The Mt. Union Times will appear this week

Our handsome and clever young friend, C. G. Welsh, esq., of Baltimore, is visiting friends in this place. Before his return to Baltimore it is his intention to travel through amount of pleasure and a good time generally.

Mr. John A. Canan, of this city, has a copy of the Olive Branch, printed at Ebensburg in 1818, and the files of the Sky for seven years. He has also copies of the Huntingdon Literary the elegant job he made of it. Magazine, printed in 1810 by his grandfather, Moses Canan, and W. R. Smith.-Altoona

success, it takes *fruit*, this is evident to al telligent readers (it is for such alone thi urticle is written) from the nature of the cas night a week ago, on his return from the Secondly .- In order for "fruit canning" t through the negligence of the employes stop-ping the train over this man-trap. He gives the employes a few hints from the shoulder lent. Any man who disputes this statement ought to be exiled, or sent over to the Demo-ratic party-if he be not there already-the ome of incorrigible fools and skeptics. pany should call them all up to the "Captain's office" and hand them their papers. Thirdly .- In order for "fruit canning to be

the wife of a minister, attempting to cag rays, by a vigilance committee, at some our f the forts in Arizona. It seems, however, hat Chris, is still in the land of the living, as hat Chris, is still in the land of the living, as hat Chris, is still in the land of the living, as hat Chris, is still in the land of the living, as hat Chris, is still in the land of the living, as hat Chris, is still in the land of the living, as hat Chris, is still in the land of the living, as hat Chris, is still in the land of the living, as hat Chris, is still in the land of the living, as hat Chris, is still in the land of the living as the land of the living as hat Chris, is still in the land of the living as hat Chris, is still in the land of the living as the land of t larrisburg, on Monday morning, to answer he double charge of highway robbery and reaking juil. The story of his hanging is of is own invention, and was concocted for the breaking juil. The story of his hanging is of his own invention, and was concocted for the purpose of throwing the eastern detectives off in the business should be thoroughly equipped

and armed. A maa should not undertake it. It is not only beyond his sphere, but beyond his ingenuity. If this change should take place in domestic life, behold the result! On account of inexperience and natural awkwardness, manufacturers of can-ware would be overtax ed to supply the extra demand by breakag or other mishaps; fruit would be scarce an lear when most needed, for it would proba county. But what the tortoise and the Green backers rest upon, ancients and moderns have never been able to say. Perhaps we can an-swer the mooted question by saying upon 'huge bags of wind," and they will find it 'huge bags of wind," know the second se taking, luxury-loving part of humanity-wo man. So let no man disgrace his high call stown *True Democrat* must have done after ing by presuming to engage in a work so re-sponsible and so grand, so peculiarly fitted to cut the JOURNAL from his exchange list, as to the exalted sphere and coveted "rights" o

persucce at our office, and we are sure that our slumbers are not at all disturbed by his they are made of tin, transparent glass and crockery.

Innum; \$1.09 for six months. For the The Brady township Agricultural Fair bill, The Brady township Agricultural Fair bill, printed at this office, was a fine specimen of the mart preservative," and was much admired by all lovers of the beautiful. Send along mor orders when you want printing done. The middle of them, and indulge in this the middle of them, and indulge in this Fruit canning, as I said, is important and raise-worthy. It is no disparagement mothers in rura to say that they still hold to the doctrine of our ancestors, that parents J. H. McCullough, of the Boston Boot and Shoe Store, has just opened one of the most extensive assortment of goods ever brought to this county, and he promises to sell the same at remarkably low prices for cash can leave to their children no grander legacy attract the attention of passers by a square or more off. "Laugh and grow fat" is an old adage we know, but we think there is a time and place for it, the same as for other things. of dried, preserved, avd canned fruit. So our mothers seem to understand it, and so at this season of the year, if visitors drop in when things are rather tonsey turver mother. and place for it, the same as for other things. We fear for the future of these young maidens in question if they do not desist from this un-

