ORANGE BLOSSOMS .- Wednesday eve-Wait for the Largest and Best! Don't

one solid mass of human flesh swaying to and fro watching the unloading of Welsh and smoothly. The bride looked very handsome in a full white toilet with orange blossoms, and was ably supported by her two bridesmaids, Miss Jennie Williams and Miss Carrie Fetterhoof, who were also very becomingly dressed in full white. The groom looked every inch the happy man he was, and was accompanied by Messrs. George W. Spangler and George D. Blair, as grooms W. Spangler witness an exhibition of the second of the functional senting of the first through a corps of the groom looked witness the most gorgeous and sensational free street parade ever given in this city. In the afternoon their enormous tents were filled to their utmost capacity, to witness an exhibition of the functional fills of the happy man he was, and was accompanied by Messrs. George W. Spangler witness an exhibition of the functional fills of the fill of the fill white. The groom looked witness an exhibition of the functional fills of the fill of tents were filled to their utmost capacity, to witness an exhibition of more rare wild beasts, birds, reptiles and marine wonders and a every inch the happy man he was, and was accompanied by Messrs. George W. Spangler and George D. Blair, as groomsmen, the latter taking the place of Mr. Robert Gilliland who was unfortunately detained too late for the ceremony. The happy pair received the congratulations of their numerous friends, after in this city, in any five shows put together .which they led the way to the spacious dining | What a host of genuine features; they have room decorated with evergreens, &c., where the tables, skillfully decorated and beautifully modern science to gather in the most notable of living curiosities and muscular phenomena unce with a great variety of large and hand-some cakes and other good things, too numerous to mention, whose promises of pleas-ures to come were most amply fulfilled when the guests were seated. After they had done performance, including the marvelous steam

justice to the bounteous repast, the bridal party gave the signal for adjournment from the table, and accompanied by music returned has ever exhibited more under their canvas to the parlor, where the remainder of the evening was passed in social conversation, than pasted on the bill boards, and our advice would be to those who were unable to get tickets in the great jam, or gain admission last evening to try it again this afternoon and music and other entertainments. All were most strongly impressed with the kind and bounteous hospitality of their host, and reevening, as this is positively the last day. This stupendous aggregation will exhibit a greated the final necessity of saying "good night." The bride and groom left the next Huntingdon, on Thursday, June 10th.

orning to visit Mr. Stroup's family, acompanied by the best wishes of their many BARGAINS in Gloves, Hoisery, Fans, friends. May their path through life be strewn with roses, and may they never tread Ladies' Corsets, Ladies' Skirts, Hamburg Edging, Laces, &c., at GLAZIER & BRO.'S. Our correspondent furnished us with a full list of the presents, but owing to our want of space we are compelled to omit them. They OF INTEREST TO TORACCO GROWERS -

As a goodly number of our farmer readers

are engaged in growing tobacco, the following remarks by a writer in the Blossburg Industrial Register, in the method used to prevent the destruction of the plants by the ut worm, may prove of interest to them: In our younger days we had considerable experience in the growing of tobacco. We The President of the societion gives notice in and Fish Association gives notice in and Fish Association.

American gives notice in American gives the following concerning them. Golden, Colorado, has this system in operation, and the Globe of three weeks before we wished to set three weeks before have given to bacco plant, we plowed our tobacco field and before harrowing it sowed about three bushels of buckwheat to the acre, and then immediately proceeded to mark out the rows and make the "spats" or hills for setting. By the time we wished to set the tobacco plant the buckwheat had grown to be about the same size of the tobacco plant, and was four three weeks before we wished to set the tobacco plant the buckwheat had grown to be about the same size of the tobacco plant, and was four three weeks before we weeks before we wished to set the tobacco plant and before harrowing it sowed about three buckwheat had grown to be about the same size of the tobacco plant and was four three weeks before we wished to set the tobacco plant and before harrowing it sowed about three weeks before we wished to set the tobacco plant and before harrowing it sowed about three weeks before we wished found that the common cut worm was the greatest enemy of the young plant, often making such severe attacks that we were

burg, the other day, on his way to Washington, Pa., where he has a brother. He lost his right foot. He presented a pitiable sight as he hobbled away toward his destination. He was just out of the Bedford county alms house.

Our friend, Rev. D. W. Ebbert, of Shippensburg, who was attending the Mercersburg long, who was attending the Mercersburg long, and the rection of water works, that no long, who was attending the Mercersburg long, and contended by those in opposition to the erection of water works, that no long, who was attending the Mercersburg long, and the proper working it need no fire engines, as the pressure is sufficiently strong to throw a stream of water through a thousand in the same size of the tobacco plant, and was found in the same size of the tobacco plant, and was found in the same hill, "spat," or place where the tobacco plant was to be set. This was no annoyance. We set our tobacco and awaited the result. We found that the cut worm was just as fond of young and fresh buckwheat stalks as it was of tobacco, and there being constructions as the pressure is sufficiently strong to throw a stream of water through a through a tobacco plant, and was found in the same size of the tobacco plant, and was found in the same size of the tobacco plant, and was found in the same size of the tobacco plant, and was found in the same size of the tobacco plant, and was found in the same size of the tobacco plant, and was found in the same size of the tobacco plant, and was found in the same size of the tobacco plant, and was found in the same size of the tobacco plant, and was found in the same size of the tobacco plant, and was found in the same size of the tobacco plant, and was found in the same size of the tobacco plant, and was found in the same size of the tobacco plant, and was found in the same size of the tobacco plant, and was found in the same size of the tobacco plant, and was found in the same size of the tobacco plant, and was found in the same size of the tobacco plant, and was found in the same Classis, at McConnellstown, last week, preached two sermons on Sunday—at the Reformed church in the morning and Lutheran church in the evening—which are highly spoken of as meritorious efforts, by those who heard the young gentleman. We are glad to note this, for we believe Mr. Ebbert is destined to reach the highest rong in the ladder of fame, in the Reformed ministry.

