W. G. Waring esq., the able stenographer for the Courts in this Judicial district, who pent several weeks in the mining regions of Colorado, is home again, and at his post of ity during the sittings of the present Court Mr. Waring is highly pleased with the country and the people in that land towards the set-ting sun, and it is his intention to again visit Mr Kelley who has the contract for the

grading of the grounds and building of the foundation walls of the new penitentiary, is pushing the work along rapidly. It is his desire to complete the walls before mid-winter, which he can do if the weather continues favorable, but the grading, of which there is an immense amount, will not be all done before some time next year. The walls are first-class, both as regards material and workman-

perhaps much good, to cut this paragraph out and show it to the old folks who are addicted to sticking in the parlor on Sunday evenings when their daughter's beau wants to tell her a great many secrets, etc.

at the Journal Store. Just the thing for of a 74 inch advertisement. He says that already some 2,000 editors have accepted his proposition, and if he tells the truth—which we very much doubt—there are just "about 2,000" more fools in the country than we thought there were. L. Lunn Smith will have to try some other print shop with his cheeky

weighed four and a half pounds when taken from the ground, and at present weighs four and a quarter pounds, which is considerable of a curiosity in the tuber line, and in a description of it that paper says that this potato stands—or sits, if you please—just ten and a half inches in heighth. While its legs are lost in a big ball where the legs ought to be, at the first glance a person would detect a strong resemblance to a monkey. Then again it would be similar to a kangaroo in some respects, the short fore-legs of the animal being represented by two bunches of potato which have grown out at the shoulders.

A swindle is being practiced on farmers in A swindle is being practiced on farmers in trying to present as good a case as possible certain localities, as follows: "A sleek fellow calls at a farm house for dinner, and on payment for it asks the host to sign a receipt —so he can show his employers what the expenses have been. The receipt is prepared in Commonwealth vs. Robert Youm. The such a way that the signature is made on a paper underneath the thin paper on which it is written, and that on the lower sheet of paper is a note for a hundred dollars or some such matter, which the swindler sells before he gets him to pay a fine of \$50 and the costs of prosout of the neighborhood; and thus a piece of thin transfer paper, and that principle of law which holds the innocent purchaser harmless, are used to deceive very successfully. Farmers should sign nothing presented to them by a

On Friday evening last, between 8 and clock some person stole several articles of tested for the first prize being a patent-muzlothing from the front of Samuel March's zle target rifle, valued at \$75. It is a beau-lothing store. Sammy displays his clothing tiful piece and a first-class shooter from 100 on a couple of "dummies," which he stands in front of his store, and it was from these that the clothing was taken. One of the 'dummies' was rigged out in a coat, pants, tion as to who is the best marksman in Hunvest, ulster, and seal skin cap, and the other one with overcoat and slouch hat, all of which was taken. One of the "dummies" was stripped in front of the store, and the other was carried to the alley close by the store, where it was relieved of its covering. Sammy's loss will foot up about \$28 or \$30. It was the boldest piece of rascality of the season, and must have been perpetrated by experts, for we think that no novice in the business would have had the nerve to do such an

public thoroughfare of the town. For the last three months we have bee blishing an advertisement for the New York | escot Furnishing Company, 421 Broadway, in which they offered to sell a first-class shirt for the they offered to sell a first-class shirt for the low price of \$7.50 per dozen. Within the past week we have come in possession of informa-tion which satisfies us that this company (?) is a fraud of the first water, and we advise the readers of the JOURNAL to steer clear of it. Through the advertisement in our paper a dealer in this place was led to send for a dozen of their shirts, and after a couple of reached the seventieth mile-stone on the strace-course on Saturday last. The sheriff is well preserved, and from present appearances on the live many years, and we hope he worth \$7.50. We are sorry if any other reader of the Journal has been swindled the swindling concern. The scamps who are running the "company" (?) have advertised it extensively, and every publisher who in-serted their advertisement has been swindled out of three months pay, and the sharpers are

trying their level best to "set it up" on news-

paper men for three months more gratuitous

advertising. But we won't take the bait. MAIMED FOR LIFE .-- ANOTHER PLEA day evening last, a young man named W. E. Port, while walking on the track, in the vicinity of the viaduct crossing Stone Creek, was struck by the engine of an eastward bound freight train, and received ir juries which will render him helpless for life. His left leg and right foot were crushed so terribly that amputation was imperative, the former of which bell—this one quite small, but any sized bell—this one quite small search and search and search are the same and the same a was taken off between the knee and ankle and the latter at the instep. The unfortunate man resides at Warrior Ridge Station, three miles west of this place, where he made rather a poor living for his wife and four little children by fishing and needling sassafes. the most for their money, and Port's is the was taken off between the knee and ankle and west of this place, where the west of the west in the habit of drinking more or less every time he came and every time that the iron or lever was touched the signal was sounded, thus giving the touched the signal was sounded, thus giving the the west of the influence of liquor. sure their houses and barns in any of the companies organized for that purpose, but which he will arise a cripple for life, unfitted to supply the wants of those dependent upon

