LOCAL AND PERSONAL

Brief Mention-Home-made and Stolen.

The little onions are sprouting. The martins have come to stay. Overcoals are still comfortable. The bare footed boy is numerous. The 6th of May is Ascension Day. New moon and beautiful evenings. Slim attendance at Court this week Hantingdon is lively in the evening. The carpet-shaking season is at hand. Cherry and peach trees are blooming. The Clearfield county strike has ended. The cemetery was well visited Sunday. The trees are putting on their dress of green Don't discard your flanuel. It is too soon It is time now to go for the trailing arbutus Court last week adjourned on Saturday

The Huntingdon Cornet Band will soon be

Read Wm. Reed's new advertisement in today's issue. Communion

A heavy hoar frost fell in this bailiwick on Saturday night. Several of our laboring men are reaping a

The thoroughfares of this town are in a very dirty condition. The night sessions of Court, last week, were

largely attended. Work was begun on the penitentiary ground, Monday morning.

Now is the time for the "no fruit croaker" to step to the fore. The mountains will soon be covered with their foliage of green.

The farmers hereaways are about finishing up the sowing of oats Mrs. Mary Parsons, aged 96 years, recently

died in Shirley township. The crows are looking around for the first freshly planted corn field. Some of the Clearfield strikers are at work

at the Robertsdale mines. The Presbyterian supper of last week was a success. They cleared \$65.

Repairs to the buent district in Hollidays-

burg have been commenced. A terrific wind storm visited us Friday

A contract of the contract of unlawful blow, and we do most decidedly agree with the jury in so finding. We are inclined to believe with them that at the time you struck him you were blinded by passion and scarcely knew what you were doing. He had already given you two blows at least; he was a man superior to you in strength; that he had provoked the quarrel in taking t you about an alleged insult received from your brother; that in all respects, up to the point when he attempted to flee, it seems to as you were not in fault, but when you attempted to pursue, then you were in fault and acted uplaws.

were acting in a terrible passion, and that passion is an infirmity of human nature, which may be is an infirmity of human nature, which may be blows, and the stigma attached to your character from a conviction, is not near so much as would be to that of murder in the second degree, which they might have found on the evidence. Tak g into view the fact of your youth, being but just past twenty-one; that you had not, so far as appears from the evidence, hither o displayed vicious propensities, and the further fact that your parents are aged, and to some extent dependent upod you, we make the sentence as light as we can. The law allows us to make it imprisonment from one to ten years, but we do not propose to reach anything like the maximum. We have the sentence as light as we each anything like the maximum. We have the sentence as light as we each anything like the maximum. We have the sentence as light as we each anything like the maximum. We have the sentence as light as we each anything like the maximum. We have the sentence as light as we each anything like the maximum. We have the sentence as light as we each anything like the maximum. We have the sentence as light as we each anything like the maximum. We have the sentence as light as we each anything like the maximum.

cleanly and delightful article ever introduced to the American people. It is totally different from all others, not sticky or gummy, and free from all impure ingredients that render. new life, cures dandruff, causing the bair t grow where it has fallen off or become thin ectly and elegantly prepared as to make it lasting hair dressing and toilet luxury.
