The law passed last winter, relating to tealing passage on railroad cars, is an imposition on the taxpavers of the State. The law compels the fining and imprisoning of every person convicted of the offense, and the result is that every county in which the of-fense is committed will be saddled with jail fees and other costs, for in ninety-nine cases out of every hundred the guilty parties are penniless tramps, who are unable to pay, and who don't care a continental how often they are arrested. The law is an outrage.

Our townsman, Mr. Jackson Lamberson whose occupation is that of a carpenter and ridge contractor, while working on the Mill Creek river bridge, on Thursday last, fell off the structure, a distance of twenty odd feet, dislocating his right hip, breaking his shoulder bone, cutting two or three ugly gashes on his ead, beside being bruised over his entire body. His wounds are severe, and although not dangerous, will prevent him from pursuing

his calling for months to come. We sympa thize with our friend in his misfortune. The Soldiers' Orphan School at Anderson ourg will be closed on the 30th of August next, and the children transferred to other schools. The school will be closed at the request of Prof. Hall, who says that the be overrun by tramps on Friday night, and some of them were the most ill-looking specimens of the genus homo that we have seen for dians can select the school they prefer their children to go to if done within two weeks from this date, but if they fail to do so the pupils will be transferred by the Department such schools as it may select.

We acknowledge the receipt of an invitation accompanied by the necessary "paste-boards," to join the excursion of the Pennsylvania, Ohio and West Virginia Press Association to when trade is dull, to try the virtue of a the Mammoth Cave, Kentucky. It is expected that the excursionists will leave Pittsburgh that the excursionists will leave Pittsburgh on Tuesday, August 20th, and consume about a week in making the trip. it does for Huntingdon.

Fashion is always changing the size and shape of note-paper and envelopes, but the quality never alters. Nothing looks poorer or more untidy than thin paper, and envelopes that do not conceal the writing. No letters should ever be crossed, even among relatives or intimate friends. Some literary people affect carelessness in writing, thinking it rather Byronic to do so, but if they realized the effect produced by a slovenly letter upon the mind of the recipient, they would never repeat the offence. In no way is one's culture sooner judged of than by his manner of writing a note or a letter. The very latest styles and best quality of all kinds of Stationery can always be had at the Journal Store.

Three tramps were brought to this place, on the 4:15 train on Sunday afternoon, and beldged in juil elagged with the contact of the size and ways and the size and chutes along the Susquehanna and Juniata are sufficient to prevent the upward passage of these fish, and that the only recouse now is to make the fishways at these different points entirely successful by the erection of gates at the Columbia and other dams, which may be opened and shut to accommodate the run of shad, and secure in low water all the feeding necessary to run the canals. It is idle longer to parley on this subject. Thousands of dollars have been wasted in efforts to secure the passage of fish by "ways" and "chutes," so that what we need and must have are openings in the several dams, which meither can be "shing above the Columbia dam, but the obstructions at the different dams and chutes along the Susquehanna and chutes al

A WEDDING NIPPED IN THE BUD .-A WEDDING NIPPED IN THE BUD.—
A prospective wedding, which was to have come off, in this place, on Friday last, was suddenly nipped in the bud by the intended bridegroom skipping for parts unknown. The wardrobe of the bridegroom being rather shabby, and he not having the wherewith to purchase a new one, his intended took pity on him prochased. The valuable sorrel mare of our neighbor, Geo. A. Port, esq., had one of her front legs severely cut, on Thursday night last, by getting it entangled in her halter chain. The wound, which is several inches in length, and so deep that the bone is exposed, is on the inside of the leg close to her body, and the supposition is that it was made by the snap clasp on the end of the chain. The muscles and leaders of the leg were all exposed and presented an ugly sight. The cut was cares fully washed and sewed, and we think, with proper care, will heal in due time, but we have our fears that the leg will be permanently

THE KILKENNY CAT FIGHT ECLIPSED SAD BLOOD EXHIBITED IN THE GREENBACK CAMP .- For a week past it was evident to the an usual transpiring in the Greenback camp Little knots of the followers of Brick Pomeroy could be seen upon the street corners, engaged in earnest conversation, from early morn ng until twelve and one o'clock at night. One the more ardent supporters of that cause, during the past week has talked so much that he has lost ten or fifteen pounds in weight, and has become such a terror to persons who love quiet and who do not feel like being talked to death, that when they see him approaching they flee as from a pestilence. The cause of all this extra talking and undue excitement was caused by the delegate elections The legal season for catching trout has expired.

Bass taken on the fly. You cau get them at the Journal Store.

A fishing party, for the headwaters of the Raystown Branch, is talked of, where a week or ten days will be spent in camp.