At the recent session of the Board of Par-dons, held in Harrisburg last week, pardons were refused Steward Walker, who was sent to the penitentiary, from Centre county, for The Mt. Union Times will appear this week under the editorial control of our friend, Dr. A. R. McCarthy, a gentleman fully competent to shove the pencil on that or any other pa-per. We wish the new management success. It has been decided at the Post-Office De-partment to issue three additional denomina-tions of postage due stamps, representing 10 cents, 30 cents. The use of these stamps will be confined to the larger offices.

offices. An exchange says "that our young ladies are noted for their pretty feet." How in the world that quill driver found it out, we can not fathom, but suppose he knows whereof he spoke. Why dida't he add "they wear he spoke. The found it out, we can he spoke. Why dida't he add "they wear the old maples or the weeping willow tree hard by, when the dog shivers in his kennel, and beast and bird gladly shelter themselves from the driving storm; when the streets are descreted, excepting here and there a lonely traveler, fleeing before the wind, or at some mad corner where adverse winds meet strugare known as the "Dexter springs," and will carry you over rough and stony roads with

gling to retain his footing, and obstinately en-deavoring to breast the fierce storm, when buried themselves under the snow, as if there steamboats are ice-locked and railroads have buried themselves under the snow, as if they, too, wanted to escape the fierce tempest; when stern winter transforms the earth to dreary desolation, then it is pleasant, at nightfall and they are put together in a style which cheerful fire, to talk over the events of the bim; he disposes of such lecherous scoun

his buggy, and Mr. Lee ought to be proud of the elegant job he made of it. • This is the season of the year when the careful head of the family puts up and pre-pares his stoves for the coming cold weather. Cheering inter, to take over the events of the day and the week, and to say in the words of the ancient farmer, "Soul thou hast much goods (provisions) haid up for many years, take thine ease, eat, drink and be merry." ARCHIE.

alike, are cordially invited to attend.

Rev. Hollifield will tell the farmers of Brady township what he knows about raising big pumpkins, &c., on the 3rd of October.

Rev. Father Martin, of St. John's Catholic Church, Altoona, has been placed in charge of the Catholic congregation at Newry.

We neglected to say last week that Wilson Brothers' horse, "Warrick," got second pre-mium, \$20, at the State fair, as a roadster.

The canning season is about over for this year, and the housewife may be glad of it, for it has been a long and tedious siege to her.

"They say," we will not have another circus this fall. So mote it be. This will give some men a chance to buy flour for their hungry ones.

A Reading man eloped with his mother-in law. He's very sorry, ere this, that he did so, or else he has a peculiar kind of a motherin-law.

Tommy Montgomery is in the field with a large stock of fashionable and first-class clothing which he is selling at rock bottom prices.

Owing to the increased western freights the P. R. R. has been compelled to lease a large number of box cars from the Reading Railroad Company.

Sheriff Stiffler, of Blair county, wants a purchaser for a graveyard, which he has to sell. Here's a fine opportunity for a real estate investment.

Rev. Reuben Loveland, jr., a member of the Central Pennsylvania Conference, of the M. E. Church, died at Lamar, Clinton county, Pa., on Saturday.

A young man named Wm. Barbour, up in

Communion services will be held in the Method:st church Sunday morning next, Rev. W. H. Dill, of Clearfield, conducting them. Go and hear him.

The Philipsburg Journal has reached its twelfth volume. The local department of the paper is carefally edited, and its typography is a credit to the craft.

The picnic held by our Methodist friends on Friday last, at Rough and Ready, was largely attended, and the participants speak as having hal a right royal time.

An excellent selection.

The picnic of the operators of the Middle Division, held at Lloydsville, on Thursday of last week, was largely attended and is said to have been an enjoyable affair.

Gov. Hoyt, on Friday last, appointed Mahlon H. Dickinson, cf Philadelphia a member of the Middle Penitentiary Commission, in place of George I Young, deceased.

We want two or three loads of good kindling wood at this office, on sight. Now is the time for those persons who seemed so anxious to pay for their papers in this way.

A Cambria county horse, for a wager of \$50 trotted a mile on the Altoona course, on Thursday afternoon of last week, in 2:53.-Pretty good going for a "scrub."

