ORGANIZE Republican clubs everywhere HAVE the Greenbackers inquired into

the labor record of some of their would-be leaders? Of course it is a hard one-hardworking, we mean. If they were not exposing it so much themselves, we would do it for them.

ANDREW H. DILL, the Democratic candidate for Governor, when a youth, resided two years in this town, in the house now occupied by H. Greenberg's clothing store; but this is no reason why the Republicans should give him any "complimentary votes."

SHARP competition is the order of the day, among the first class hotels in New York. With one or two exceptions, they are trying to keep their old trade while adhering to their previous high rates. The Grand Central has reaped much benefit from this by quietly "cutting" the rates from one to two dollars per day.

DILL, Fertig, Ross and Africa. These four were young men when the rebellion was commenced by the firing upon Fort Sumter-the youngest 23 and the oldest 29-but not one of them volunteered to prevent the destruction of his country .-Had there not been such men in the land as General Hoyt and Captain Dunkel we would be in a sorry plight to day.

DEMOCRATIC solicitude concerning the veracity of Col. Quay, and the indelicacy of his appointment as chairman of the Republican State Central Committee, is very charming, particularly in view of the fact a salary grabber, who bears upon his forehead the mark of condemnation placed there by the Democratic Covention.
