E. F. Kunkel's Bitter Wine of Iron. This truly valuable tonic has been so thoroughly tested by all classes of the com-munity that it is now deemed indispensable as a Tonic medicine. It costs but little, purifies the blood and gives tone to the stom ach, renovates the system and prolongs life.

Everybody should have it. For the cure of Weak Stomachs, General Debility, Indigestion, Diseases of the Stomach, and for all cases requiring a tonic. This wine includes the most agreeable and efficient Salt of Iron we possess—Citrate of Magnetic Oxide combined with the most ener getic of vegetable tonics—Yellow Peruvian Bark.

Do you want something to strengthen you? Do you want a good appetite?
Do you want to get rid of nervousness? Do you want energy?
Do you want to sleep well?

Do you want to build up your constitution? Do you want to feel well?
Do you want a brisk and vigorous feeling? If you do try KUNKEL'S BITTER WINE

I only ask a trial of this valuable tonic! Beware of counterfeits, as Kunkel's Bitter Wine of Iron is the only sure and effectual remedy in the known world for the permanent cure of Dyspepsia and Debility, and as there are a number of imitations offered to the public, I would caution the community to purchase none but the genuine article, manufactory of the assigned estate.

# TO SHOP BY MAIL OR EXPRESS.

The increased tendency of persons residing at a distance from the great business centres to do their shopping by mail, has induced us to organize a Special Department for this branch of our trade; and having secured the services of a man of large experience in this business, and familiar by travel with the wants of the different localities of the United States, he, with his assistants, both male and female, will in the future promptly and fully respond to any orders or requests for Samples, prices, or information that we may be favored with.

The inducements we offer to those at a distance are: AN IMMENSE STOCK, amounting to about \$400,000, all bought for ready cash in the markets of not only this country but those

A CONSTANT WATCHFULNESS of the fluctuation in prices, and always adapting the stock to these changes.