Maj. John M. Pomeroy, of the Franklin Re-pository, who has been in ill health for some time past, has sufficiently recovered to enable him to resume his editorial duties.

Jack McCahan, with a corps of assistants tackled his field of mammoth corn last week, and the shocks, which cover the ground very thickly, are the size of small houses.

Some of the early risers inform us that there have been several right smart frosts in this bailiwick this season. The result of their having fallen is visible upon the leaves, etc.

CAUTION .- Do not let your druggist palm off a substitute, when you demand Dr. Bull's Baby Syrup or you will be disappointed, for no medicine for children equals it in effect.

Mr. Jesse Summers is hard at work, at his brick-yard-ou the Warm Springs road, trying to get abother kiln ready to fire before the heavy frosts catch him. He will be able to

do it. A young man named Charles Fleming, an ex-employe of the *Radical* office, was seriously injured, by being struck by some cars, while Friday night last. do it.

Did it ever come to the experience of a merchant to have a checky individual to come into his store room, ask for a pound of coffee, then depart with, *perhaps*, a "thank you ?" the store of W. S. Bair, in this place, who will be the merchant and the store of the s Yet a similar experience comes to every news-paper proprietor many times each year.— *Hollidaysburg Standard*.

John D. Campbell, the young man who at-empted to commit suicide in Pittsburgh, a few weeks ago, by stabbing himself in the breast, because he was not in possession of sufficient funds to enable him to marry the girl of his choice, died in Dixmont Hospital, ear that city, on Sunday last.

For the accurate report of the proc of the International Convention of Railroad Men's Christian Association we are indebted to Robert McDivitt, esq., of Huntingdon. He s an excellent short hand reporter, and per-sons in need of his services can find no more

ccurate reporter .- Altoona Tribune.

ate half a wedding c.ke, and then retired to dream of her future husband. Next morning she was nervous and restless, and said she Prof. R. M. N'Neil, of Three Springs, has been elected to take charge of the school in this place heretofore taught by Prof. Sander-been simply frightful or she would never have been simply frightful or she would never have formed such a resolution.

On Friday last we had the pleasure of ta-king by the hand our clever friend, Col. J. Dorsey Green, of Lemont, Centre county, formerly of Barree Forges, this county. We have not seen the Colonel for a number of years, but we found him the same clover in years, but we found him the same clever, jo-vial gentleman as of yore, and a stalwart Re-king the iron rail, cutting a great gash in the

publican in whom there is no guile. Mr. Geo. A. Port spent a portion of last week travelling through Morrison's Cove look-ing up fat cattle, and he informs us that he

acceeded in buying twenty-five head of extra good ones, which he will commence to laughter on the 29th inst., at which date he will resume business at the old stand of Port & Friedley, next door to the JOURAL building.

several teams hauling dirt from the peniten-tiary grounds and filling up the uncaven spots on the roads in that township. Let the good work continue, and the thanks of the travel-ing public will be extended to Mr. Speck, moment of the fatal explosion, and never

A grape thief completely cleaned out the scious truit from the arbor of one of our colored brethren on Monday night a week ago, and on Wednesday night came back to

THE NEXT CENSUS .- The Duty of Enumerators.— The Best Men for the Office... last acquitted. Turner was tried in Clearfield The Superintendent of the Census Bureau has county, found guilty and sentenced to be the store of W. S. Bair, in this place, who will sell you a better article, for less money, than any other dealer in the county. Mr. Bair tells you through the columns of the JOURNAL what he has to sell, and we pledge you our word that issued a circular in relation to the office of he will deal honorably with you, and will give you more value for the same amount of money than any one else that we know of. Go and examine his large assortment of stoves before

you close a bargain elsewhere. James A. McCahan, eşq., after reading Pro The safe success of marked that he re-membered seeing the original standing stone at Huntingdon. He said the stone stone delose to the bank of the river at Dean's fording, at the east end of Railroad street, near the old be even less. By the old law, from June 1 to ONLY 30 CENTS ! the east end of Kairboau street, hear the old academy building, on the land owned by Patty Gwin, and from 1818 to 1820 a part of the stone lay ou the William Jackson Hotel porch. A piece was put in the foundation of Dr. Hen-logood inhabitants in two weeks from the first be even less. By the old affice is the statute it is required to be made in June, and in cities of more than 10,000 inhabitants in two weeks from the first Every moment of our lives every part of our lives every part of our body is wearing out and being built up anew. This work is ac-complished by the blood, but if the blood does not perform its work properly the system is poisoned. Cleanse the blood by the use of Dr. Bull's Baltimore Pills. Harmless but

