REPUBLICANS, organize! Get up clubs in every district in the county. Speer and North, who are running the Democratic-Greenback party are leaving nothing undone to secure this county for the mongrel ticket.

IF DILL was "a baby," as the Democrats claim that he was, when he was a member your seal of condemnation upon such ras of the Know-Nothing party, what excuse will they manufacture for J. PETER HERDIC is a candidate for the Greenback nomination for Congress in the Lycoming district, and he is a candidate for the penitentiary in Lancaster county for defrauding the Columbia National Bank out of a large sum of money. He is more likely to be successful in Lancaster than in Lycoming.

THE public debt statement for September shows a decrease in debt for the month of \$3,196,534 and the following balances in the treasury: Currency, \$1,972,563; special fund for the redemption of fractional currency, \$10,000,000, special deposits of legal tenders for the redemption of certificates of deposit, \$40,610,000; coin, \$232.659.649; including coin certificates, \$34,670,670; outstanding legal tenders, \$346,681,016.

MR. CALVIN declared in his speech in this town: "I would not tell a lie." He then went on to say: "In 1865 we had nineteen hundred millions of circulating medium." The report of the U.S. Treasury of June 30, 1865 shows that the total amount of outstanding currency at that date was \$983,318,685.76. Calvin can hit it was \$983,318, within ten hundred millions. Hon. H. G. Fisher, as we announced some time ago he would do, opened his campaign at Wells' Tannery, in Fulton county, on the 18th ult. A correspondent of the Fulton Republican, who was present, writes that paper as follows:

The Republicans and quite a number of Dem-perats of this township, met to hear Hon. H. G. Fisher, our candidate for Congress, discuss the issues of the campaign. The meeting was organized by electing Hon. S. P. Wishart, chairman and A. S. Edwards, esq., Secretary. On taking the chair Mr. Wishart made some very appropriate remarks after which Mr. Fisher was introduced and entertained the audience for an hour and a half. He handled the finencial question in an able manner showing financial question in an able manner, showing clearly that the Democratic theory of solving the money question will undoubtedly bring our country into a financial crisis heretofore unsur country into annancial crisis nerectoror unknown in its history. On account of the courteous language used by Mr. Fisher, at the close of his speech, a Democrat who is a good critic, proposed a vote of thanks to Mr. Fisher for the able manner in which he discussed the

MR. CALVIN'S ADMISSIONS.

In the speech of Mr. Calvin made in war measure, the Democrats voted against this town recently, there were some rethem in Congress, denounced them in their markable admissions that effectually refuted press, and declared them unconstitutional all he had to say. His speech was mainly in their conventions. After the war was devoted to a denunciation of the National over the Democratic Judges of the Su.