> More of Rum's Work .- On Saturday last, Wm. B. Koon, of Duncansville, Blair county, the best and cheapest signal ever presented visited Hollidaysburg, and while in that place drank to excess and became intoxicated. In the evening he started to walk home on the railroad, but had not proceeded far before he lay down to sleep off the effects of his debauch, and in doing so he laid his head on one of the rails. The passenger train on that branch of the road came along a short time after, ran over the unfortunate man, almost severing his head from his body, cutting off his legs and arms, and grinding his body into a shapeless mass. The deceased leaves a wife

HUMBUGGED AGAIN .- I saw so much said about the merits of Hop Bitters, and my wife who was always doctoring, and never well, teased me so urgently to get her some, I concluded to be humbugged again; and I am glad I did for in less than two months use of the Bitters my wife was cured and she has

"MY TORMENTED BACK," is the exclamation of more than one poor hard working man and woman; do you know why it aches? It is because your kidneys are over tasked and need strengthening, and your system needs to be cleaned of bad humors. Kidney-Wort is the medicine you need. "It acts like a charm," says a well known physician, "I prove heave it to feel?" A feel was not damaged was averted, and a sthe track was not damaged trains were passing half an hour after the accident. A hundred or more sight-seers lined the railroad tracks in the vicinity of the wreck.

Coars! Coars!

COURT PROCEEDINGS .- After the usual nary proceedings, the following cases sposed of in Court this week, up to

was the first case tried on Monday afternoon. It was an indictment for fornication and bas-tardy, upon the oath of Miss Emma Courad, ad has been continued over since last April.

GARY'S MAGNETIC RAILROAD SIGNAL -IT WORKS LIKE A CHARM .- On Saturday world. afternoon last we had the pleasure of witnessing the practical working of Mr. Gary's magput up at Henry & Co.'s crossing on that much space. See advertisement in this paper. morning for the purpose of testing its utility, warning of the approaching train. The distance can be increased or lessened, as desired, without in any way interfering with the working of the machine. Mr. Gary is well pleased with the success which attended the erection of this, his first magnetic signal, and he has just cause to be elated, for without doubt it is

day forenoon, when the eastern bound Union reights were passing through this place, one of the couplings broke and detached a number of cars from the train, and another train, which a shapeless mass. The deceased leaves a wife and three children to mourn his terrible death. These accidents are a stronger plea for temperance than anything that could be said or written. The engine was considerably damaged, the smoke-stack, head light, cow catcher and other fiquings on its front being entirely torn away. Fortunately there was no one in the "caboose" at the time of the collision, and the engineer and fireman, when they discovered that they could not prevent the colliding of the trains jumped from the engine, and escaped without injury. In a gutter at the side of the track, the coal oil had gathered to the depth of three or four inches, and it was feared that a spark from the ash-pan of the disabled engine might ignite it, but great care was exercised in drawing the fire and this danger was averted. The wreck was soon

> NOTICE TO ALL WHO WANT TO SAVE MONEY. -Come and see the fine lot of goods, and low prices at Wm. March & Bro's., before purchasing any other place.

Wonders of Mechanism.-A few weeks ago the Altoona Tribune published the following description of a curious and costly clock, the property of Mr. Adam Gable of

feet wide and weighs five hundred and forty pounds. It was brought to this country from Germany five years ago, and Mr. Gable first observed it at Allegheny City, where it was in the possession of a German who wanted to ell it to enable him to return to "fatherland." wife. An action of debt, in which Dickey & Co. seek to recover against the separate estate of Mrs. Garman a balance of nearly \$200 for groceries, &c., furnished to defendants at Houtzdale, while they kept a boarding house. Garman having failed once in business in Juniata county, conducted his boarding business in Houtzdale in the name of F. L. Garman, (his wife's name being Flora), and failing again in Houtzdale he removed to Huniata county since when Mrs. Garman has the fer side, which sets the machinery to moving a large roller placed in the box of the clock, on which are the notes to furnish nine different airs. There are four of these rollers, and the total number of airs the clock will perform is thirtyingdon county, since when Mrs. Garman has ber of airs the clock will perform is thirty-come into possession of real estate; and the oblaintiffs alleged that she became personally displayed in the clock's construction, as there are a number of figures, which can be seen through the glass door perched on two sepa-Garman could only be held liable for neces-saries for the use of the family, of her husand and herself, which she herself contracted | waltz's giddy whirl while the music proceeds, and one of the dancers frequently stops and "pats" to the air that is being rendered. On chases made by her husband could not render her responsible; and that supplies for a boarding house could not be construed to come within the meaning of "necessaries."

