Charles Bricker testified to about the same Unaries Bricker testined to about the same state of facts. He had assisted probably twenty times in emptying kegs by the wayside and under the trees, and frequently saw boys of 16 to 20 years doing the same; he had drank in Lagle's house full halfa dozen times, tirely reliable, that some of the sportsmen (?) and the drinking generally resulted in all parties feeling "pretty good," i. e. getting woods from behind which they kill wild turder. Witness refused to say whether he the law strictly prohibits this kind of had purchased kegs of beer and furnished it to minors for fear of criminating himself, and he arrested and brought to justice. Before another edition of "the handsomest he had purchased beer for a crowd of boys: but he always assured Lagle that there were

eens, repeat some of the questions asked by going for a keg and getting it.

Philip Bruner, aged eighteen, admitted purchasing a number of kegs of beer from Lagle, answer, which shows that the rising generation in this locality know more than their superiors think they do.

According to the provisions of the act for
taking the census in 1880, Pennsylvania is entitled to ten Supervisors, the State being dithed to ten Supervisors, the State being dided into ten Supervisors, the State being dided into ten districts. Huntingdon county is in the seventh district, which is composed for nine counties, namely, Blair, Bedford, Cambria, Franklin, Fulton, Fayette, Huntingdon. Somerset and Westmoreland.

Order. On one occasion, now the district, which is company with three other boys across the river, a dollar was raised among them for beer, and Philip volunteered to get it, which he did by telling Lagle that he had been sent that count. If you have a reasonable doubt for it by his father and the cigar makers. On a set to his guilt upon either count, he is entitled to the benefit of the doubt and an acquit the disnosition of The Gary Motor Company, at a meeting last week, concluded to go to work to manufacture magnetic railroad signals and telegraph mathines, and for this purpose have seemed the

thirteen sold for use in town. As to Abner Lloyd's testimony, Lagle said it was false, and instigated by a feeling of revenge. Mr. P. M. Lytle conducted the defense and Mr. Orlady the prosecution.

Judge Dean charged the jury as tollows: Gentlemen of the Jury: The defendant is dicted under six counts, viz : 1st. Keeping and maintaining a place where

quor was sold. 2nd. Selling without license. 3d. Selling to minors. 4th. Selling in quantities less than one gal-

5th. Furnishing to minors.
6th. Selling to persons visibly affected.
The first and sixth counts in the indictment A number of our marksmen express great lissatisfaction at the rules governing the use of sites in the coming shooting match in this place. They are opposed to any one using second count, and also upon the third and second count, and also upon the third and second counts.

sold without license.

It is alleged here by the Commonwealth from the testimony of Abner Lloyd, that he sold in quantities less than a gallon to him; that he gave him a quart and charged him 15 Agent Furey is also here and asks the departnat the dity anothred to all the whole something nember, aggregating in the whole something that he gave him a quart and charged him 15 that he gave him a quart and charged him 15 cents for it. On the other hand, it is defined by the defendant that he ever sold to Abner that he ever that he ever

last week.

[The Court here reviewed briefly the evi lence in the case, which will be found above, and called attention to what was claimed for and against it by the counsel.] The Commonwealth is bound, before a conprove that it was made within two years be fore the finding of the bill. The Act of Limi-tation would relieve the defendant from any prosecution for a sale beyond two years from
the first day of this term—the day upon which
the bill was found. \* \* \* You have
heard the evidence on the part of the Commonwealth and on the part of the defendant bearing on this charge of furnishing to minors, and you have heard the arguments. If the defendant did not wilfully furnish to minors he should not be convicted; or if you have a reasonable doubt as to whether he wilfully furnished to minors he is entitled to the benefit of the doubt and an acquittal. If he in good faith exercised all the care and watchlness which a prudent man should have exercised under the circumstances to avoid a olation of the law, the furnishing would not wilful. He would not be necessarily criminally responsible if liquor sold by him to a man of full age was taken by the purchaser and given to boys a short distance from his house. The measure of care taken is a ques-tion for you, and you should judge of it in the light of all the circumstances surrounding the case; the character of the purchasers; the frequency with which the purchases were made; the habit of the defendant; the nature of his employment. All these facts are to be but he always assured Lagle that there were thousands of patrons, Thanksgiving Day, with its good and bad results, will be numbered with the past, thousand of turkeys less in the land, and the druggists will have their run for the sale of paregoric, epsom salts and John Swivel, a boy of eighteen, testified to drinking a keg of beer in Lagle's house, and had also bought beer to drink with outside parties. Never knew Lagle to furnish to minors.

John Swivel, a boy of eighteen, testified to drinking a keg of beer in Lagle's house, and had also bought beer to drink with outside parties. Never knew Lagle to furnish to minors.

John Swivel, a boy of eighteen, testified to drinking a keg of beer in Lagle's house, and had also bought beer to drink with outside parties. Never knew Lagle to furnish the always assured Lagle that there were in the lawys in the always assured Lagle that there were in the lawys as the hadden are to be taken into consideration by you in determining whether he exercised that the lawys taken into consideration by you in determining whether he exercised that there were not have the lawys assured Lagle that there were not hadden as the lawys assured Lagle that there were not hadden as the lawys assured Lagle that there were not hadden as the lawys as a sured Lagle that there were not hadden as the lawys as t he knew, or if acting with prudence and cau-tion he ought to have known that the man

and consumers were boys awaiting outside, the furnishing would in either case be wilful and you would be warranted in so finding. The whole question is one on the evidence for you. Did he sell without license, as we have already instructed you, by selling less than a gallon? If so you will find him guilty on the second count; if not, you should acquit