It is expected that enumerators will work in their own immediate locality, knowing and daysburg Gorrespondence Altoona Tribune. known to most of those they enumerate, with-out incurring traveling expenses in a majority

At the Methodist church, Sunday, two ex-A two-year old bull, belonging to a Mr. Snyder, was knocked higher than a kite, by being struck by a passing train, near Henry & Co.'s store, on Sunday morning. The bo-vine received a severe gash in its side, but by careful nursing it will recover. It was loaded upon a wagon, on Sunday aftornoon, and taken home. The copy of the Hollidaysburg *Register* which reached us this week was terribly "ap-ple-buttered," so much so that it was imposhis subjects, and every sentence and word were effective, both in rhetoric and in oratory. The themes were unhackneyed, and were en-Their knowledge of vital conditions, their ap preciation of the importance of trustworthy statistics, together with their knowledge of riched with rare gleams of light. He has the secret and the vim of arousing his hearers to secret and the sim of arousing his hearers to the history of families, would combine to give thought to his golden words, and we hope make returns alike of deaths and the living

"Drat your acquaintance" said a small ur-chin, in our hearing the other day, as he dropped the bumble bee he was examining. At least we thought he said "drat", but it might have been something eise, for the lan-guage of the urchin was beyord our compraterday morning Nelson Barnes, a cigar-maker by occupation, but lately employed in the Drying House at Tecumsch Tannery, having qualified enumerators. Accustomed to keep lists and make reports, almost uniformly ac curate in accounts, trained in punctuality and precision, and accustomed to enforce them upon others, the teacher, within his school shoot a squirrel or a pheasant for a sick woman at the tannery. He returned unsuc cessful down the railroad about half-past 9 district, would generally do his work rapidly neatly and accurately.

(tanner,) in front of the Everett railroad sta-tion house, with his gun resting on the ground "THEY ALL DRINK."-It is well known that at certain central agencies a record is kept of the name, position and standing of nearly every business man in the country. Careful men are employed to collect the information, and it not only includes the amount of prop-erty which the parties are worth, but also their and inward, forcing out his left eye, lodged in his brain. He fell backward, his head stristanding as regards punctuality, promptness, integrity, temperance, morals, etc. A num-ber of years ago it was stated by Mr. Pelouscalp, but he struggled up again to a sitting posture when he was assisted to his feet by ber that a firm of four men in Boston were rated as "A 1," rich, prosperous, young and prompt. One of them had a curiosity to see how they were rated, and found these facts on the book and was satisfied, but at the end Mr. Jacob Barndollar and Dan. King, with whose assistance he made a few steps, when he sank to the earth to rise no more. Medical it was written, but they all drink." He thought it was a good joke at the time; but to-day, two are dead, another is a drunkard, the fourth poor and living on charity. The man

Supervisor Speck, of Walker township, has everal teams hauling dirt from the peniten-This is the outcome of the fact stated in the words, "they all drink." Business men know very well that such habits are to be nd after a half hour's labored and irregular reckoned in making an estimate of the probable success of any business man. He who would prosper in any business undertaking should learn to shun the cup. Moderate drink-ing leads to drunkenness, and this involves the

work continue, and the tandation of the control of wreck of morals, business, fortune, family, and all he had. No man can trust the word that officer. That "cake play" spoken of by one of our pastors a few Sundays ago, as a trifling affair, seems to trouble the "noddles" of some of seems to trouble the "source exceedingly much, the seems to trouble the "source exceedingly much, an unnusually strong spring that pressed the hummer very hard on the nipple, a slight jar of the butt on the hard ground of the railroad of a drinking man. Some drink benumbs conscience, vitiates judgment, rots out prin-ciple, and ruins the man. "Wine is a mocker, strong drink is raging, and whosoever is de-ceived thereby is not wise."—Exchange. *

