A brother of Wm. Keith, one of the vic The Huntingdon Journal. FRIDAY, .... AUGUST 1, 1879. READING MATTER ON EVERY PAGE. nfortunate brother. W. L. FOULK, Agent of the Pennsylvania, Ohio and West Virginia Press Association, Is the only person in Pittsburgh authorized to receive advertisements for the JOURNAL. He has our best rates. LOCAL AND PERSONAL. A Blair county man, whose horse died near Hollidaysburg, a few days ago, in order to avoid the trouble and expense of burial con-cluded to cremate the body. For this purpose he procured a gallon of coal oil, poured it over the body, applied the match, and in just one hour, according to the Tribune correspon-Brief Mention---Home-made and Stolen. New moon. The corn is on its ear. Green corn in market. lent, there was nothing left of the animal but Cole's aggregation is well billed. Tramps steal children down east. The scholars and teachers of the Stone There are fifty-one iron establishments in Creek Sabbath School, with invited guests, to he number of two hundred strong, took the Berks county The electric light makes the darkest night Broad Top train, on Tuesday morning, for Pleasant Grove, where they spent the day very as light as the mid-day sun. leasantly. The excursion was under the nanagement of our friends Bob Allen and The new school building is under roof, and the plasterers have commenced work. Wm. Hower, who take pleasure in ministering ome one says that warts can be removed to the comforts and pleasures of the little ones by daily lightly touching them with muriation The last legislature passed a bill, which received the signature of the Governor, and is now a law, providing that the compensation of Auditors appointed by the court to audit Daniel Kinch, of Warriorsmark, represents our county on the Republican State Central the accounts of administrators, executors, etc., shall not exceed \$5 in cases where an estate In comparison to the electric light, 30,000 gas jets are but feeble, flickering and wncertain rays. It is more than probable that the prettiest girl in Huntingdon will visit Cole's big show on Wednesday. A son of Henry Garner, of Juniata town-ship, aged about thirteen years, was bitten on the instep of one of his feet by a copperhead on Saturday forenoon last. The proper reme-dies were promptly applied, and we under-The borough duplicate is in the hands of collector Carothers, and he is seen bobbin' hither and thither. Elder James Quinter, of the Brethren church, occupied the pulpit of the Presbyterian church, stand the victim is getting along finely. Just here it would be well enough to add that peron Sunday morning. The "small boy" is looking about for the unt of usufruct to gain his admission to the show.

The persons who are always the first to apply to the Relief Committee for aid will all go to the show next week.

Arthur Reese, a farmer in Clearfield county tired of life on account of family troubles hung himself in his barn a few days ago.

The Harrisburg *Telegraph* says that the plastered hair on the foreheads of the loud young girls is called the "pot hook" style.

Curtis G. Carr, administrator of Reuben Smith, dec'd., offers a house and half lot of ground, in West Huntingdon, at private sale.

If you have been drinking too much, which however you should never do, a dose of Dr. Bull's Baltimore Pills place you in good condition again.

The great electric light in Cole's circus will be in full operation during the afternoon performance and its wonderful apparatus fully explained.

We suggest that some one in this place organize a society for the prevention of cruelty to pianos and organs; sewing machines don't need to be included.

Over in Centre county, the other day, a tramp fell off a cherry tree and broke one leg and one wrist. Everybody should plant cherry trees near the public highway.

Gerald M'Kiernan, a Bedford county man, who for the past four years has been hunting elephants and ostriches in the wilds of Africa, arrived at home a few days ago.

During the rain fall on Friday afternoon Fifth street, from the base of the hill to the railroad, presented the appearance of a foaming river navigable to light craft.

The juvenile department of the M. E. Sabbath School, under the management of Super-intendent John Major, esq., picuicked in M'-Caban's Grove on Wednesday.

Dr. M. R. Evans, of Donation, dropped in to see us on Saturday, and renewed his subscription to "the handsomest and best paper in the county." May his tribe increase.

the accident last week, arrived in town o londay, having walked the entire distance rom Lock Haven here. He repaired at once o the cemetery, where he was found by one four citizens weeping over the grave of his

At the request of one of the members of th School Board we make the announcement that the examination of teachers for the public schools of this borough will be held in this place on Thursday, the 7th day of August. Seventeen teachers will be required for the schools, and in making the selections we hope the Directors will see that no drones are the Directors will see that no drones ar

sons, would be to run the entire length of the valley, passing through the gap at Concord, and thus reaching Shade Gap by water level. The grades would be excellent, and heavier coal trains could be hanled, while the local trade of Path Valley would bring considera le business to the road. A road could prob bly be made cheaper by the level route than ross the mountain.

across the mountain. "As having some bearing on this question, it may be stated that a narrow guage road will be built this year from a point on the Pennsylvania railroad near Duncannon to New Bloomfield, Perry county. It is not prob able that this road will stop at New Bloom-field, but that it will be carried higher up the rich and flouribling Sherman's Valley whose shall not exceed \$5 in cases where an estate amounts to less than \$1,000 and not over \$10 for each day necessarily engaged in estates in reasons shown, shall allow a higher rate, not to excees \$15 per day.

