D. J. SPLANE, Pres. J. L. THOMPSON, Sec'y. The property of this Company consists of twelve mines and mining locations, located in Lake county, Colorado, in the vicinity of Leadville, upon all of which extensive work has been done, in all cases exhibiting true fissure veins, good pay streak, and well defined lodes.

Three of the leading mines are well opened up and have at the lowest computation over TEN THOUSAND TONS OF ORE IN SIGHT; by May 1st, the Railroad now under construction will be within a short distance of this

property.
The Company proposes to sell a portion of its stock at \$1.50 per share, for the purpose of more completely developing its mines, and for the erection of works for the treatment of its ores.

Application for the stock may be made to the office of the Company, 61 Broadway, New York. the Company, 61 Broadway, New York,

N. B.—The Mining Record, of New York, the highest
mining authority in this country, says. Feb. 1st, 1879:—
"The principal owners in this Company are hard working
men who by their own labor have uncovered large bodies
of ore which they now wish to extract and send to market.
Our readers will do well to make a venture with these
worthy men, this money will probably be returned to
them twenty fold. The business management has been
placed in the care of Mr. J. L. Thompson, an officer of high