One of the numerous Jones family, first name Apping and a president of Harrishner.

Kind of a system could be got into working order under \$75,000 or \$100,000, and the proof order under \$75,000 or \$100,000, and the proof to bacco, and there being the church in the morning and Lutheran church in the was defeated by the vote of the people, but we think these figures (\$40,433.83), ought to cure the most skeptical of them that works can be erected for less money than they based their assertions on at that time, and for less than the Golden works. The people of Golden believe that the rents from the use of the water will not only prove sufficient to pay annual expenses, but in the course of time and could be harvested and taken will become a source of revenue to the city. will become a source of revenue to the city, and the same, if adopted, might be said of better price in the market on that account.

Huntingdon. At the present time, our au-thorities have under consideration the feasi-bility of purchasing another steam fire engine, Fine shoes, of latest style, cheap for cash.

Last Wednesday Dr. W. F. Fundenberg, of
Cumberland Md., operated for the removal of
the left eye-ball from Mr. Jos. Schrock, who
lives in Roxbury, this county. Mr. Schrock
lost the sight of his eye from a shootingcracker being thrown into it about seventeen
months ago. The eye had been a constant
source of trouble to him ever since the hurt,
and lately the sight of his right eye began to
fail rapidly. It was necessary to remove the fail rapidly. It was necessary to remove the bad one at once to save the good one, which operation was successfully performed, the atient being thoroughly under the influence f ether. He returned home on Saturday, use until cured, and was so enthusiastic in its praise that she induced twenty-two of the having fully recovered from the effects of the

operation. The Doctor was ably assisted by Dr. Henry Brubaker, of this town.—Somerset The Doctor was ably assisted by best families in her circle to adopt it as their regular family medicine. That "stuff" is Hop Dr. Fundenberg is now at the Leister House, where those suffering from any disease of the Eye, Ear, Nose and Throat can consult Go to Marchs' and see the stacks o

over 500 doz. of Ladies' and Misses' Hose. Gloves at prices to astonish you. Con come, if only to look. We can sell goods a what other merchants paid for them

WM. MARCH & BRO. "An Old Physician's Advice" Coughs, Colds, Asthma and other pulmona ffections should be looked to and prompt treated in time, and thus all serious results may be avoided, and for this purpose we know of no better remedy than "Dr. Swayng's Com-POUND SYRUP OF WILD CHERRY." dose gives relief, and it is sure to cure the worst Cough or Cold in a very short time.-Try a 25 cent bottle and be convinced, an you will thus avoid a doctor's bill, and mos likely, a spell of sickness. Price 25 cent and \$1.00 per bottle, or six bottles \$5.00. The

WOMEN NEVER THINK !- If the crabbed old bachelor who uttered this sentimen could but witness the intense thought, dee study and thorough investigation of wome in determining the best medicines to kee their families well, and would note their sa gacity and wisdom in selecting Hop Bitters as the best, and demonstrating it by keeping of the loss sustained by George B. Porter, by
the burning of his horses, farming implements,
etc., we are pleased to learn that we were in
error when we stated that Mr. Porter had
been "financially ruined." We supposed that their families in perpetual health, at a mer nominal expense, he would be forced to ac knowledge that such sentiments are baseles

Is Your Hair Falling, or Turning Gray left his home about ten days. When he left home he were a light hat with cord band.— He is supposed to be laboring under tempor ary aberration of mind, and was seen at Tyrone in a demented condition. Any person knowing of his whereabouts will please notify his father, John Darby, Howard, Centre county, Park the state of the protected early and delightful article ever introduced to the American people. It is totally different from all others, not sticky or gummy, and such is not the case, and although his loss is heavy he still has something left, all of which we were delighted to learn.

WHAT OUR CORRESPONDENTS SAY.

a Samuel Spangler, in Franklia township, was the scene of an unusually large and festal gathering on the occasion of the marriage of his only daughter, Miss Kate Spangler, to the Rev. George W. Stroup, of Karthans, Clearfield county. The invited guests, to the number of one hundred or more, began to arrive as the hour for the ceremony approached, and were all assembled by eight o'clock. At half-past eight the bridal party entered the large parlor, where the guests were awaiting them, and were soon united in marriage by

There has not been a regular meeting of Medical Society in this county for nearly years. It has been suffering from official sep practitioners meet on the street or in one of the offices and call it a regular meeting of the Huntingdon County Medical Society! They electhemselves officers and send word to someboditath he is a delegate! It reminds us of the tw. Bowery bummers who went into a saloon, organ zed a convention and issued a flaming manifes commencing: "We, the people of these United States," &c. The public and the medical profession of Hant

ingdon county, and of Pennsylvania, are respect fully and honestly informed that this meeting was a farce, the election a fraud, and that Drs. D. P. Miller, Isaac Guss and A. B. Brumbaugh are not duy elected officers, and their claims and preten-sions as such are invalid, fraudulent, and entitled to ne consideration proposed. Very respectfully to no consideration or respect. Very respectfull yours, GEO. D. BALLANTYNE, M. D.
