TO THE (REPUBLICANS OF) HUNTINGDON COUNTY.

A political campaign of unprecedented activity in our State and county is about to close. The Democratic party, by causing dissensions in our ranks, has succeeded in compelling the Republican party to support the Democratic ticket...

Our nominating convention August 6th, last, honestly endorsed the whole ticket of the district which represented the county at large, placed in nomination a full ticket, composed of men of high standing, and distinguished integrity, eminently fit for their respective offices, and deserving the suffrages of honest freemen...

The charges of the Monitor and the Nationalist are simply the arguments of an enemy, and should be considered only by those who are in doubt as to the propriety of supporting the ticket...

The convention having been composed of upright men, honest Republicans and Christian gentlemen, these charges are alike insults to them and humanity.

Your duty now is to carry forward the cause, by having every Republican vote polled for the full ticket, and thus discharge your whole duty. Support every candidate alike as you are all alike in the eyes of the law...

Do all that can honestly and honorably be done in this contest, and our labor will be rewarded by the entrance of our State into the ranks of good citizens.

J. G. ISENBERG, Chairman Republican Committee.

TO THE REPUBLICANS OF HUNTINGDON COUNTY.

Repuses of mine are busy now circulating round the county, and the whole county reacts by causing dissensions in the party, one of which is that W. H. Woods, esq., is trading one off for Williamson's ticket...

Do not consider it any man for me. A corruption fund is being used in this county, furnished by Mr. Stenger, to defame the Republicans who is working against me, meriting strong suspicions of being a party to the fraud.

I desire it to be positively understood by all parties that I am not for the whole ticket, but permit any trading or cutting for any special candidate, if in my power to prevent it.

FELLOW REPUBLICANS:—The Democrats have just been discovered in trading off the whole ticket. The above statements of Mr. G. Fisher and W. H. Woods, esq., show that the whole thing is the fabrication of a man who has no political opinions. I have in my possession the written pledges of a great majority of the party...

Stand firm, fellow-Republicans. Don't allow anything to influence you to strike a single candidate on the ticket.

Be assured that any Republican who suddenly changes his position, is influenced by personal malice or is purchased for a price. The Chairman of the Greenback County Committee is now traveling in the interest of the Democratic candidate for Governor, and for the candidates for Congress. Any Republican who asks you to support the Democratic or Greenback ticket, or who tells you to vote for any man, is working for the Democrats.

Look upon all such with suspicion and work the harder for the whole ticket. We must overcome these frauds by our majority on our ticket.

J. G. ISENBERG, Chairman Republican County Committee.

ORON 1. I imagine that it sees "no occasion tracks" in the lower end of the county, and it lets go of its heavy discharge...

SOME PLAIN TALK.

Before we will again have reached our readers the battle will have been fought which will determine the future of this State, and of the whole country.

It is yours. Have your leaders swerved from the direct line of policy laid down for the government of the party?

Now, things are in a bad way, but it is not yet too late to take the backward step, but not a moment must be lost, nor an inch more of ground given to the enemy.

Now, this is well known to every man who has a hand in the hands of the men who have laded you down with debt, peopled your church-yards, and shot down a dear one from every household in the nation?

It is what you have almost done. To this damnable consummation you have long been contributing. For months past you have been saying our dead have died in vain.

What has been the policy that has laded you? The policy of conciliation? How has it worked?

The man who is not an ex-Confederate stands a poor chance for political honors in this country.

IMPORTANT TO LABORING MEN.

At a time like the present, when every department of industry is paralyzed, when thousands are seeking employment, and when want and starvation are staring us in the face.