A BRUTAL CRIME-THE PERPETRA-TORS IN PRISON.-On Saturday evening last we trously to himself and his fellow workmen. This bailiwick was visited by the heavies were informed that on the Thursday previou a rape had been committed upon the person rain fall, on Friday and Saturday afternoon that we have experienced for a long time, of a sixteen year old girl named Fry, a do-mestic in the family of a Mr. Gahegan, resi-ding at the Warm Springs. Upon inquiry we learned that the perpetrators of the brutal crime were two citizens of this place, named James Moore and Tobe Conrad, both of whom comparised and here families. ever. The rain poured down in torrents, and in less time than it takes to write this item, the streets were overflowed and looked like off the hill, completely filling up all the cross-ings on Fifth street. The stone drain, lately put in by the railroad hands, at the foot of Fourth street, failed to carry off the water, and are married and have families. On the day n question these scoundrels were fishing in Fourth street, failed to carry off the water, and the result was that the cellar under the depot, and other cellars in that locality, were filled with water. The water in the Juniata river and in Croeked Creek raised to the height of three or four fect in a couple of hours. We understand that in different parts of the county considerable damage was done to hilly land. the soil heigr washed off to the depth of the the soil heigr washed off the the depth of the the soil heigr washed off to the depth of the the soil heigr washed off to the depth of the the soil heigr washed off to the depth of the the soil heigr washed to the the soil heigr washed toff to the the theigr washed to the the the soil heigr

The girl says that Conrad came into the kitchen, caught hold of her and forced her unfortunate men killed in the stone quarry, near this place, on Tuesday afternoon of last back into a side room, where, after choking her, and stifling her cries by placing his hand over her mouth, he succeeded in accomplishweek, was found lying on the opposite bank of the river, about three feet from the water's edge and some five hundred yards below the ing his hellish purpose. In a half hour Moor entered, pretending that he came to protect Fifth street bridge, on Wednesday afternoon. The limb presented the appearance of having

county." May his tribe increase. Hiram Arnold, of Pottsville, offers to shoot pigeons with any man in the State for \$100 a side. Here's a chance for some of the crack shots hereaways to make a "stake." J. Harry Geissinger left on Saturday last delegate from Fraaklin and Marshall College her, but he was no sooner fairly in the room than he attempted the same crime committed

A MATTER OF LOCAL INTEREST .- The THE MOORESVILLE CAMP MEETING .hambersburg Repository of last week, in an ticle speaking of that place as a manufac Mooresville Camp Meeting will commen Thursday, Sept. 11th, and continue one week uning point, claims for it all the advantages possessed by other towns in the State, except that they are compelled to pay too high a fig-ure for coal on account of their remoteness from the anthracite coal fields. To obviate The committee in charge have arranged for the comfortable accommodation of all who this difficulty the *Repository* suggests a remedy which, if carried out, will be of great benefit to the citizens of the lower end of our county, ing will be sold on that day except food for

ing will be sold on that day except food for man and beast. Anything to disturb the quiet and order of the meeting will not be alind we see no good reason why it should not be sticcessful. We quote: "A connection by rail with the Broad Top is an ind beast. Anything to disturb the quiet and order of the meeting will not be al-lowed at any time. During the encampment, ta the ringing of the bell for service, the res-taurant will be closed, and all persons on the be a to suppose. The East Broad Top rail-grounds will be expected to come inside the ded to near Shade Gap, Hautingdon conn-and this, by an air line, is oally some 15 to come and prayerfully join us in a week's road, which is a narrow gnage, has been ex-tended to near Shade Gap, Huutingdon coun-ty, and this, by an air line, is only some 15 miles from Richmond Furnace, this county. The mountain is in the way, but there are low gaps both at Cowau's and Fannettsburg through which a narrow gnage road could be readily carried. A better route, for many rea-sons, would be to ran the entire length of the valley massing through the earn at Concord.

Manufactured by C. A. BARNES & CO., of Lockport, N. Y., is decidedly superior to any jar ever before offered to the public. No mouldy fruit nor loss of faror; simple, yet scientific, in its construction; the most complete fruit preserver in market, no metal coming in contact with the fruit—in fact, a common sense jar. It should have a trial in every family. July 18-Im.

UBAINE ASHMAN, Attorney-at Law. Office: No, 405 Penn Street, Huntingdon, Pa July 18, 1879.
