The wager laid is one hundred dollars. The Messrs. McBride and Harmon are backed by their employer, and a number of lesser lights in the burnt cork profession.

job in twelve minutes. If this be correct, we

eft in Altoona. The old log house and barn in Hill Valley near the residence of Rev. Jas. R. Lane, eight miles from Mt. Union, still stand, much as they did forty years ago when Bob McConughy murdered six members of the Brown umily in and near them. The bullet hole nay still be seen in the door made by one of bullets fired at the old man Brown from the barn, which missed him and left one of he family alive to testify against the murder

r .- Mt. Union Times. This from a wide-awake exchange: Some outiness men never spend a cent for advertising either in the newspaper or any other way. In the stores of such men are general ly seen old barrel heads, on which are inscribed in chalk or charcoal such devices as these: Flower, Korn, Meel, Pertatoes, Pourk, Cheze, Kaliker, goods cheep fur Kash, Tee, Shugar, etc. Such business men are not up to the times, they road no papers and know nothing of the markets, they do not buy cheap and cannot sell cheap. "Shun the store," where the proprietor does his advertising in

that way. William McDonald, carpenter, of this place, who has been working on the public school building which is being built in Johnstown, Cambria county, met with an accident the other day, which has unfitted him for work A new schedule went into effect on the descending a ladder, when he heard a noise descending a ladder, when he heard a noise overhead, and fearing that a brick or something else was falling from above, where the bricklayers were working, he quickly threw his right hand—in which he was holding a hatchet—over his head. It was fortunate, indeed, that he took the precaution to protect his head in that way, for no sooner had he placed his hand over his head, with the hatchet in it, than a brick struck his hand and the handle of the hatchet, and glanced off inflicting a slight wound on the back of the head. The end was taken off one finger and others were injured. The brick fell about thirty-six feet, and the doctor who dressed the injured hand is of the opinion that Will. would bave been killed instantly, had he not protected his head with his hand and the hatchet.—Monitor,

THE BURNING OF ORBISON'S FLOUR-NG MILL.—In last week's issue we mentioned the fact that E. B. Orbison's flouring mill at Orbisonia, had been burned to the ground, on londay night, the 8th inst., but at that time we were not in possession of the particulars. Since then we have received the Orbisonia Leader, from which we clip the following par-

head with his hand and the hatchet .- Monitor,

iculars of the catastrophe:

On Monday night last, about 9 o'clock our citizens were aroused by the cry of fire, and in a few minutes nearly our entire population were running in the direction of the blaze, were running in the direction of the blaze, which was soon discovered to be issuing from the mill of E. B. Orbison, on Water street.—

Mich., want an agent in this county at once, at a salary of \$100 per month and expenses paid. For full particulars address as above. Every effort was made to save the building but without avail, and when it was seen that the mill could not be saved, the efforts of the
