your druggist will not supply send 25 cents for one box to Barrick, Rol-ler & Co., 70 N. 4th St., Phila.