Citement was caused by the delegate elections on Saturday night, and grew out of the efforts of "sbirt-tail Speer" to run the primaries of that party. At the second ward polls the excitement ran high, and for a little while it looked as if some of the participants would resort to regular "knock-down" argument to sustain their position. The lie was freely given by both factions, and at one time we with closed doors, and adopted, after being so far were sure that the services of a police officer would be necessary to restore quiet. Several persons, who have been acting with that party and voting with it, but who had not signed the constitution of the club, when they presented themselves to vote were flatly refused, and no amount of promises to vote the ticket this fall would enable them to get in their ballots. This decision caused more trouble, and locked entitle themselved entitle them ooked as if it had been a nice little "set up" by those in the "ring." We heard a dozen or more persons who were not permitted to vote say that the party could go to that country about the existence of which Beecher has some unting bait, and the loss of time in keeping grave doubts. In the First Ward, we understand, about the same state of affairs existed, only that both Republicans and Democrats were permitted to vote. They are a "happy family," and to an old stager in politics their conduct on Saturday night was really laughable. As we do not know the leaders of the

ried off the blue ribbon.

norning of last week the citizens of Titusville Pa., were greatly excited and justly indignant, when it became known to them that the residence of Rev. W. J. Chichester had been entered by human devils and its contents outrageously despoiled. Mr. Chichester, for a number of years, occupied the pulpit of the First Presbyterian church in Altoona, and having often, during that time, preached in the Presbyterian church, in this place, and is well known to many of our citizens. He resigned his charge in Altoona, and accepted a call from Titusville, whither he recently removed. At the time the outrage was perpetrated he was absent at Cape May. The trunks and drawers had been emptied and the contents scattered over the floor; the furni-ture was saturated with kerosene oil and besmeared with salt, sugar, and jelly; the bed-ding was ripped and cut open with knives, and the feathers spread broadcast; ink was poured over the carpets, lounges and chairs; the lamps were broken into fragments; a card case and other metallic ornaments, including Rarus, the monarch of the trotting turf, at Cleveland, on Friday last, made the fastest three mile trot in the world, beating Goldsmith's Maid's time with apparent ease. The following is the time of the several heats:

First heat, 2:14½; second, 2:15; third, 2:14

hurled into the cellar; valuable photographs and pictures were torn to pieces and strewn about; the sewing machine was mutilated, and a family relic in the shape of a silver watch was taken to pieces, the works thrown on a table and the case left on the floor. The walls were defiled by filty and obscene in Seription. by the leaving of a stop-cock turned on. The most extraordinary feature of the outrage is its pure deviltry, inasmuch as nothing was removed or purloined from the dwelling to indicate a felonious attempt to rob or steal. We glean the above facts from the Altoona

HOT AND COLD SUMMERS .- Somebody has been hunting up the hot days during the past century, and reports them as follows: July 2, 1777, 102; August 8, 1780, 105; July 5, 1791, 111: July 10, 1804, 105; July 20, 1815, 105; July 4, 1824, 108; August 2, 1836, 108; July 26, 1847, 105; July 5, 1855, 106; July 10, 1866, 104; July 17, 1871, 104; July 5, 1876, 105; July 26, 1877, 95 degrees in the shade. Tuesday the thermometer stood at 98 in the shade. It will be seen that on July 5, 1791, occurred the hottest day for a century, when the mercury marked 111 degrees by the

shade at noon. In 1816 there was frost every month during the year, and farmers were overcoats in their Mr. Boring was nominated by acclamation harvest fields, and the weather was decidedly cool during the entire year. The wheat crop Ruown as the cold summer. The summer of 1836 was nearly as cold as that of 1816. There were frosts every month in the year; there were 178 days of east wind and rain, and the only summer weather occurred on the first S. G. Isett, Marklesburg. 77 of S. G. Isett, Marklesburg. 77 12 fourteen days of September, when the mercury in the thermometer ranged up to 93 degrees.

A LEETLE TOO MODEST .- A lady on the northside wishing to test the merits of Dr.
Bull's Cough Syrup thought it would never do
to ask the druggist in the name of "Bull,"
Why, dear me, she couldn't say Bull to save her life, and called at last on a neighbor woman for suggestions on the matter. Dr. Cow's, Dr. Calf's Dr. Buffalo's and Dr. Oxen's Syrup were all mentioned. The latter suited.
"Yes, that will do—Dr. Oxen—the very thing, the druggist will understand that." A walk of two squares found her at the counter of Dr. H—'s store, when the following dialogue Eli Plummer, of Tod and John Logan, of Barree,

"I wish a bottle of Dr. Oxen's Cough Syrup. "Dr. Oxen, Oxen, why, mam, I don't believe I keep that. You mean Cox's Hive Syrup." "Oh, no, I mean, mean Dr. Oxen," and then

ators a thorough test. In my judgment they are the most excellent things ever invented to pro-luce speed and comfort for horses. The Accelerators remove the permanent strain of checks and bits for the mouth and head of the horse by imparting the proper elasticity, which the horse feels immediately, and improves at once in style and speed. Owners of horses, whether trotters, roadsters, coach or business horses, should use them." Yours

truly, PATRICK DAILY, City Marshal. Send for FIRE. - On Monday afternoon, about 4 o'clock, a dwelling house about a mile and a half from this place, in Warriorsmark township, Huntingdon county, owned by Mr. C. M. Trimble, dairyman, and occupied by Mr. John A. Fleck, was discovered to be on fire on the fire caught from sparks from the chimney.—
Tyrone Democrat, 26th ult.

