Charles F. Freeman, of Pocasset, Mass., a Second Adventist, Claims to Have Re ceived a "Wonderful Revelation" Com manding Him to Sacrifice His 5 year old Daughter—The Little One Transfix ed to a Table—"Religious Excite ment's" Work

Boston, May 2 .- Charles F. Freeman of Pocasset. Mass; yesterday killed his 5 year old daughter. The man is a Sec ond Adventist, and has been attending revival meetings. About a week ago he claimed to have received a wonderful revelation, and has not eaten or slept since. He says the Lord directed him to sacrifice his little daughter, and declares she will rise again in three days. Yesterday morning he sent word to the neighbors that

child had been killed. The little one was transfixed with a knife and her blood poured out upon a table improvised as an altar. Freeman has driven every one from the house, and locked and barred the doors and windows, and having firearms threatens death to any one who interferes. Alone with the dead child he goes through horrible incantations, in which, he says, "three days will result in the resurrection of my beloved child."

Freeman is about 35 years old and lives with his wife and family on his farm in Pocasset. He has lived in Pocasset about seven years and is in moderate circum stances. He is insane only on this one subject. It is said that at the meeting of the Second Adventists held at Freeman's house the same afternoon, they appeared to wish the affair kept quiet. Freeman carried the mail as usual and showed no signs of insanity. The cause of the terrible deed appears to be religious excite ment alone. Freeman is now at his residence in charge of Officer Redding and Dr. J. C. Wood, of Pocasset. He inform ed a reporter to day that he was told by God to offer Edith D., his young and beautiful daughter, as a sacrifice to Him, and that he did so, as God would not stay His hand. He had to do His command and He would justify him in his act.

A UDITOR'S NOTICE against it. The difference between this and the vote by which the Legislative bill passed the House on Saturday last—140 to 119—may fairly be said to be due to the influence wielded by Senators Blaine and Conkling, in their admirable presentation of Republican views, and to the excellent veto message of President Hayes. All that is left for a Democratic Congress to do is to pass the appropriation bills without riders of any kind. It may be that "supply" bills will be passed, by May9,1879.
