As a preventative is cheaper and better than a cure, we would advise those who build a poultry house to give it a good whitewashing, inside and out, before the fowls are let inside. To make the whitewash still more distasteful to the vermin which have such a taste for poultry, mix a small quantity of carbolic acid with the wash, stir it well till it dissolves, and then apply. It is not injurious to the fowls, but is to vermin, and at the same time is a deodorizer and the weakness of those about him. disinfectant .- Indiana Farmer.

VEGETINE.

PURIFIES THE BLOOD AND GIVES

Du Quoin, ILL , Jan. 21, 1878.

Du Quoin, Ill., Jan. 21, 1878.

Mr. H. R. Stevens:

Dear Sir—Your "Vegetine" has been doing wonders for me. Have been having the Chills and Ferer, contracted in the swamps of the South, nothing giving me relief until I began the use of your Vegetine, it giving me immediate relief, toning up my system purifying my blood, giving strength; whereas all other medicines weakened me, and filled my system with poison; and I am satisfied that if ramilies that live in the ague districts of the South and West would take Vegetine two or three times a week, they would not be troubled with the "Chills" or the malignant Feers that prevail at certain times of the year, save doctors' bills, and live to a good old age.

Respectfully yours,

Agent Henderson's Looms, St. Louis, Mo.

All Diseases of the Blood. If Vegetine will relieve pain, cleanse, purify, and cure such diseases, restoring the patient to perfect health, after trying different physicians, many remedies, suffering for years, is it not conclusive proof, if you are a sufferer, you can be cured? Why is this medicine performing such great cures? It works in the blood; and no medicine that does not act directly upon it, to purify and renovate, has any just claim upon public attention.

Remove the cause by taking Vegetine, the most reliable remedy for cleansing and purifying the blood.

If of Stiarfer's New Store.

The subscriber would respectfully inform his old friends and customers, that he has just received from the East a large and well selected stook of Boots and Shoes, for men, women and children, which he is prepared to sell a trifle lower than any other establishment in town. Being a practical shoemaker, and having had considerable experience, he flatters himself that his stock cannot be surpassed in the county.

Give him a call, at the CHEAP BOOT AND STATES.
