need the same ourselves.

The American Agriculturist gives the following, which may be of interest to many of our readers: "A cow that is milked three times a day will give more milk and yield more cream than one that is milked at intervals of twelve hours. When the udder is filled a process of absorption goes on and part of the milk secreted is thus lost. It will pay to take the milk from copious milkers at intervals of eight hours as nearly as possible. A cow that is milked at 5 o'clock in the morning. I in the is milked at 5 o'clock in the morning, 1 in the afternoon and 5 at night will yield from 10 to

bysicians what became of all the hands, ngers, legs and other portions of the body fingers, legs and other portions of the body that were amputated, as they averaged one amputation a day of some kind, the whole year round. He was answered that when arms or legs were taken off they were taken charge

as well as local. \$100 will be paid if they fail to cure when used as directed. \$100 for their equal as a cure. \$500 if anything poisonous or deleteritacked on any highway by a dog the party has a right to kill the dog, and the owner can be held accountable for any injury inflicted by the animal. Even on the premises of the owner of a dog, should a party be attacked and injured, after endeavoring to protect himself, theowner can be made responsible for damages inflicted, provided it can be shown that at the time he was in pursuit of business or on a friendly visit. If a dog by barking at passing horses and vehicles occasions any damage, its owner is liable for the loss sustained. Thus the law very properly affords ample protection for loss or injury caused by dogs.

for loss or injury caused by dogs. Shortly after two o'clock Monday afternoon the roof of Denny & McMurtrie's store room, on the corner of Fourth and Allegheny streets, was discovered to be on fire. A number of bystanders, who happened to be in the im-mediate vicinity, went valiantly to work, and were successful in extinguishing the flames after a yard or more of the roof had been burned away. It is well that the fire occurred in the day time and was discovered so soon after it broke out, for if it had happened

among them the Union depot—would likely have been destroyed. A passing engine left the spark. No alarm was sounded. The engineer of the Gautier steel works of County Quarter Sessions, one of which will be the Clement Burke case, the man charged Johnstown—Michael Kearney by name—was almost instantly killed on Thursday last, by the bursting of the blet pulley of the fly wheel. The pulley was made of iron, and when it bursted large pieces of iron flew through the building in every direction,—the transport of Blair, as the News has it, left is time to be in Marshfield Mondaring the

> off. His death was instantaneous, and he was aged about 50 years. A man named Fisher was also hurt to some extent. It had become a common thing for these corner rowds to assemble on Sunday evenings in rominent places, and go so far as to insult adies passing from church, and it is about ime that something be done to abate the uisance. Strange but Wonderfully True.

Huntingdon Pa. HEADACHE.-Dr. Briggs' Allevanter will instantly relieve nervous or sick headache, neuralgia, catarra, sore throat, dyspepsia, heart-burn, palpitation, flatulency, sour stomach; in fact it is the greatest restorer of the age, counter-The efforts of High Constable Henry Printz to break up the bad habit of boys and men congregating on our street corners, not only receives the approval of the council, but the commendation of all law-abiding citizens.—

It is the greatest restorer of the age, counteraction, banishes pain from any part of the system, has marvelous and perfect control over the nerves, increases the action of the heart without exciting the brain, will cure all malarious diseases, subdue fever, equalize the circulation, stimulate the fever, equalize the circulation, stimulate the weakened and diseased frame. Sold by John Read & Sons, Huntingdon Pa. [may14-1y.]

kept open in order that the tree may be healthy.
Potash or lye has none of these objections, and answers every purpose.

New Oxford, Adams county, has a case of clearly defined leprosy. The unfortunate victum to this loathsome and incurable disease is a soldier of the late war of the rebellion, who was discharged from the service in 1865 as a larger of the late war of the rebellion, who was discharged from the service in 1865 as a larger of the late war of the rebellion, who was discharged from the service in 1865 as a larger of the late war of the rebellion, who was discharged from the service in 1865 as a larger of the late war of the rebellion, who was discharged from the service in 1865 as a larger of the late war of the rebellion, who was discharged from the service in 1865 as a larger of the late war of the rebellion.

gant, interesting article and then run it into some advertisement that we avoid all such cleats and simply call attention to the merits of Hop Bitters in as plain honest terms as possible, to induce people to give them one trial, as no one who knows their value will ever use anything else.