CHURCH DEDICATION .- Dr. F. W. Conrad, of Philadelphia, the most celebrated Church Dedicator of the age, will be present and conduct the dedicatory services of the St. James Ev. Lutheran Church of Huntinglength, should not be a prolific shad fishing ground. It can be made all this without in the least impairing the interests of navigation, ters, from abroad, are expected to be present and assist. The public are cordially invited to attend, especially those who feel disposed to assist us in this good begun work. "Come let us go up to the house of the Lord, for the

Lord loveth a cheerful giver." By special request of the church council, ISAAC R. HATFIELD, aug2-2t] Secretary.

TIME FLIES and so do diseases of the week, at the advanced age of eighty one years.

"Dull times, yea, almost starving times, in the oil fields now," says the Clarion Republican, and in truth of the assertion the same paper and in truth of the assertion the same paper and in truth of the assertion the same paper sales.

One evening last week, in the vicinity of Tipton, Blair county, a young man named John Evans, was attacked by six tramps, who beat Fivens, was attacked by six tramps, was offered for many the paper with the first offered for many the paper with the paper you some that the dark of the paper with the paper you some that the many of the complexion, and to the department of the conting and the position he extricated himself with great of the college and beautifier of the complexion, and all throat and the position he extricated himself with great difficulty. were nominated by acclamation.

Charles Eck of Huntingdon, was chosen by acclamation, as Chairman of the County Committee.

The committee on Resolutions reported the following which were adopted: when a bright idea seemed to beam forth.

"Hasn't Dr. Oxen got a relation or—"

"Oh, yes, you mean Dr. Bull's Cough Syrup, yes, yes." The lady sat down a moment and all was ove. (Indianapolis Exch.)

WHAT THE MARSHL OF NEW YOYK SAYS.—The following indorsement will be of interest to many who have not yet tested Benton's Speed Accelerators, which have been reduced to \$3 per pair, or \$5 for two pairs:

"Wilbur C. Benton, Esq., Brownston, Indiana—Dear Sir: I have given your Speed Accelerators at thorough test. In my judgment they are the most excellent things are in the same and applications reported the following which were adopted:

"Mharcas, We, the representatives of the National Green back Labor Party of Huntingdon county, meeting in convention July 30, 1878, do hereby resolve, Ist. That we deconce any and all platforms that do not declare that the Government shall create an absolute paper money, legal tender for all debts, public and private, and that the Government protect and receive the same as absolute money at par with gold.

2d. That the General Government alone issue money that is for the benefit of all and not through or for the enrichment of National Bank acts.

3d. That we demand the immediate repeal of the Resulting in of all U. S. Bonds out and that we pay them in the same Legal Tender absolute, were to be converted into bonds of any rate or class whatever.

5th. That we design any sympathy with the paper and applied to the following in the same Legal Tender absolute, were to be converted into bonds of any rate or class whatever.

5th. That we design any sympathy with the paper and applied the following in the same Legal Tender absolute, were to be converted into bonds of any rate or class whatever.

5th. That we design and the following in the paper and the following in the paper and the following in the same Legal Tender absolute, were to be converted into bonds of any rate or class whatever. absolute, never to be controlled to the class whatever.

5th. That we disclaim any sympathy with communism and agrarianism, and condemn all lawlessness and violence by any and all classes.

6th. That the Greenback and Labor elements are identical.

ical.

7th. That the exemption act should be made impossible. and unlawful to be assigned or nullified by the husband, or father of a family.

Sth. That it should be made a felony, punishable by law, for any legislator to violate any of the principles upon which he accepts his office.

9th. That we are opposed to all official and governmental extravagance, in both State and National affairs, and especially the enormous salaries of the officials, who should be paid according to the labor performed.

10th. That all property of whatever kind sheuld be equally taxed, including Government bonds.

11th. That we emphatically demand and insist on economy in the administration of public affairs, and are opposed to all manner of political corruption.

Adjourned sine die.

A CERTAIN HEADACHE CURE.-If you suffer from sick or nervous headache, morning sickroof. Strenuous efforts were made at once to stop its progress, but the shingles being very dry the fire spread rapidly and soon was beyond control. The house was burned to the ground, along with a portion of Mr. Fleck's gle powder actually cares the most distress. household goods. The loss of Mr. Trimble is sing cases in ten minutes. It is purely vege-stable, entirely harmless, a physician's discovance, and that of Mr. Fleck about \$250. The ery and we guarantee it to do all we claim. You can get the 50 cent packs or the 10 cent trial size at J. H. Black & Co. in Huntingdon, and at all other first-class druggists every

where. Convince yourself. INDIGESTION .- The main cause of ner vousness is indigestion, and that is caused by weakness of the stomach. No one can have ound nerves and good health without using Hop Bitters to strengthen the stomach, purify the blood, and to keep the liver and kidneys active, to carry off all the poisonous and waste matter of the system.