they will indulge in the play of "kissing the maker" whenever an opportunity presents itself, notwithstanding the strictures made by the "powers that be." NEW MEAT MARKET .- Mr. George R Friedly requests us to say that on Monday next he will open up a meat market in the new building, just erected by him, immedi-ately below the postoffice, where he will be happy to have his old friends and customers, and everybody else, call and see him and leave their orders for meat. All kinds of meat will Press of Tuesday.

TURNER ACQUITTED .- Michael V. Turcounty, who for two weeks has been on trial in Clinton coun-

ty, by a charge of venue, for the murder of Mrs. Maria Waple, in 1875, was on Saturday To all who are suffering from the county, found guilty and sentenced to be hanged, but his case was taken to the Supreme

TERBIBLE ACCIDENT.-Yesterday af Dyspepsia. Dyspepsia. Dyspepsia.

Dyspepsia is the most perplexing of al

human ailments. Its symptoms are almost infinite in their variety, and the forlorn and despondent victims of the disease often fancy

themselves the prey, in turn of every known malady. This is due, in part to the close sympathy which exists between the stomach and the brain, and in part also to the fact

that any disturbance of the digestive function necessarily disorders the liver, the bowe

and the nervous system, and affects, to som extent, the quality of the blood.

E. F. Kunkel's Bitter Wine of Iron a sur

enre. This is not a new preparation, to be ried and found wanting; it has been pre

scribed daily for many years in the practice of eminent physicians with unparalleled success; it is not expected or intended to cure

all the diseases to which the human family i subject, but is warranted to cure Dyspepsia in

bowels, constipation, headache, dizziness, sleeplessness, and low spirits. Try the great remedy and be convinced of its merits. Get the genuine. Take ouly Knakel's, which is put only in \$1 bottles. Depot, 259 North

ourth street. He was chatting with anothe

and when he reached the crossing he jumped off to the side, on to No. 1 track, immediately

u front of the way passenger train, hauled by engine No. 193, and driven by Robert Gard-ter. Mr. Gardner was horrified at the sight

and was barely able to sound a single, sharp whistle ere the engine was upon the unfortu-

nate man. It was impossible to apply the

air brake, for he was careely ten feet away. The engine struck him and threw him twice up into the air to the height of the head light, when he fell alongside of the track, and was caught by the boxes of the cars and rolled

along the track like a ball. His head was split

open at the top, exposing his brains; both arms were broken, besides other severe inju-

ries. When picked up he was dead. He was

and was 21 years and 8 months old, and was a son of Thomas Clabaugh. He leaves a wife and two children to mourn their untimely loss.

His wife is a daughter of Mr. John Geesey, the well known contractor and builder. Coroner Humes subsequently held an an inquest over the remains, the jury returning a verdit that his deet was available contacted as the subsequently

his death was purely accidental, no blame at

taching to any one .- Altoona Tribune of Mon

A CARD .- Believing nearly one year

ago that the present Autumn would see the country on the high road to prosperity, we

commerced then to make preparations for a business of great magnitude. To properly arrange for a stock surpassing all we had before attempted, we sent abroad several buyers, who visited all the chief man-

facturing centres of Europe, especially in Ingland, France and Germany. Through them we have succeeded in con-

tracting for large quantities of Specialties, which will be confined to ourselves exclusive-

ly, as well as general stock of Novelties and Staple Fabrics, unsurpassed in the American

The most careful study has been given to he cheapening of supplies, and it is believed

nearer to the producer than ever before in the

history of the trade. The products of the best makers, Foreign

and Domestic, will be distributed by us in any quantity, small or larg, with only our small profit added to the lowest prices (less all discounts) at which manufacturers will contract with the lowest prices however

A number of alterations and improvements have been made to our store property conduc-ing still further than heretofore to the con-venience and comfort of our patrons, and res-