The jury found a verdict for the plaintiffs against the wife for \$195.84.

Commonwealth vs. David Butler and Laura

Dealer. The trief of this case occupied the come within the meaning of "necessaries."

The walls are first-class, both as regards material and workman-ship.

Our friend, H. Roman, esq., of the Old-Established Clothing House, in the Diamond, having concluded to remain in Huntingdon, having concluded to remain to farshims and in Huntingdon, having concluded to remain in Huntingdon, having concluded to remain in Huntingdon, having concluded to remain and to farsh with the weak would and the wood-clooper the deat their work, the weaver, the cooker, the clock of course would not forget to advertise the mational bears in Huntingdon of the San and indicate with right after 17 years occupancy, and it was not long after they were ousted until they regained possession of the house, hence this prosecution. The defense relied upon the size foreight the dorr of the constant of the cons

INTERESTING LECTURE.-Rev. W. L. their pulling the door tight to the jamb the button revolved and the door was open. The Court held that this did not relieve the act from being unlawful, and the defendants were convicted. They did not select the proper forum in which to try their land titles.

Commonwealth vs. Ephraim Yingling. This was an indictment for assault and battery, in which the defendant, a man nearly 60 years which the defendant, a man nearly 60 years lecture Mr. Jones seems to be possessed to a number of imitations offered to the number of multiple and caution the community to the proper of the first very great degree, of the happy faculty of telling what he has seen in such a manner as public, I would caution the community to assault upon her. The trial occupied the whole of Tuesday afternoon, and involved a great mass of contradictory details. The defense is based upon the blackmail theory, tending to show which a great deal of testimony was adduced. The jury returned a verdict of "not guilty," and divided the costs equally between the prosecutrix, Rachel Bollinger, and the defendant, Ephraim Yingling. Commonwealth vs. B. F. Clark. This was an action for assault and battery, brought by the wife of the defendant, who testified that at various times within the past two wars her. again in the near future, and have no doubt of his being able to draw a crowded house.

MAIL MATTER AT THE HUNTINGDON Post Office.—By an order issued from the Post-Office Department at Washington postmasters throughout the country were com-pelled to count all mail matter originating at their offices during the first seven days in November. The following are the figures for this office:

dispose of, and several lots were thought well sold at 8 to 10 cents. This stern logic of dollars and cents is rapidly convincing darry-nen that they should use the Perfected Butter Color made by Wells, Richardson & Co., Burlington, Vt. It gives the perfect June color the year round and dairymen that use it never send light colored goods to market."

Kidney-Wort will cure Kidney and Liver diseases and worst cases of Piles.

inoes, Silk Wrap Henrictta Cloths, and Hundreds of Pieces of Novelties in Black Goods, comprising Armures, Momie Cloths, Camel's Hair Cashmeres, India Cashmeres, Crape Cashmeres, Pekin Stripes, Wintef Buntings, New Effects in Black Fabrics, Courtauld's Crapes and Crape Veils, (imported direct), besides other Fabrics too numerous to mention. Especially in BLACK CASHMERES AND MERINOES,

We have secured at far less than present prices, Cases on Cases of Black Cashmeres, Black Mer-

Do we claim to offer advantages to buyers, as our arrangements for their production are well nigh perfect. The price in Black Cashmeres, begin at 40 cents and run upwards in 40 Qualities, to \$2.00 per yard; and in French Black Merinoes (double twilled), with Lupin's Goods, at 45 cts., and run upwards to \$2.00 per yard.

STRAWBRIDGE & CLOTHIER.

Every lady within reach of Philadelphia, should not fail to inspect our magnificent line of For-eign Coats, Mantles, Walking Jackets, Etc. These garments are all of the most careful manufacture and perfect fitting, as the best custom work, while the prices are so moderate as to excite surprise.

Misses' and Children's Coats and Sacques in unequalled variety.

We are constantly assured that the display we are making in this department has never been even approached in Philidelphia.

WINTER COATS AND MANTLES.

Besides the above, we have 29 Departments in Dry Goods alone, and goods strictly appertaining thereto, including all that can be needed for personal attire or household needs.

The six floors of our large building have been insufficient to contain our immense stock this season, and we have been forced to secure large additional storage room.

No such stock of Dry Goods can be found elsewhere, and every buyer within reach of Philadelphia should not fail to avail of the advantages we offer.

(Signed),
